

APAN45 - The 18th Endoscopy Club E- conference

March 28, 2018

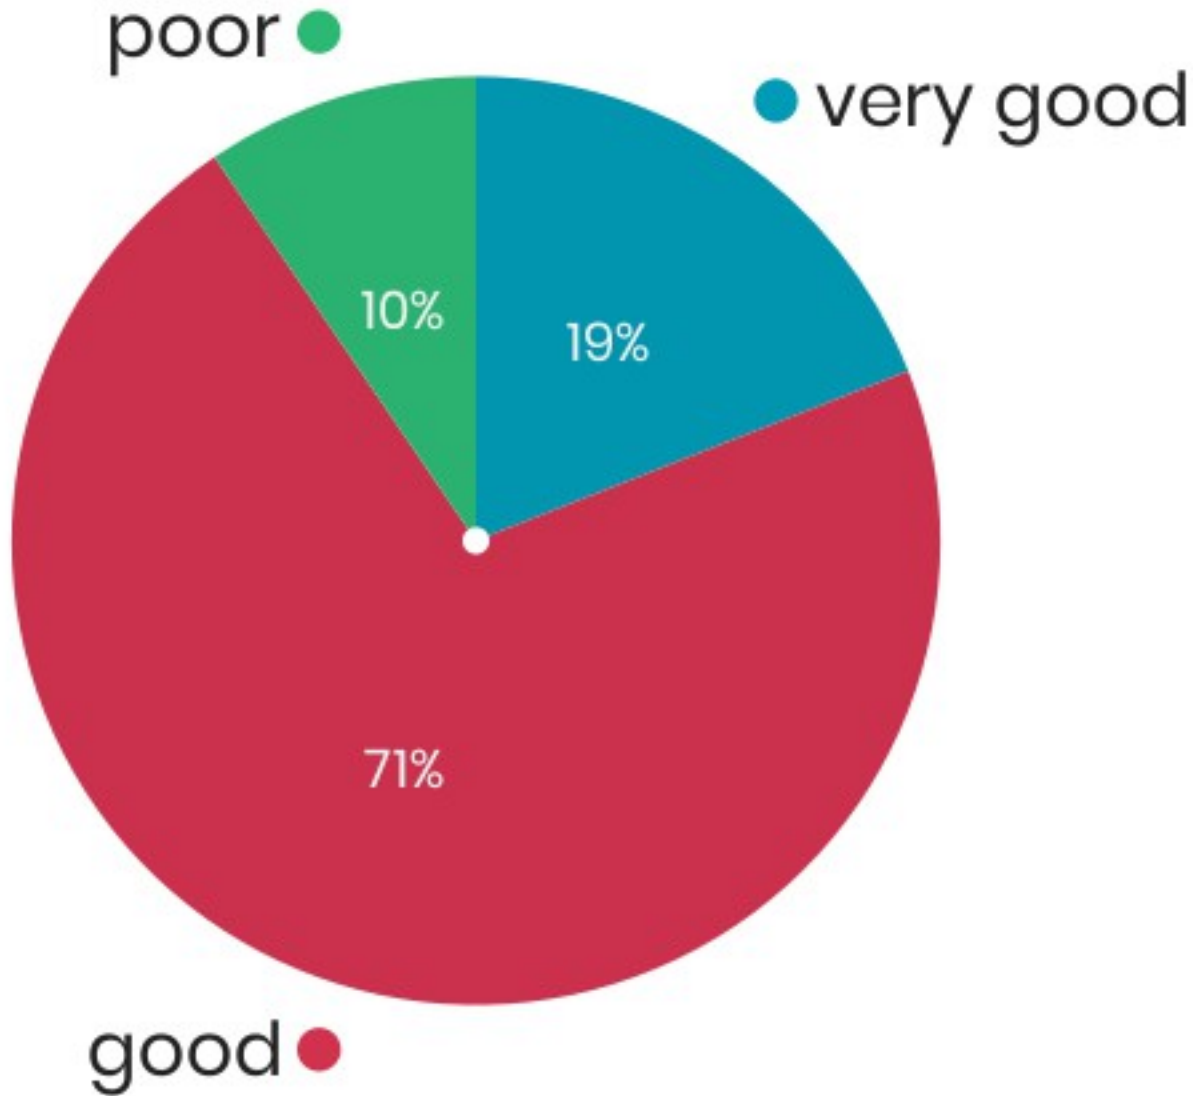

1. How was the image sharpness?

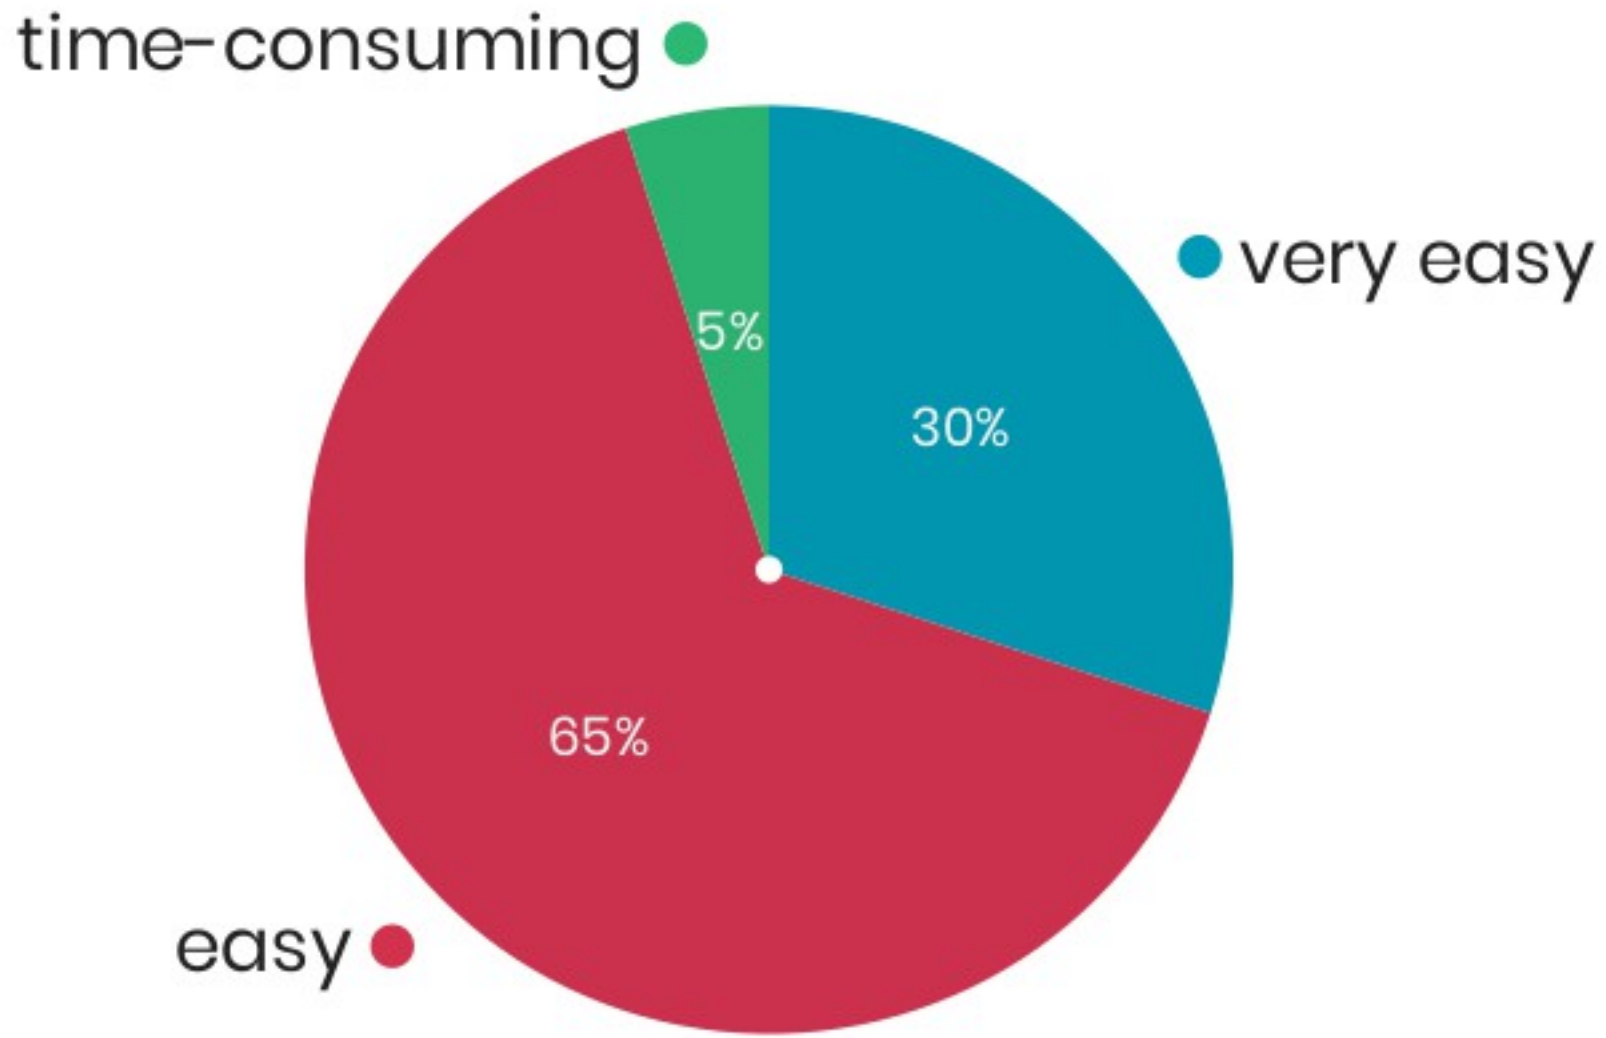

2. How was the image movement?

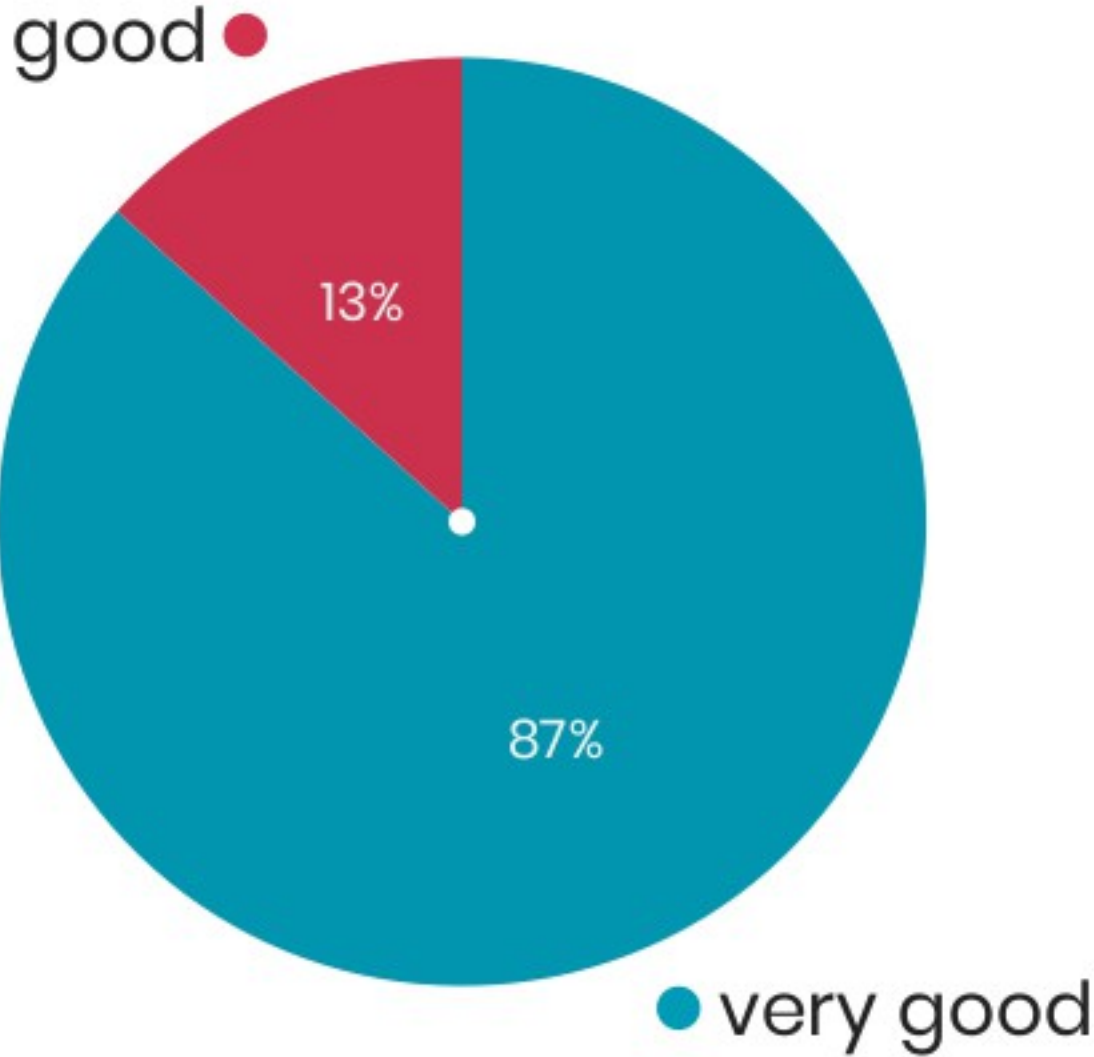

3. How was the quality of sound?

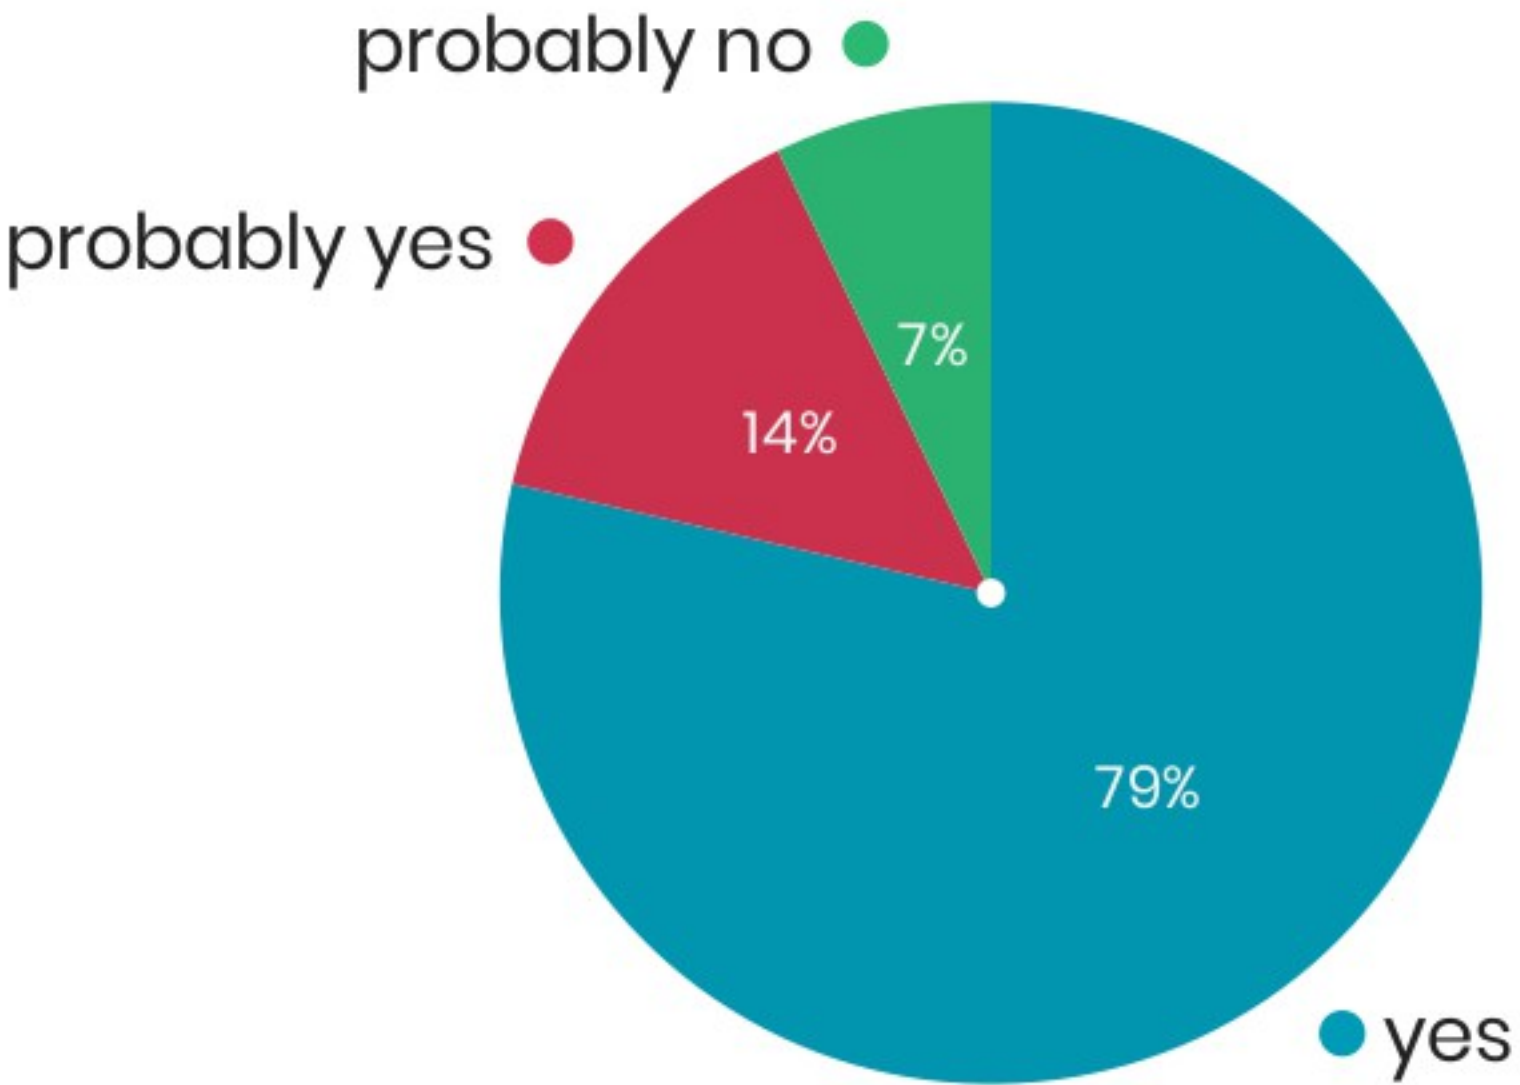

4. How was the preparations?

5. How was the program?

6. Will you attend another teleconference session next time?

7. If you found any problems in teleconference, please write any comments you may have.

The sound from Deenanath Mangeshkar Hospital some time not here some time not clear and from Cho Ray Hospital have noise.

Sound quality of India and movie quality of NCC was not good.

no

low audio level from some remote sites

The video embedded in my PPT slides was not playable in the event venue but can be played smoothly in my PC. How do we rectify this issue?

the session went smoothly

Connection was poor

Sound was very muffled
