

# APAN47 – HPB session

February 20, 2019

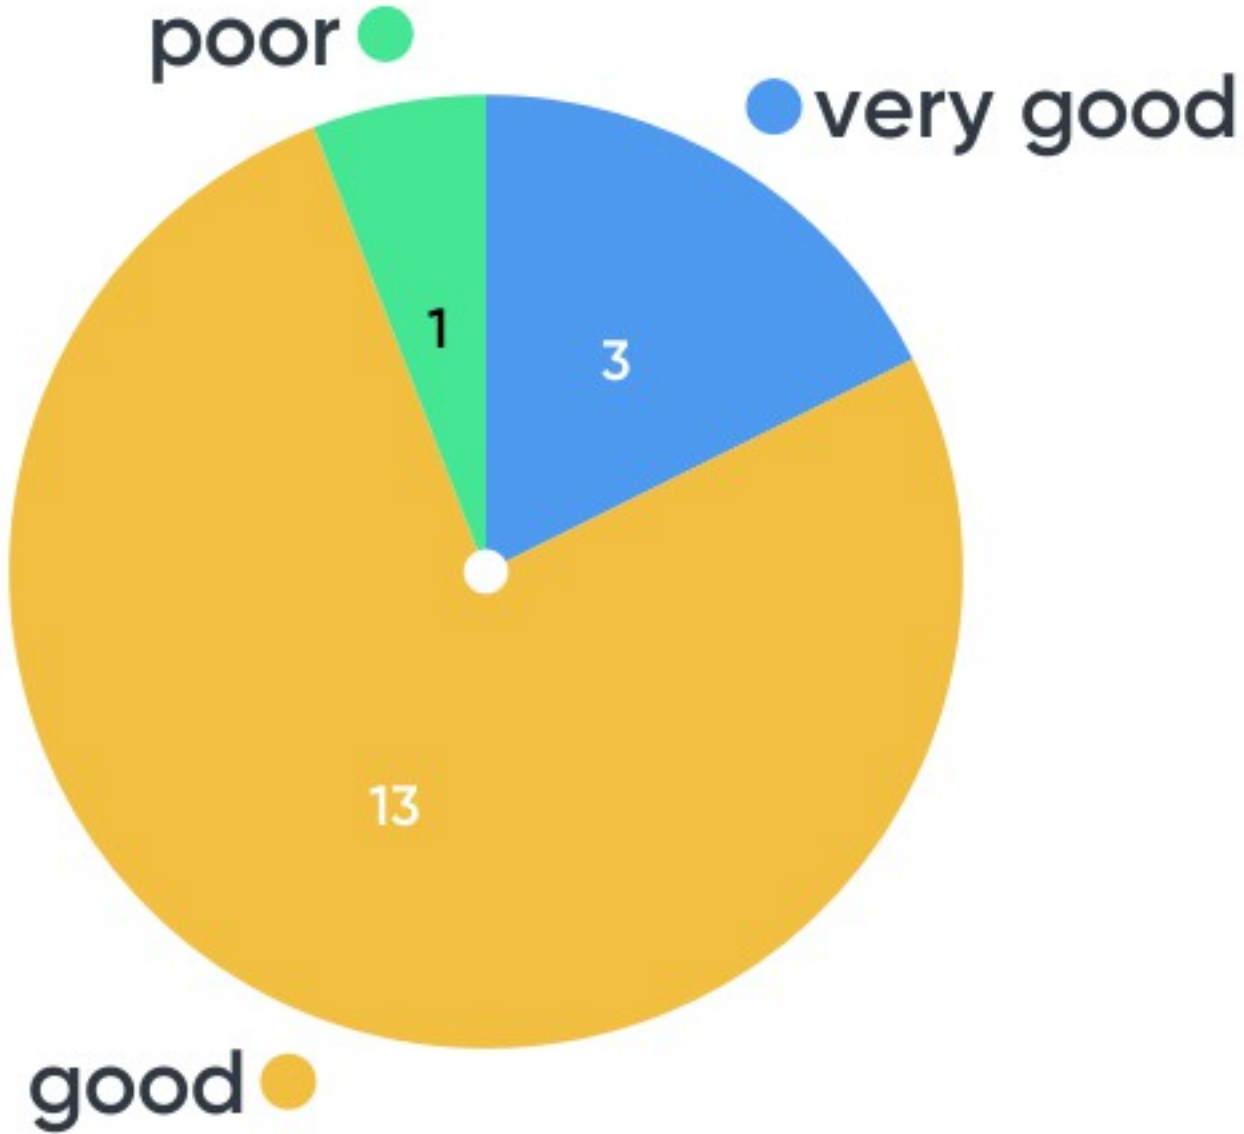

# 1. How was the image sharpness?

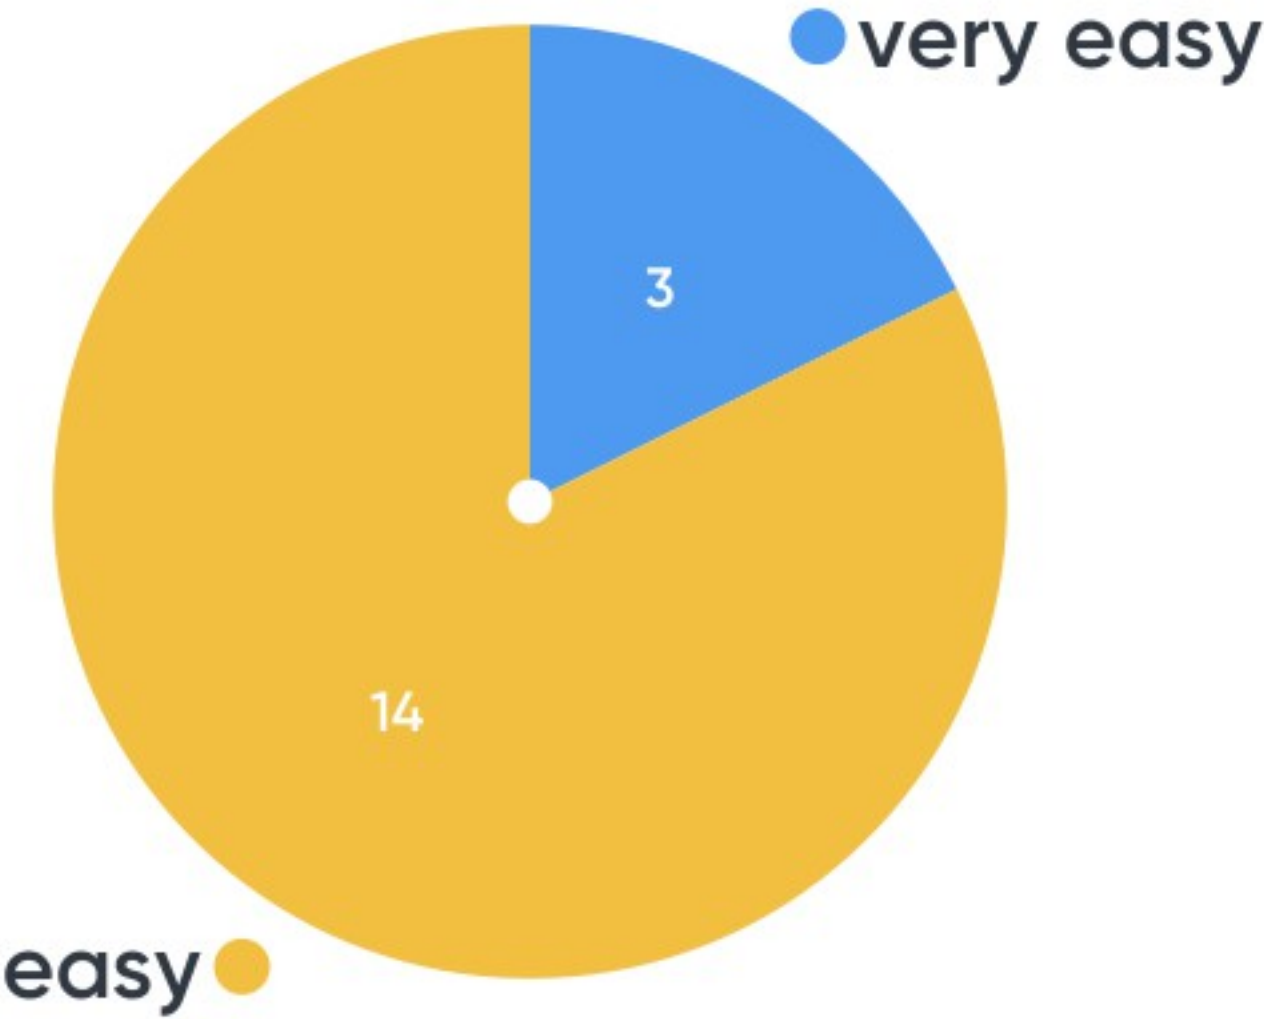

# 2. How was the image movement?

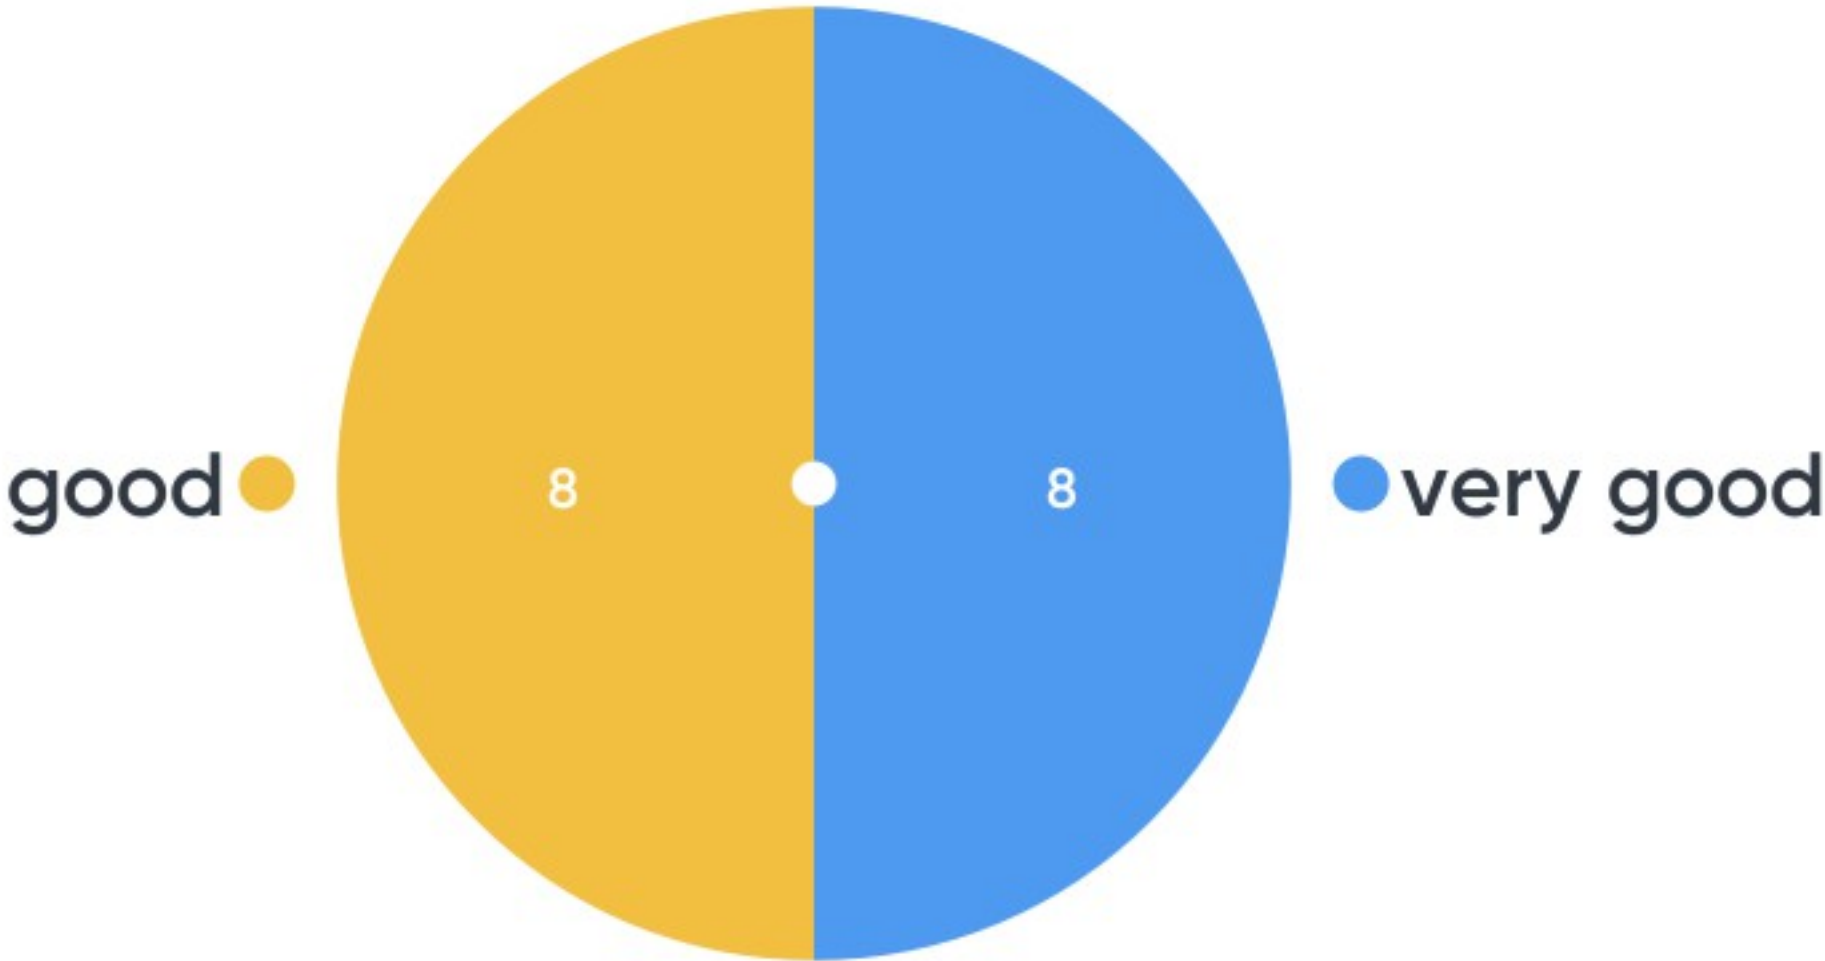

# 3. How was the quality of sound?

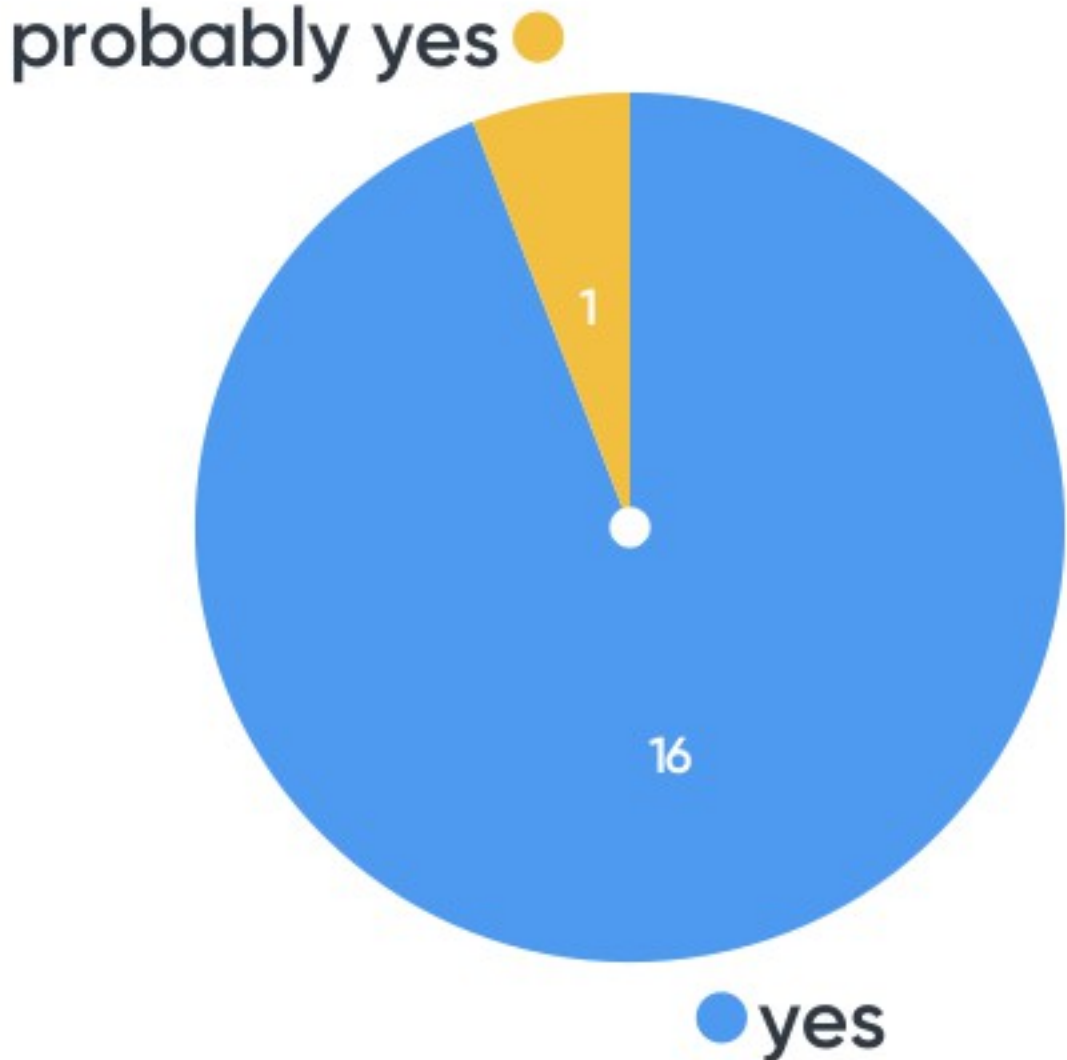

# 4. How was the preparations?

# 5. How was the program?

# 6. Will you attend another teleconference session next time?

# 7. If you found any problems in teleconference, please write any comments you may have.

No problem. Excellent session.

audio problem with Sunway Medical Center

HPB session was very nice but some audio problems were met

Audio balance among the sites was not good.

no problems found

Sometimes there was disturbance with sound.

Some connecting sites are not mute Mic when they are not using! If there is any way to centrally control the sound is good.

eco from remote site need to control

# 8. Which is your station?
