

APAN48 -Remote Health care Session

July 26, 2019

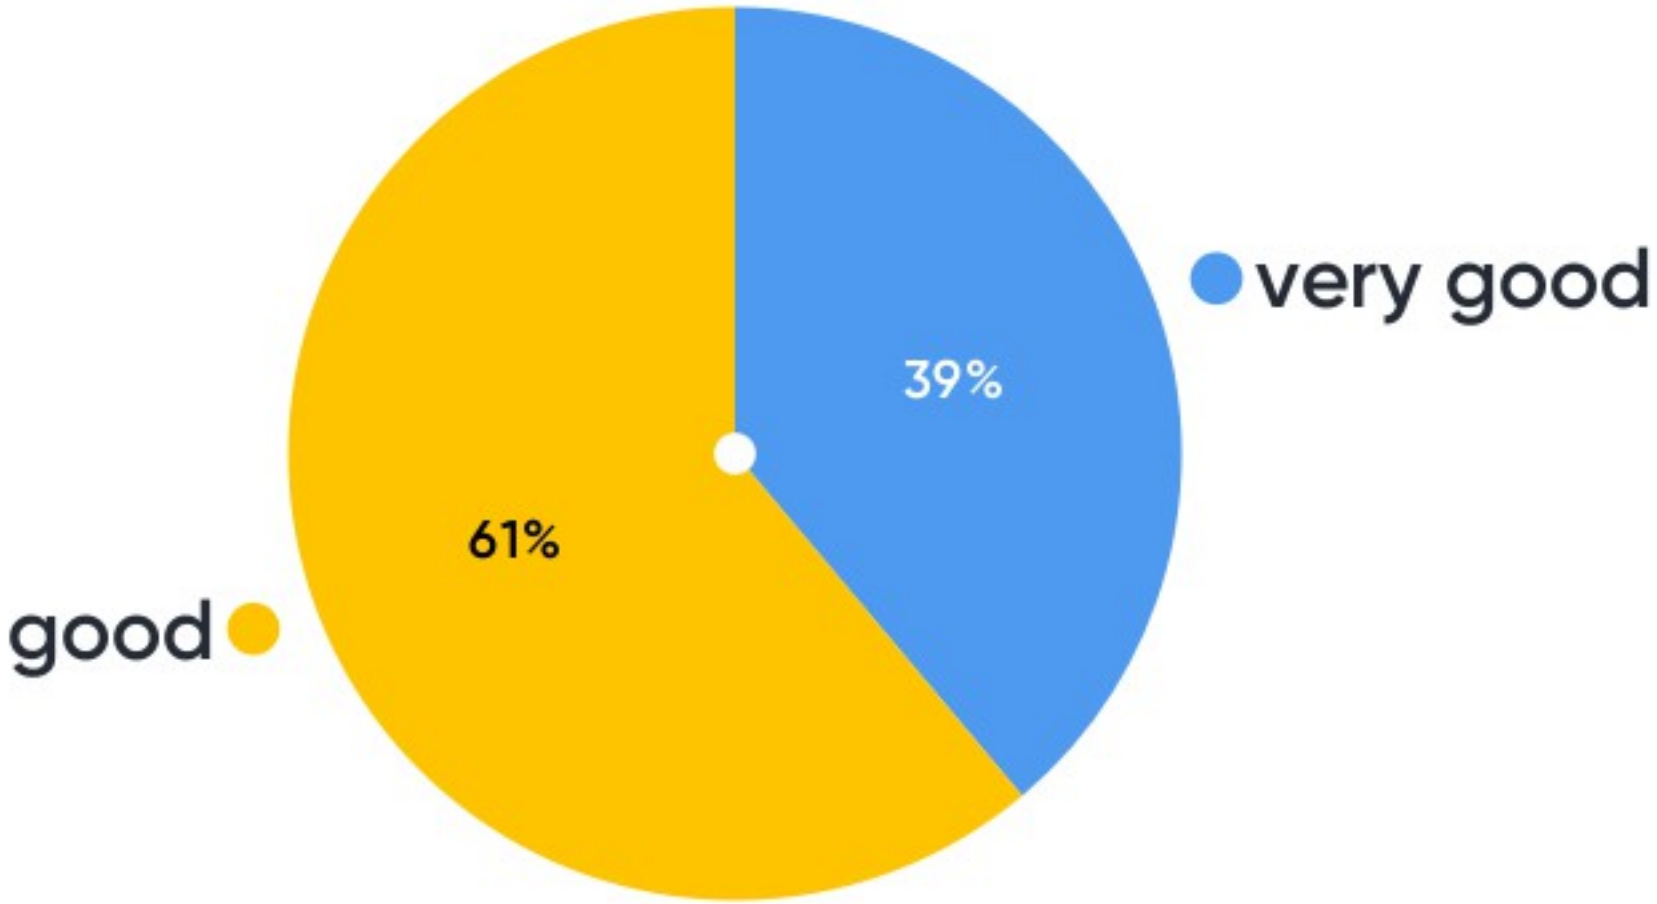

1. How was the image sharpness?

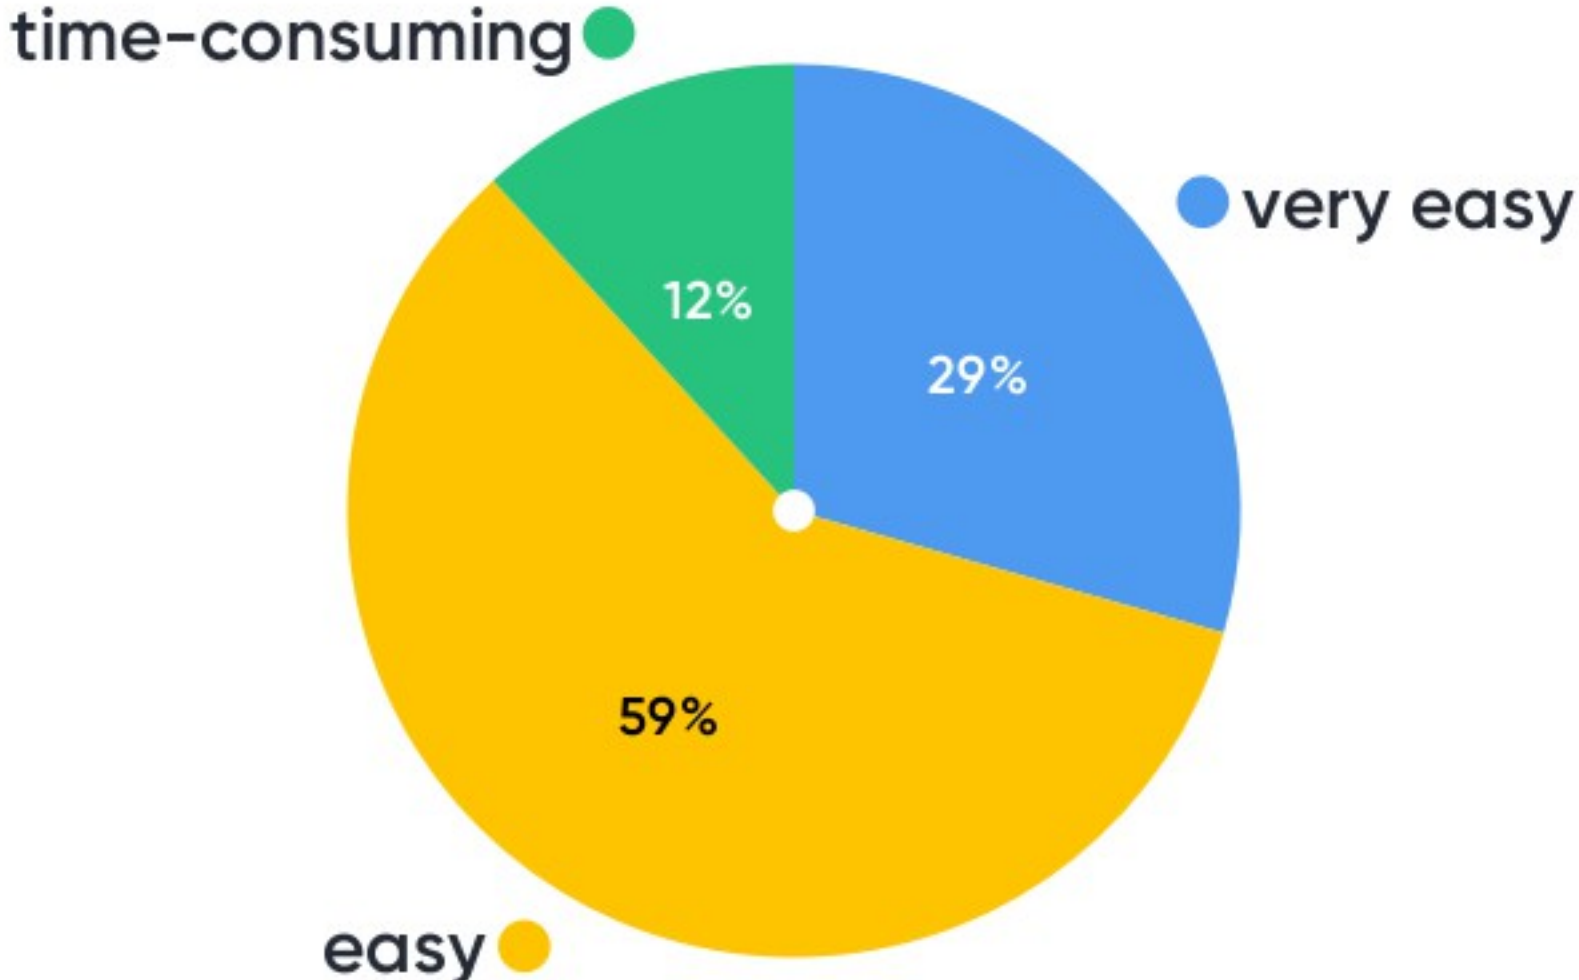

2. How was the image movement?

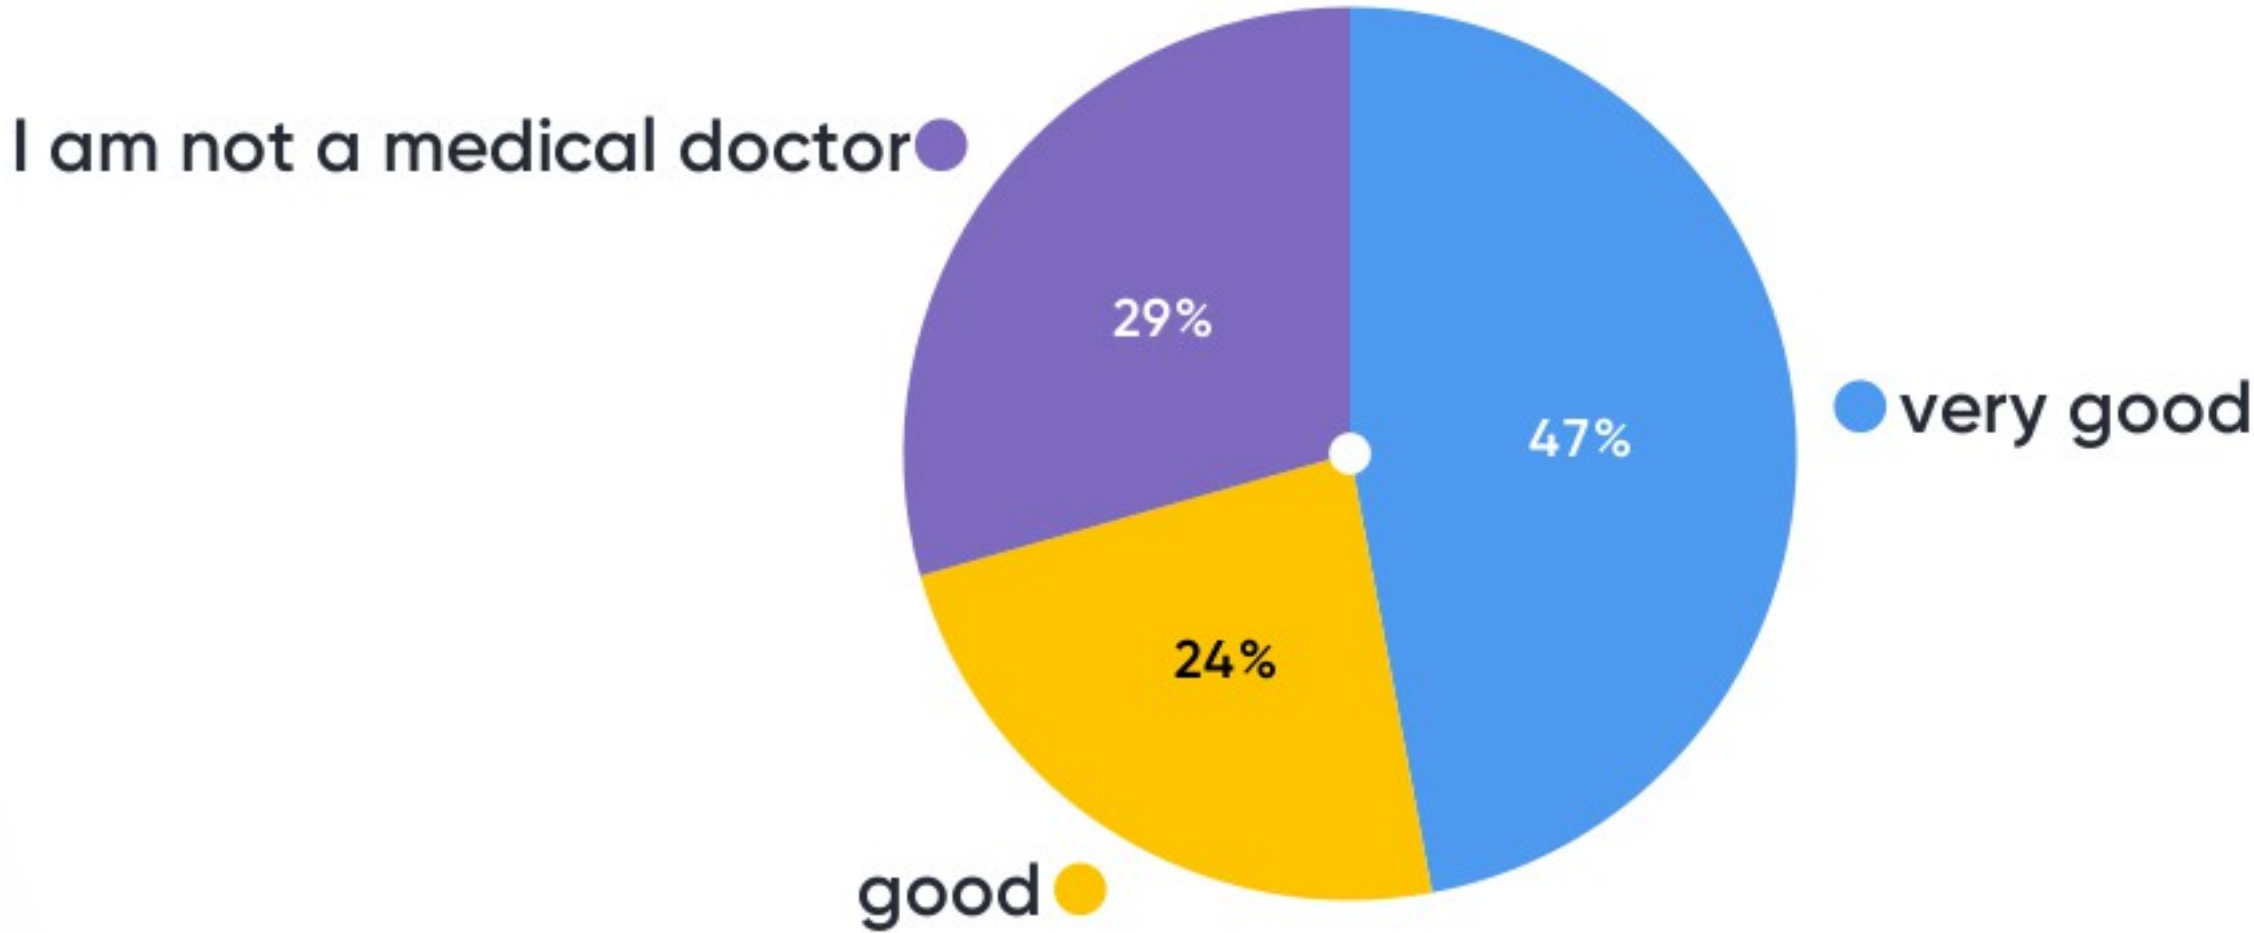

3 . How was the quality of sound?

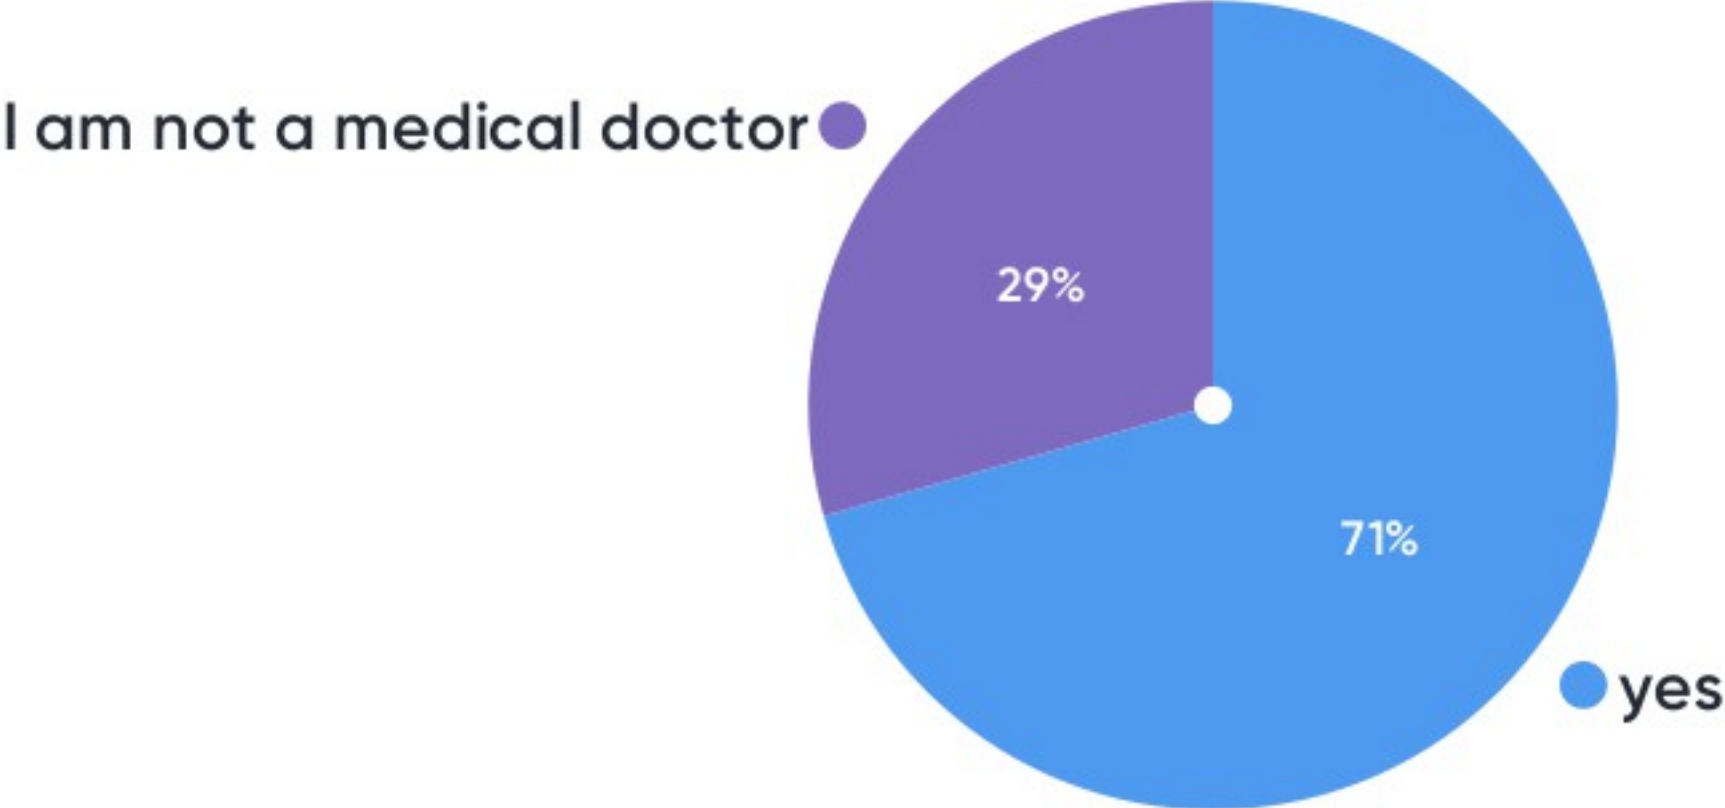

4 . How was the preparations?

5 . How was the program?

6. Will you attend another teleconference session next time?

7. If you found any problems in teleconference, please write any comments you may have.

Low bass sound

Audio issue

Good

1) Image of powerpoint was not sharp 2) Movie clips were sluggish

Movie in PPT was sluggish

I have an issue on Vidyo itself, once I log in from guest link it was OK and with some need, I logout from the session then its too tough to again get re-logged in. I need to restart my laptop to get logged in. Thank you.

i liked the content

Nil

very informative

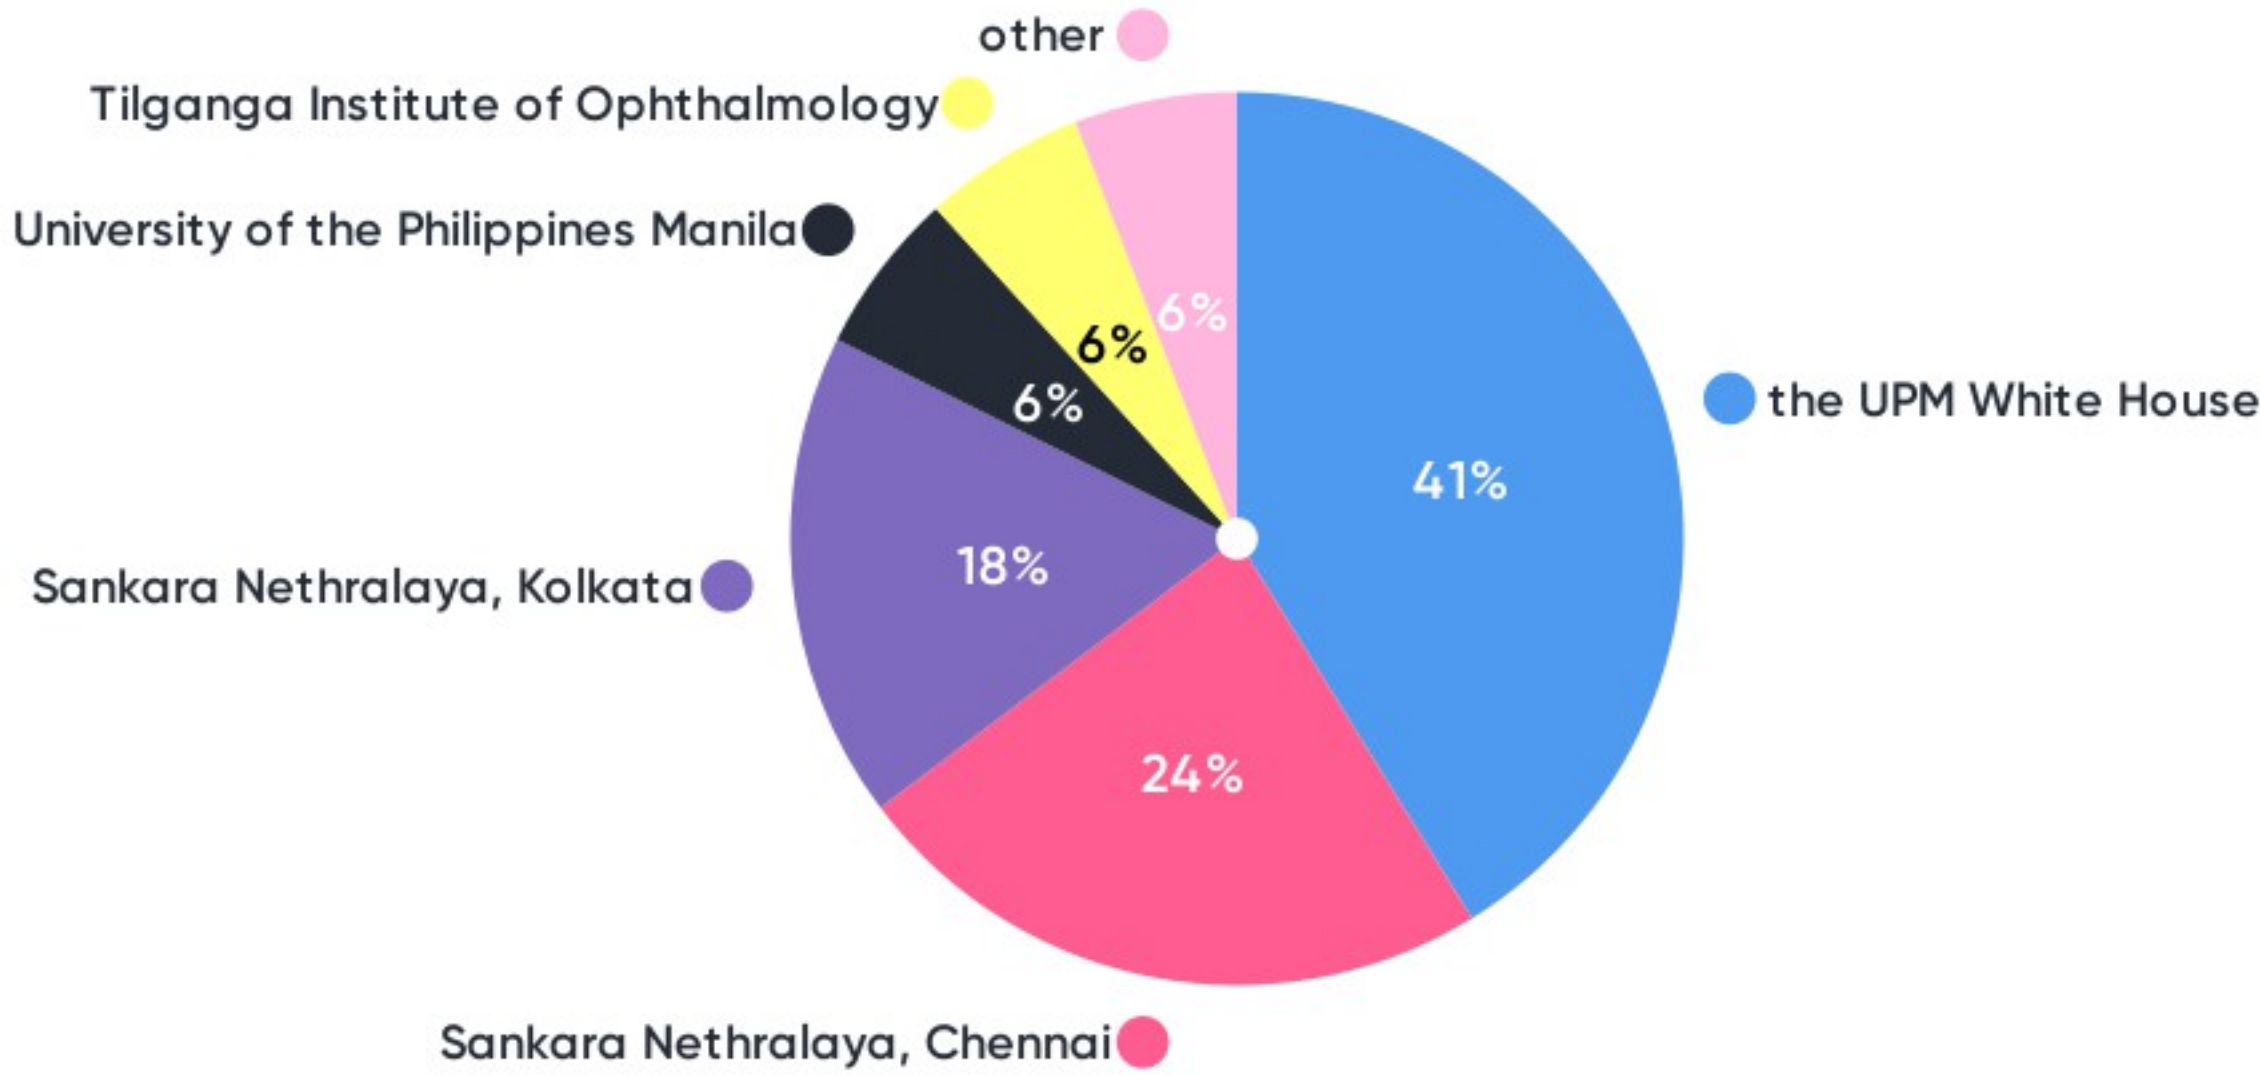

7. If you found any problems in teleconference, please write any comments you may have.

Overall good

no problem

I have no found any problems in this teleconference. This conference was very successful and I hope for the same kind of response in the future also.

8 . Which is your station?

9 . Which is your occupation?
