4. How was the preparations?

5. How was the program?

6. Will you attend another teleconference session next time?

7. If you found any problems in teleconference, please write any comments you may have.

Not applicable

Good and informative

Sometime echo sound and the sound is not clearly

During the presentation try to hide the other participants video and show only presenter PIP.

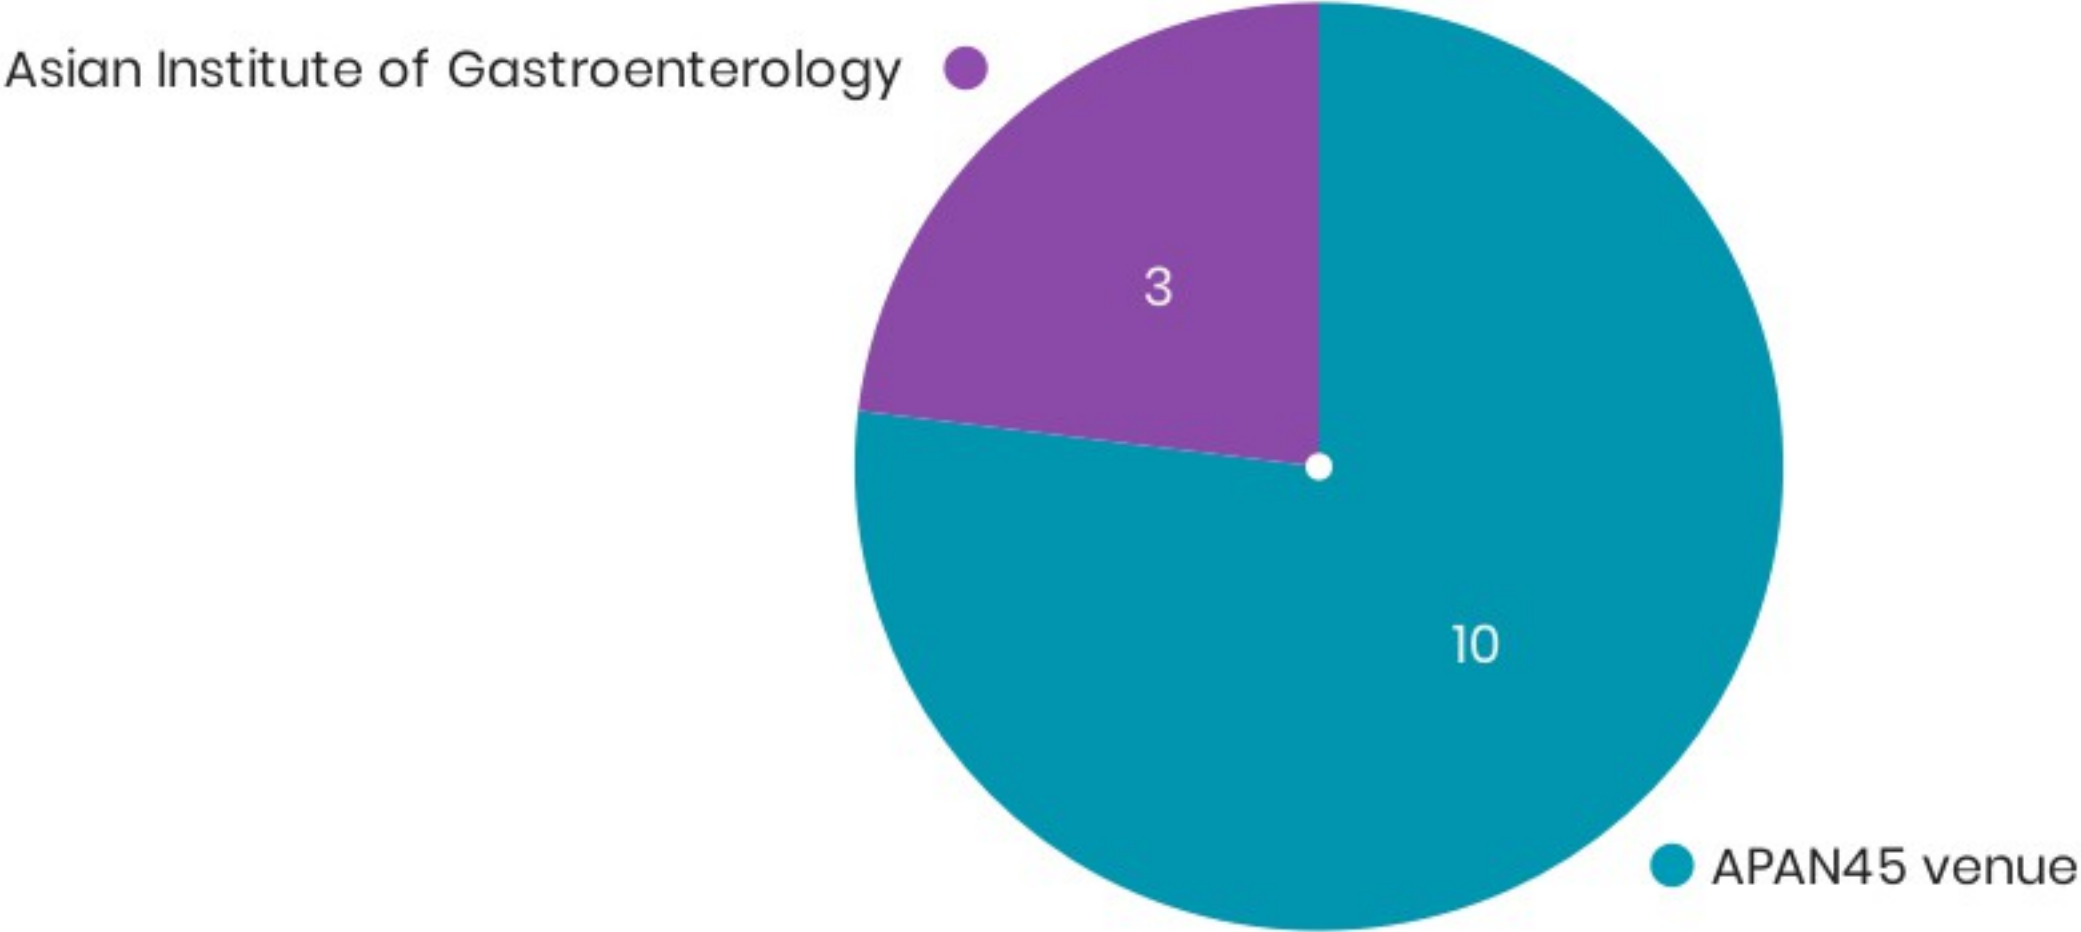

Got problem while displaying the desktop of presenter.

good

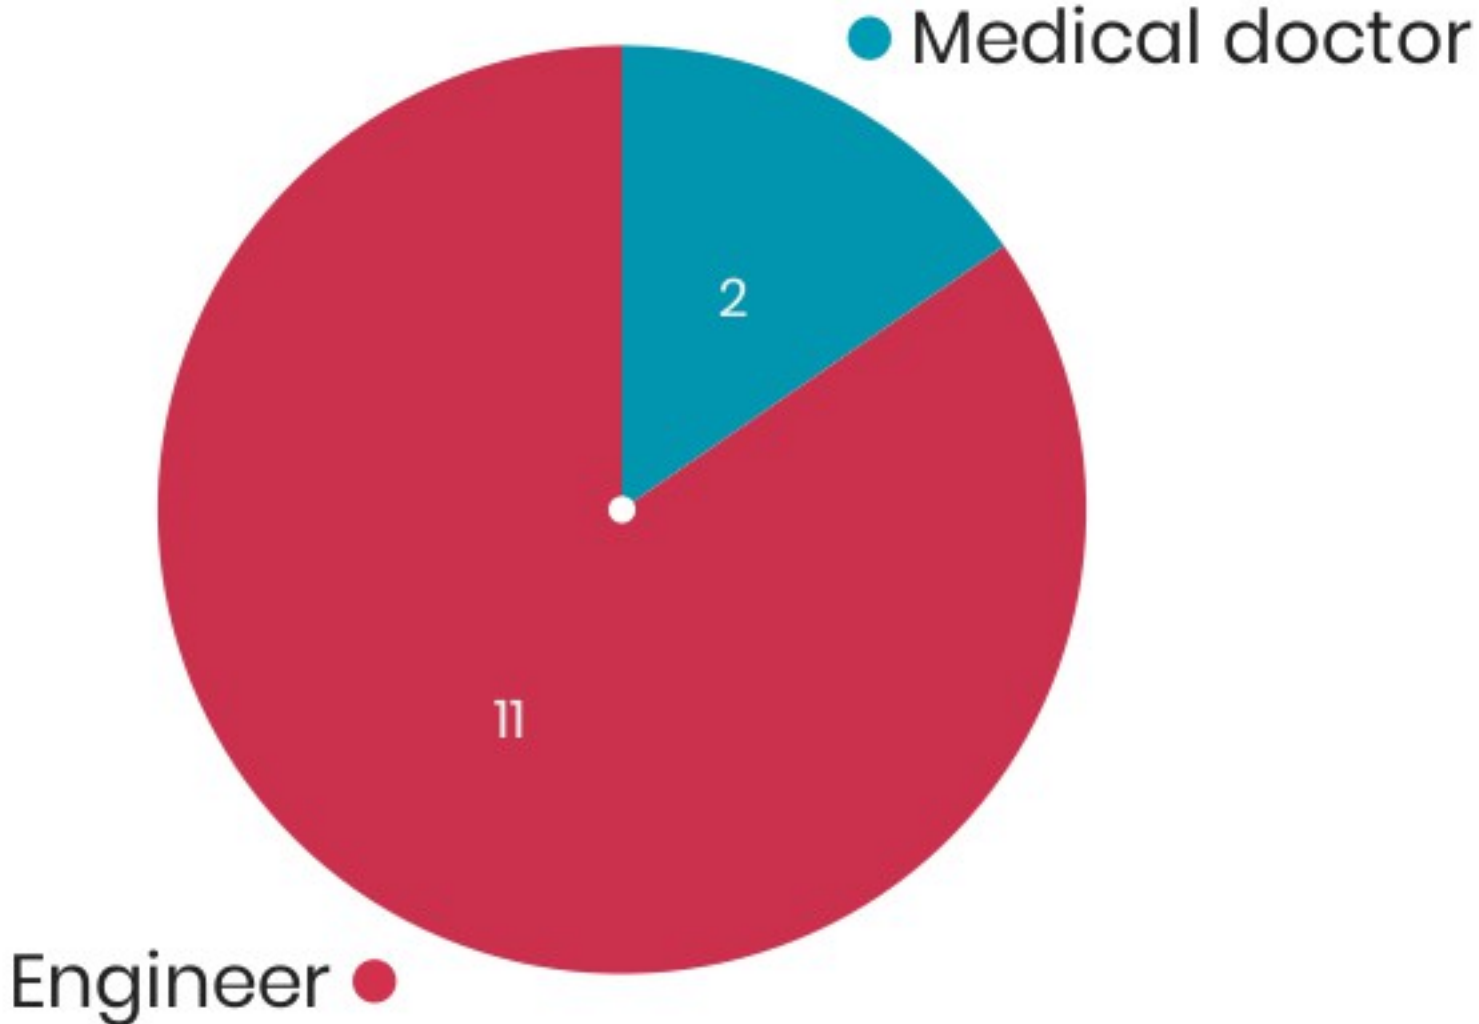

In general the session is a success

nil

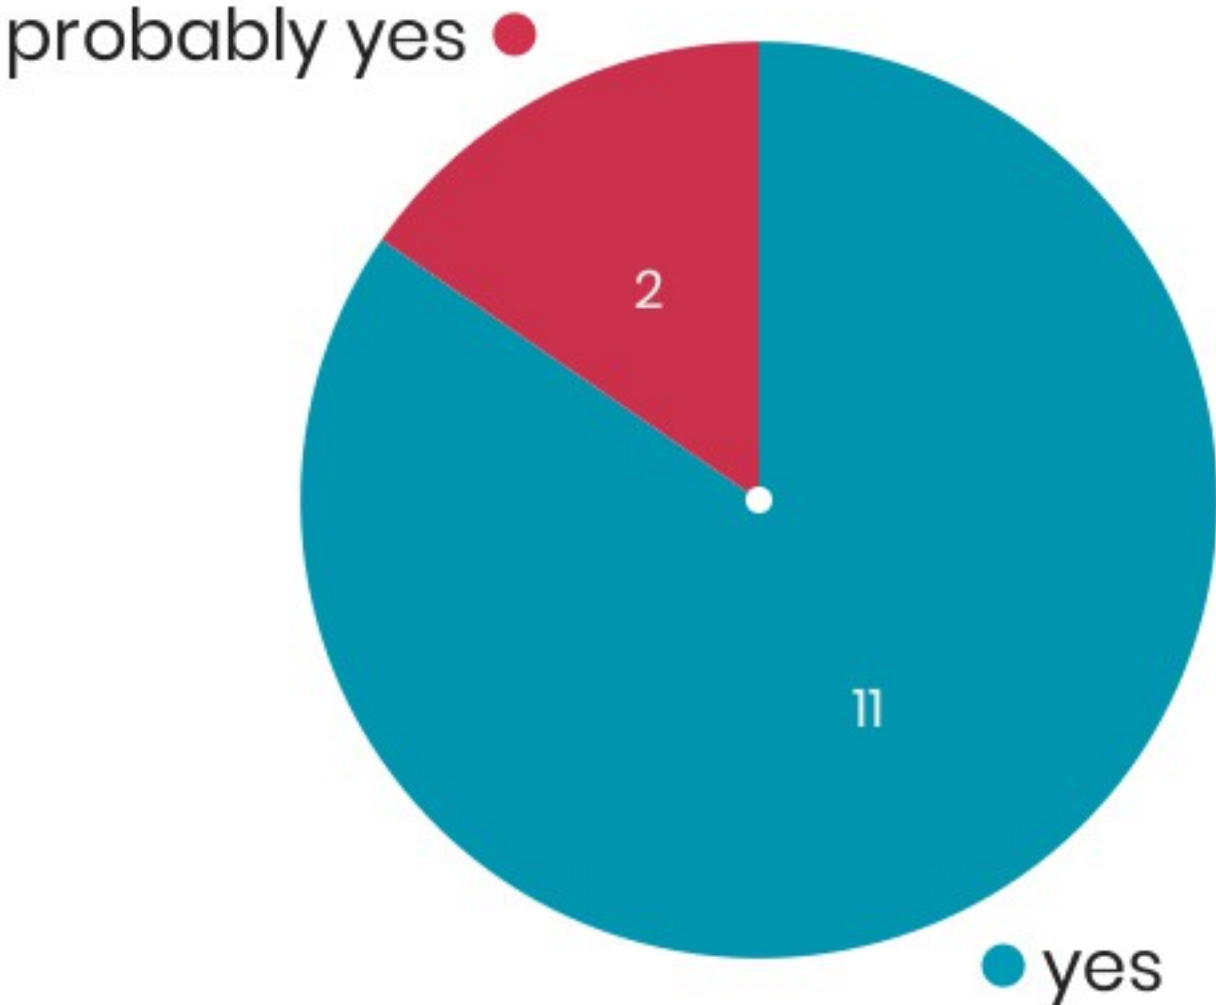

8. Which is your station?

9. What is your occupation?

10-1. Would you like to recommend any of your friends to this community to join Telemedicine program ?

10-2 If yes, can you please provide details with email id
