

# APAN48 - Tele-health session

July 22, 2019

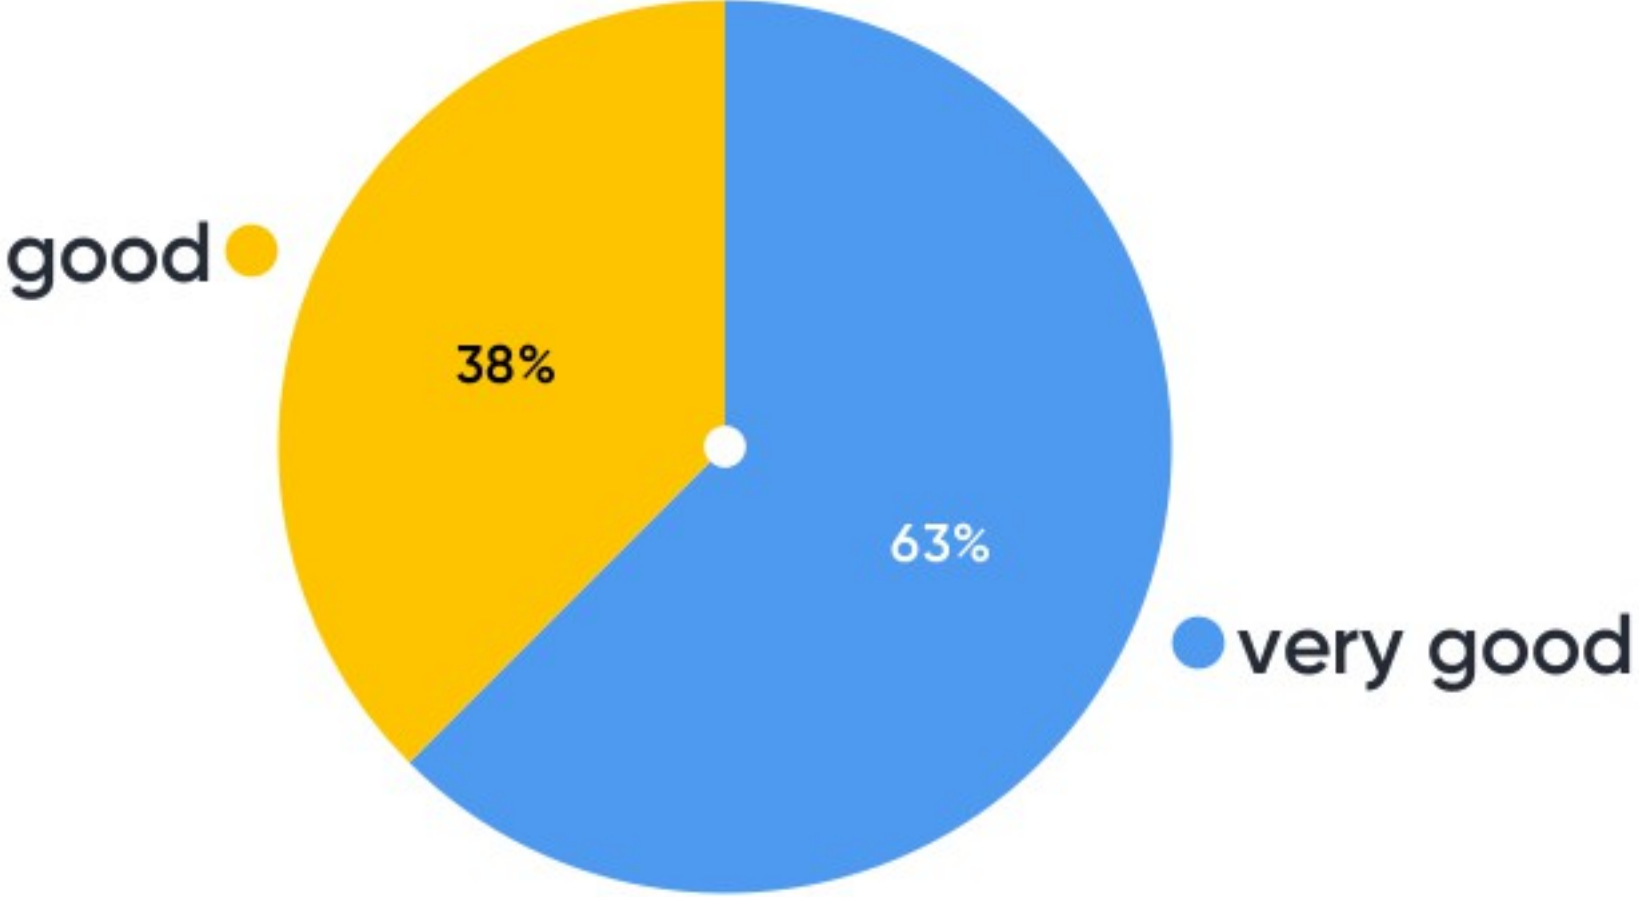

# 1. How was the image sharpness?

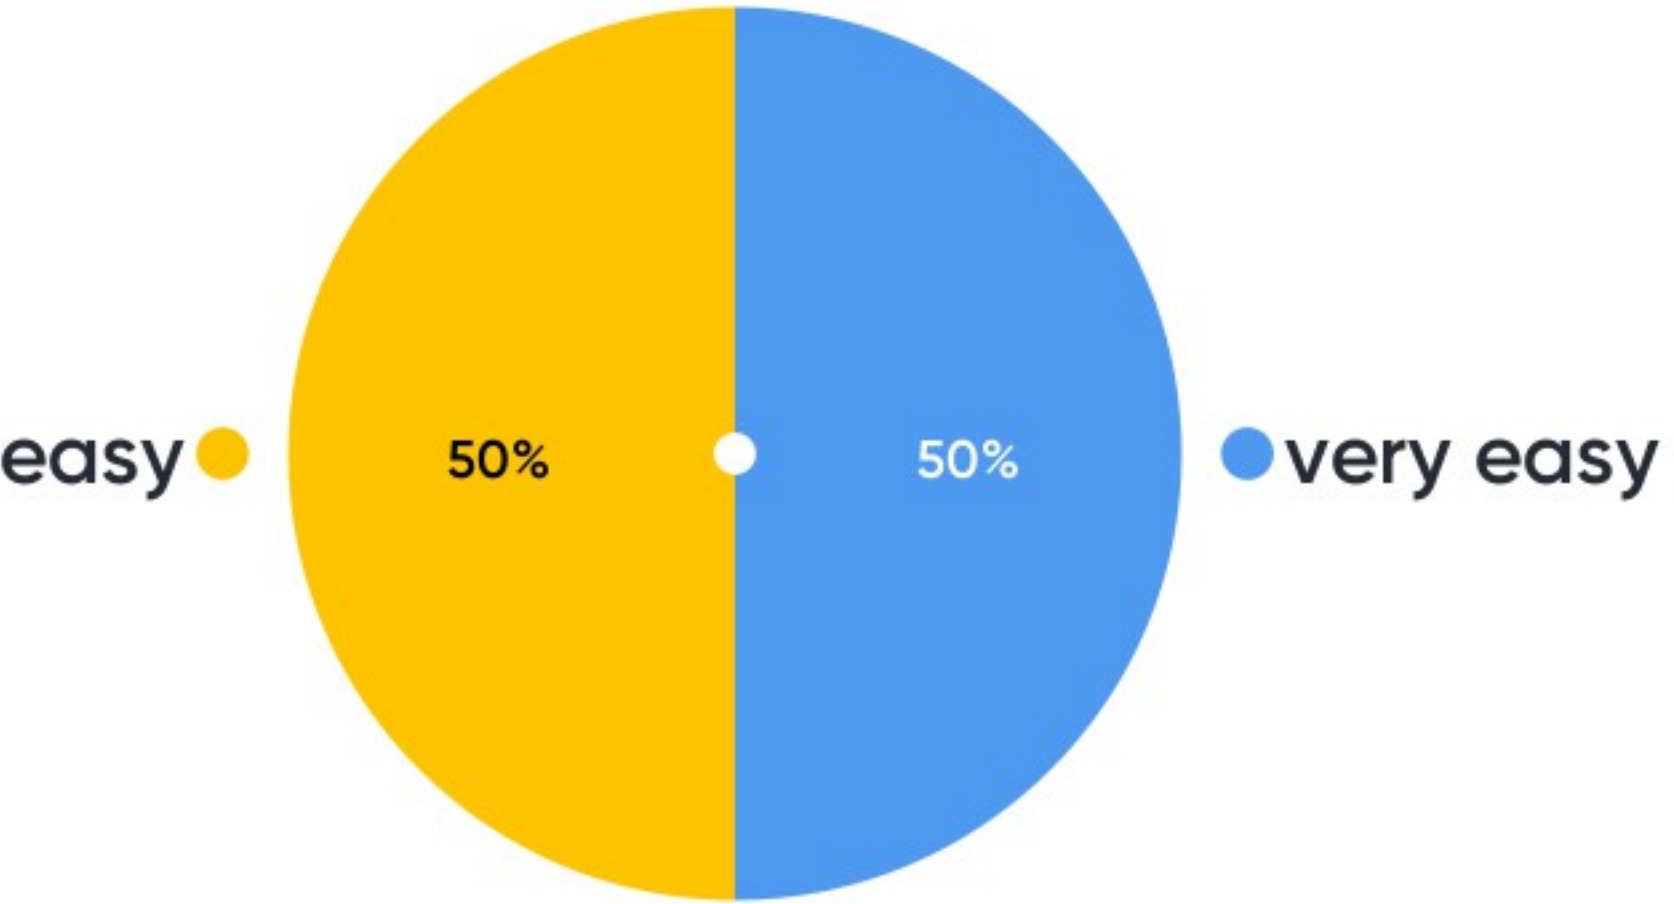

# 2. How was the image movement?

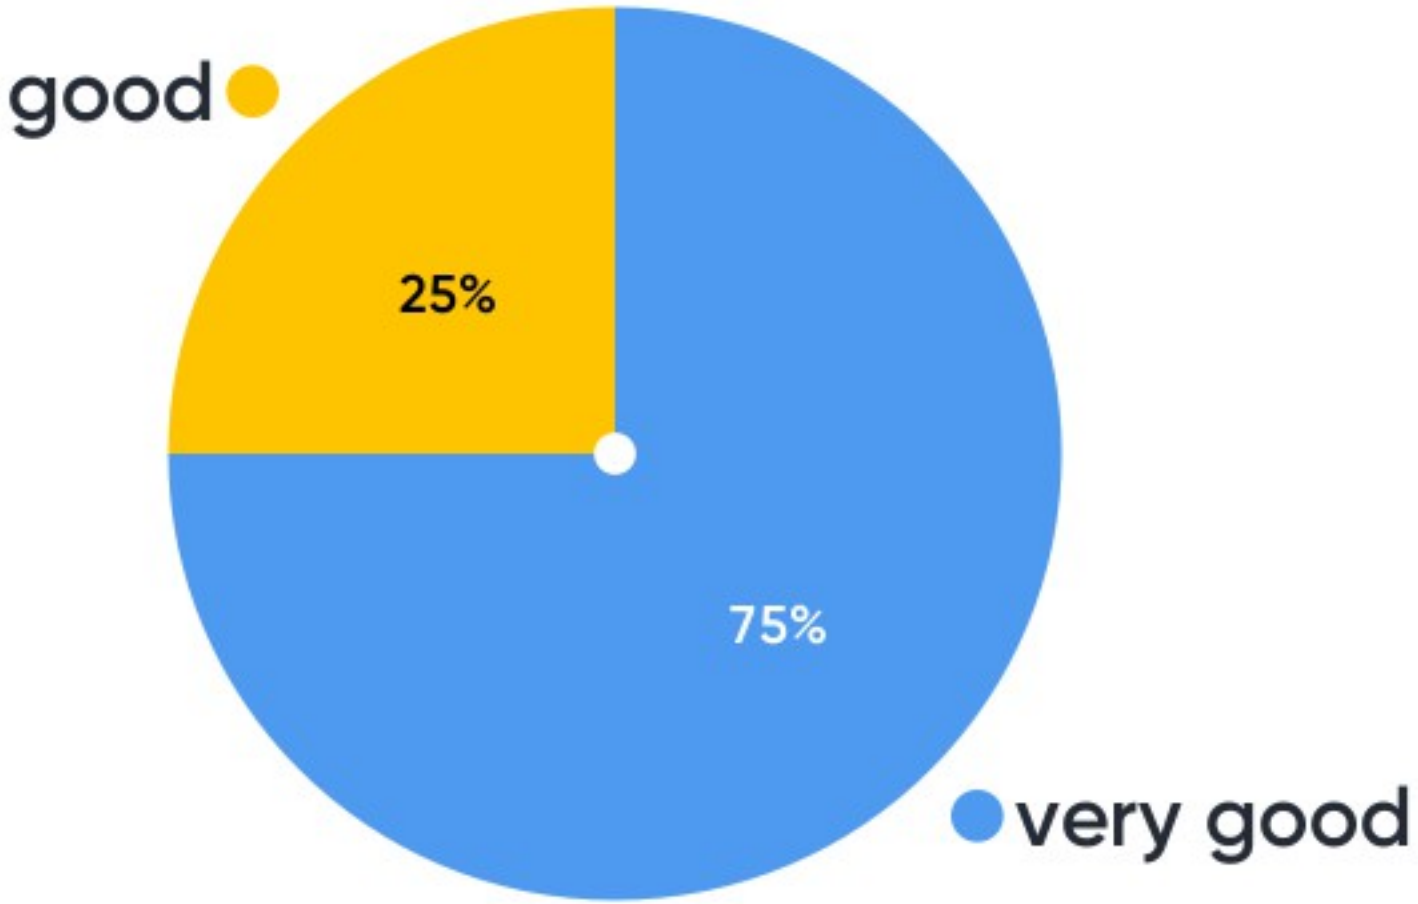

# 3 . How was the quality of sound?

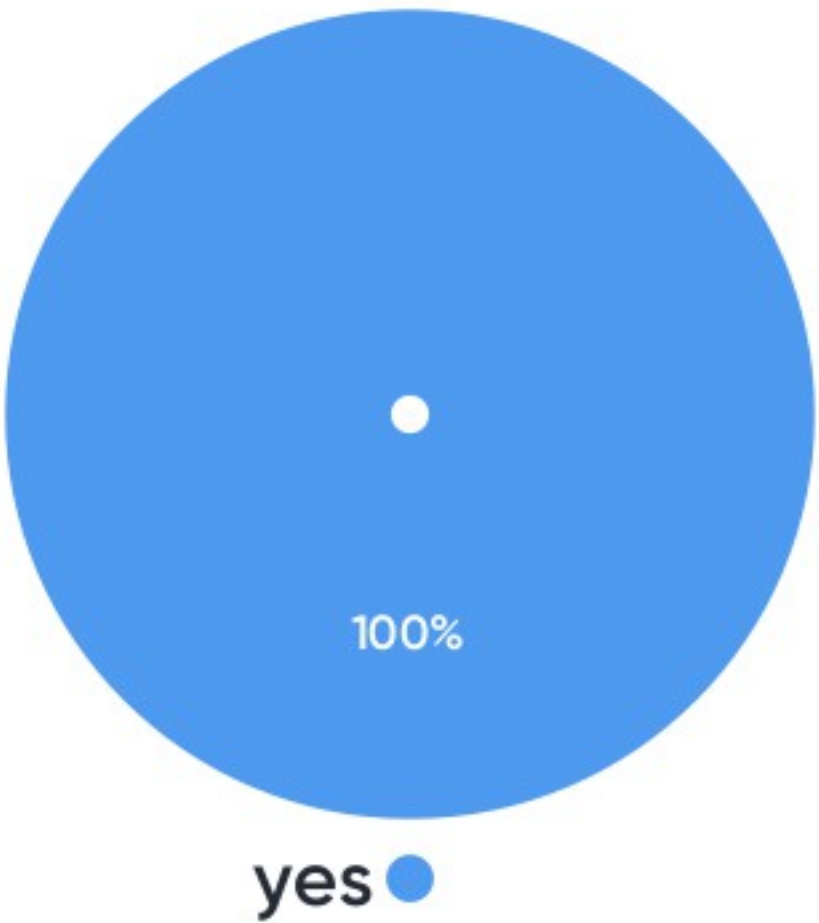

# 4 . How was the preparations?

# 5 . How was the program?

# 6. Will you attend another teleconference session next time?

# 7. If you found any problems in teleconference, please write any comments you may have.

Problem solved. Loose Audio jack connector replaced at time. Sound Quality was very good

Can use more simple equipment

Very informative

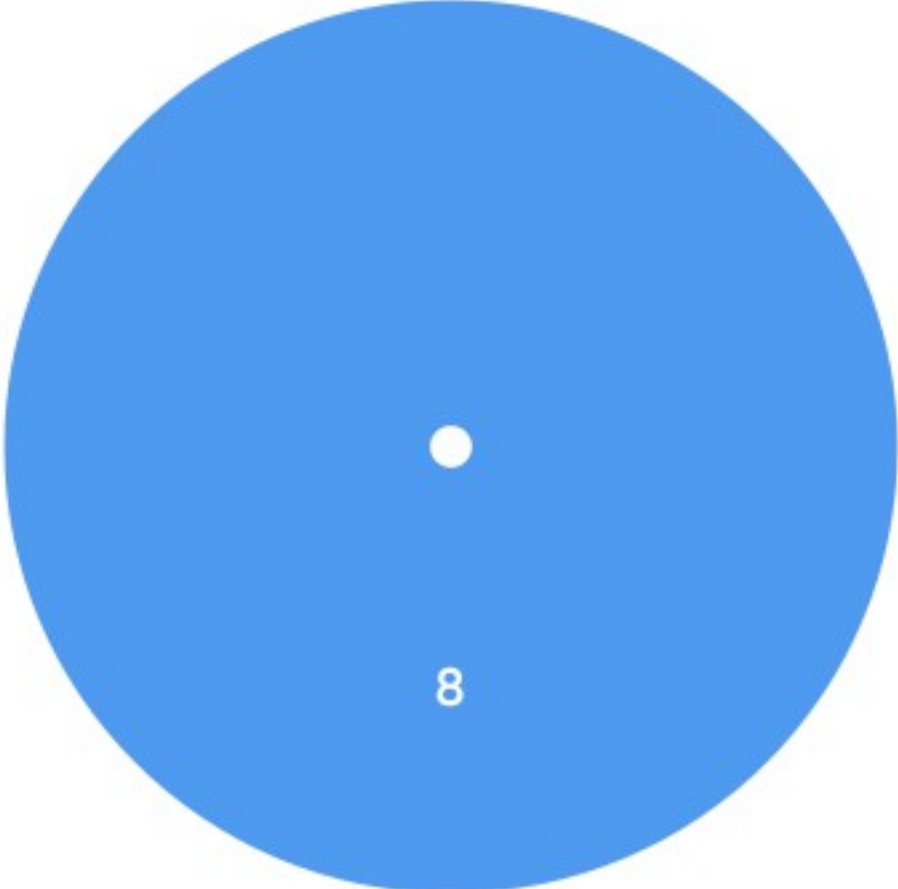

Everything is fine

Coordination between engineer can be better

# 8 . Which is your station?

the UPM White House ●
