5. How was the program?

6. Will you attend another teleconference session next time?

7. If you found any problems in teleconference, please write any comments you may have.

Movie from Malaya University was pixelated.

UM sound got background noise. video image is not sharp and sometimes with pixcellation

Video quality is not good from one or two centres

video quality is too bad

Very good meeting. Should have more presentations in future. Also it would be great if the host can brief the presenters on what to do.

cisco codec have problem, engineer dont try to solve.

Nothing.

Not at all

8. Which is your station?
