

The slide features a dark blue horizontal band across the middle. To the left of this band, there is a decorative graphic consisting of several overlapping, semi-transparent squares in shades of light blue and white, arranged in a stepped, staircase-like pattern. The text 'APRUNet Report' is centered on the dark blue band in a white, serif font.

APRUNet Report

John Silvester (for Zita Wenzel)

Honolulu

29 January 2004

<<http://www.apru.org/>>

The slide has a white background with a decorative header at the top left. The header consists of a small cluster of blue and white squares, followed by a horizontal bar with a gradient from dark blue to light grey. The text 'APRUNet' is positioned below the header in a black, serif font.

APRUNet

- APRUNet aims to assist in the development of advanced Internet capabilities among APRU universities and APEC economies in collaboration with strategic partners. The main goal is to develop teaching and research applications that utilize advanced Internet technologies, e.g., distance learning, virtual conferences, telemedicine, remote sensing.

APRUNet Status Report

- APRU Distance Learning and the Internet Conference
- APRUNet Distance Learning Partnership Project
- APRU Presidents Virtual Meeting (June 2003 – 28 sites around Pacific Rim)
- APRUNet/Internet2 Videoconferencing Workshops (Busan, Honolulu, Cairns)
- APRUNet East Asian Studies Project
- APRUNet Global Infectious Diseases Project
- APRUNet Marine and Ocean Biology Project

“Distance Learning and the Internet” Conference

- 4th DLI was hosted by National University of Singapore in December 2003
- APRUNet’s annual international conference
- Fifth conference will be hosted by:
Tsinghua University
11-13 October 2004

Distance Learning Partnership Project

- High school partners and faculty mentors
- Delayed by SARS
- Small APEC grant
- East Asian Studies
- Mailing list <apru-dlp@mailman.isi.edu>
- Web site <<http://mailman.isi.edu/lists/apru-dlp/>>

APRU Presidents Virtual Meeting

- June 18/19, 2003
- 28 University Presidents from 14 Pacific Rim Economies participated in a 2-hour interactive video-conference over advanced internet facilities
- Arrangements by National University of Singapore

East Asian Studies Project

- Multi-point interactive videoconferencing
- Past accomplishments (Myungkoo Kang)
 - Seoul National, ANU, NUS, USC, U Tokyo
 - Faculty and graduate students
 - Post Colonialism, Urban Cultures seminars
- Fall 2004
 - USC, Seoul National, U Tokyo
 - Urban Popular Culture in East Asia credit course
- Mailing list <apru-eas@mailman.isi.edu>
- Web site <<http://mailman.isi.edu/lists/apru-eas/>>

Global Infectious Diseases Project

- Current projects
 - USC grant already includes some APRU partners
 - University of Washington interest in partners
- APEC interest
- APRU Conference 2004 at Fudan University
- APRUNet project?
- Mailing list <apru-gid@mailman.isi.edu>
- Web site <<http://mailman.isi.edu/lists/apru-gid/>>

Marine and Ocean Biology Project

- APRU universities with interest:
 - University of Hawaii
 - USC Wrigley Institute, Catalina Island
 - Far Eastern National University
 - University of Washington
- Virtual aquariums? Jason? Neptune -- optical networking of ocean floors?
- Mailing list <apru-mob@mailman.isi.edu>
- Web site <<http://mailman.isi.edu/lists/apru-mob/>>

Next APRUNet Meeting(s)

- 1. Colocated with APAN Meeting
 - Cairns, Australia
 - 02-07 July 2004
- 2. At the 5th APRUNet DLI Meeting,
 - Tsinghua University,
 - 11-13 Oct, 2004
