→ Questions

- Do you think this BoF {SIG} was worthwhile attending?
- Should there be a regular BoF {SIG}....maybe WG in Apan?
 - 22.-26.1.2006, Tokyo (proposal)
 - 17.-21.7.2006, Singapore (proposal)
 - ...
- Should we instate an enum@apan.net mailinglist?
- Do you have any other questions/issues you want to raise?

→ Objectives

- Why do we have this BoF {SIG}?
 - Several APAN members currently run an ENUM trial, e.g.
 - Australia, www.enum.com.au
 - Korea, www.enum.or.kr/kr/intro.html
 - Japan, etjp.jp/english/index.html
 - Singapore
 - ...
 - There is no point in reinventing the wheel over and over again
 - Work together in APAN
 - Share their knowledge, especially for validation and privacy issues
 - Each country will (may) have similar problems with privacy...
 - ...
 - Get the parties talk to each other, and present their knowledge gained
