

# APAN46 - Engineering Training Workshop

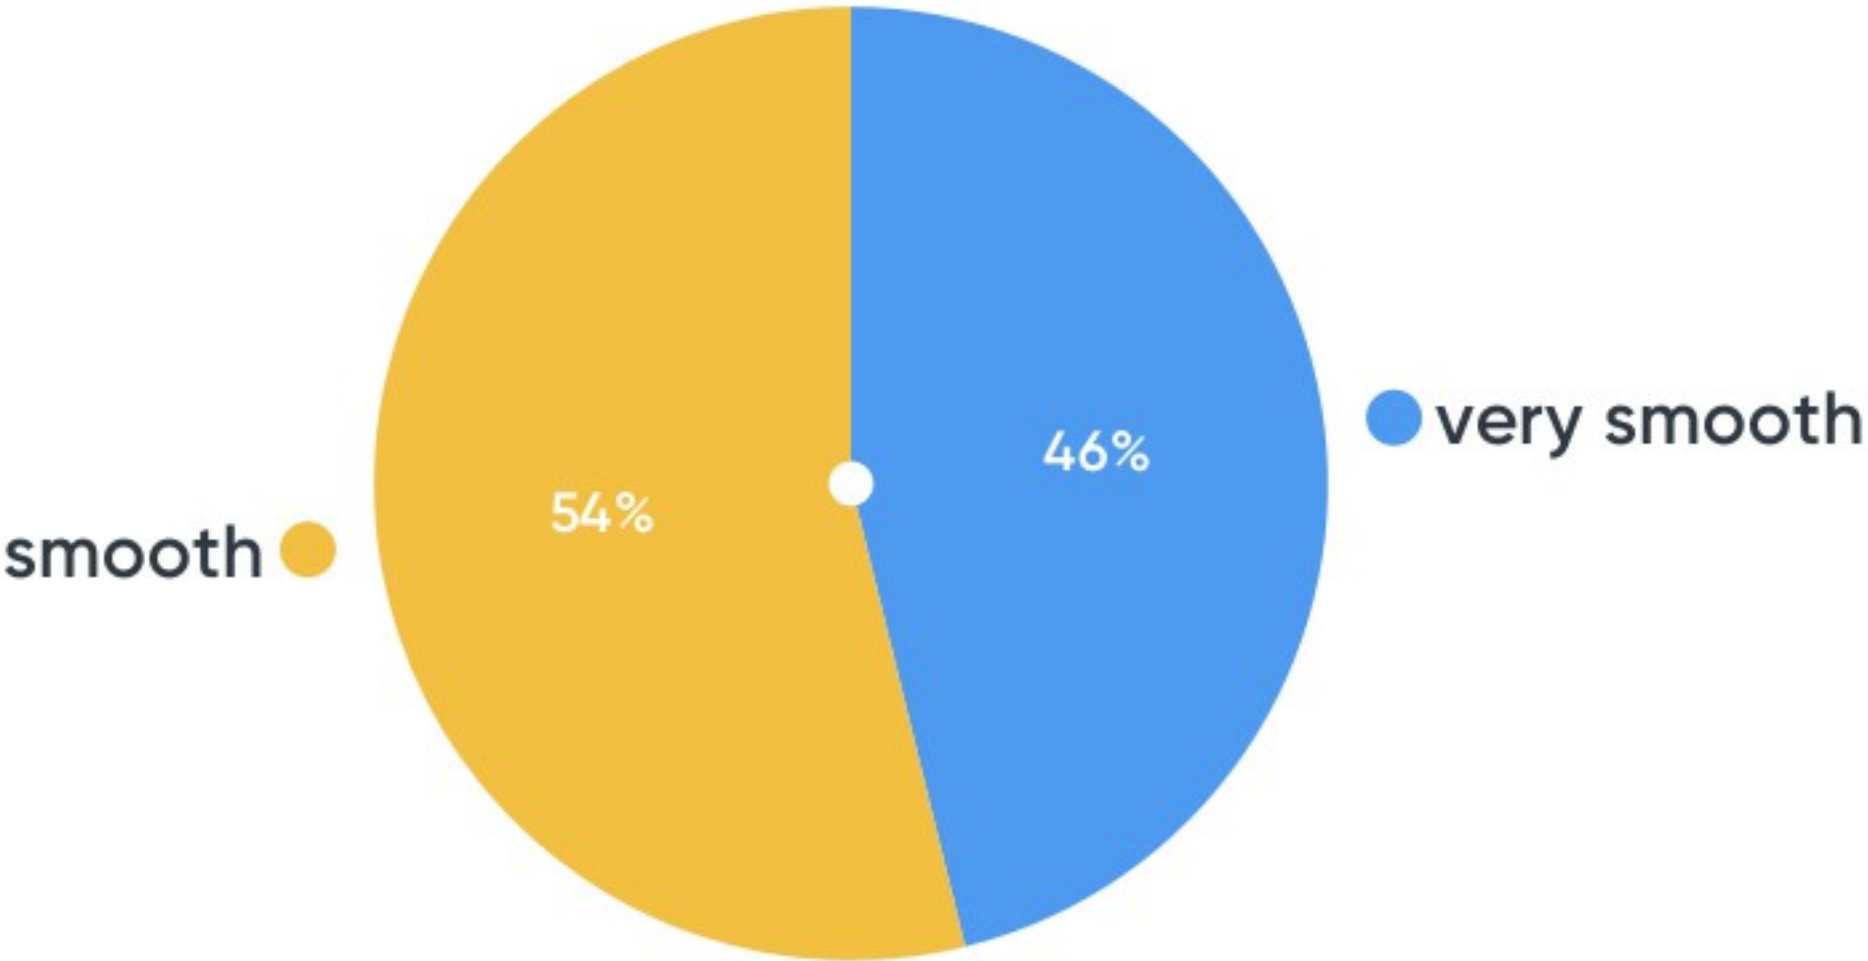

August 6, 2018

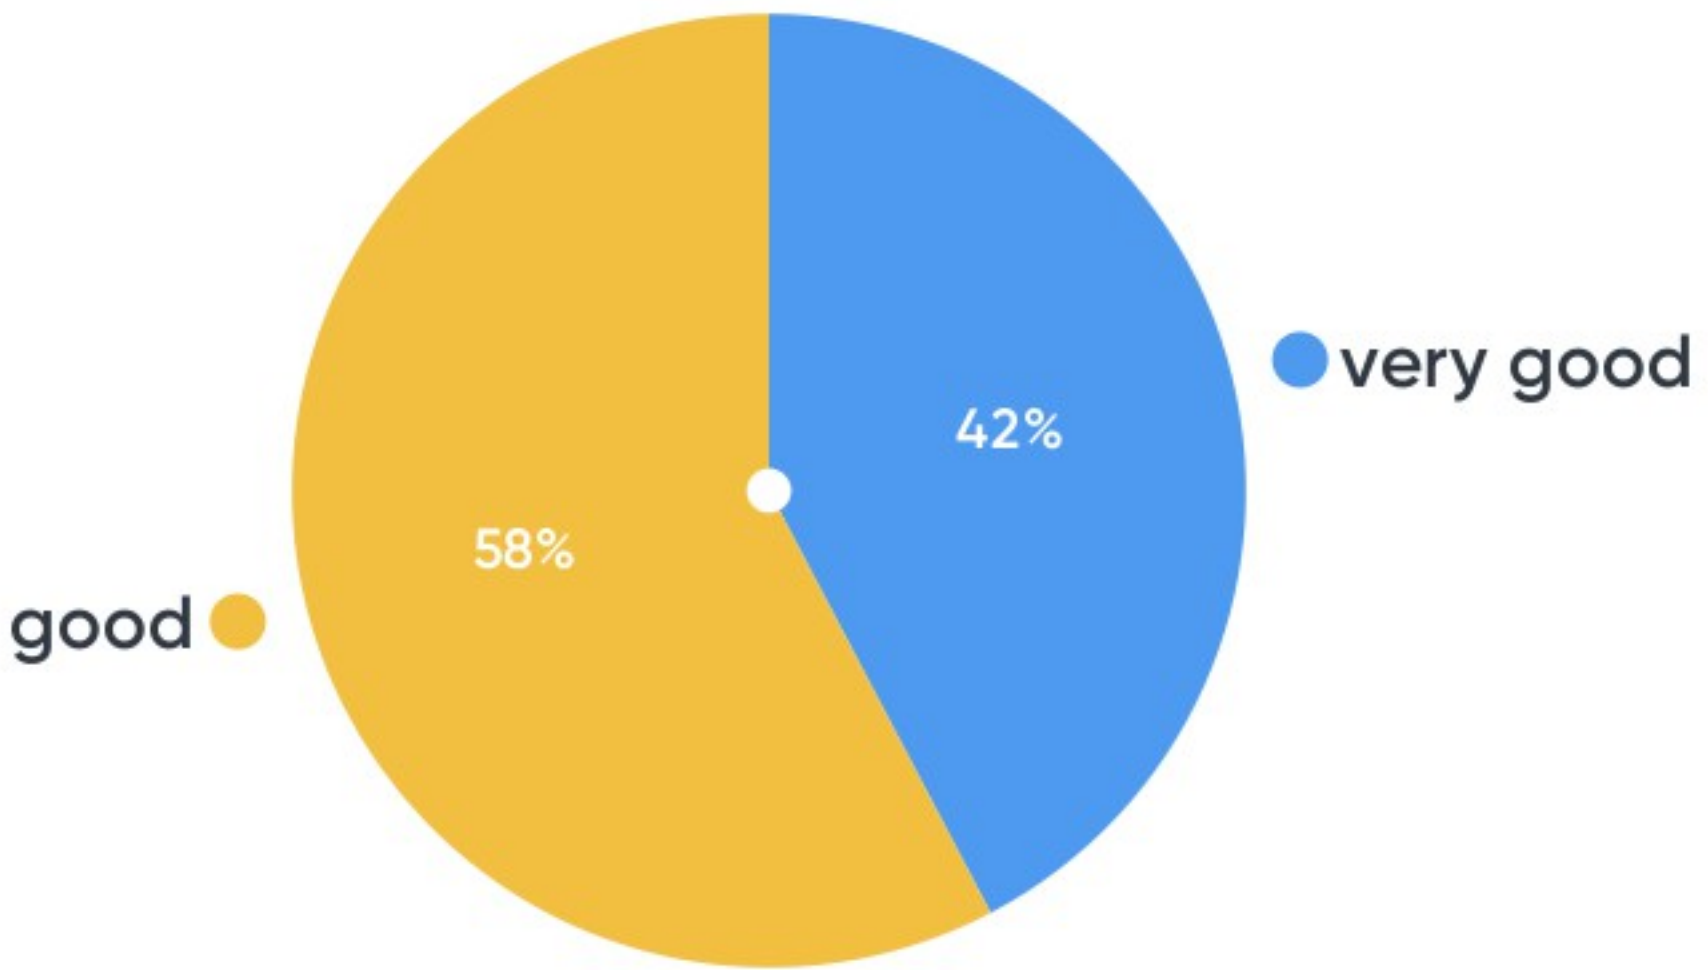

# 1. How was the image sharpness?

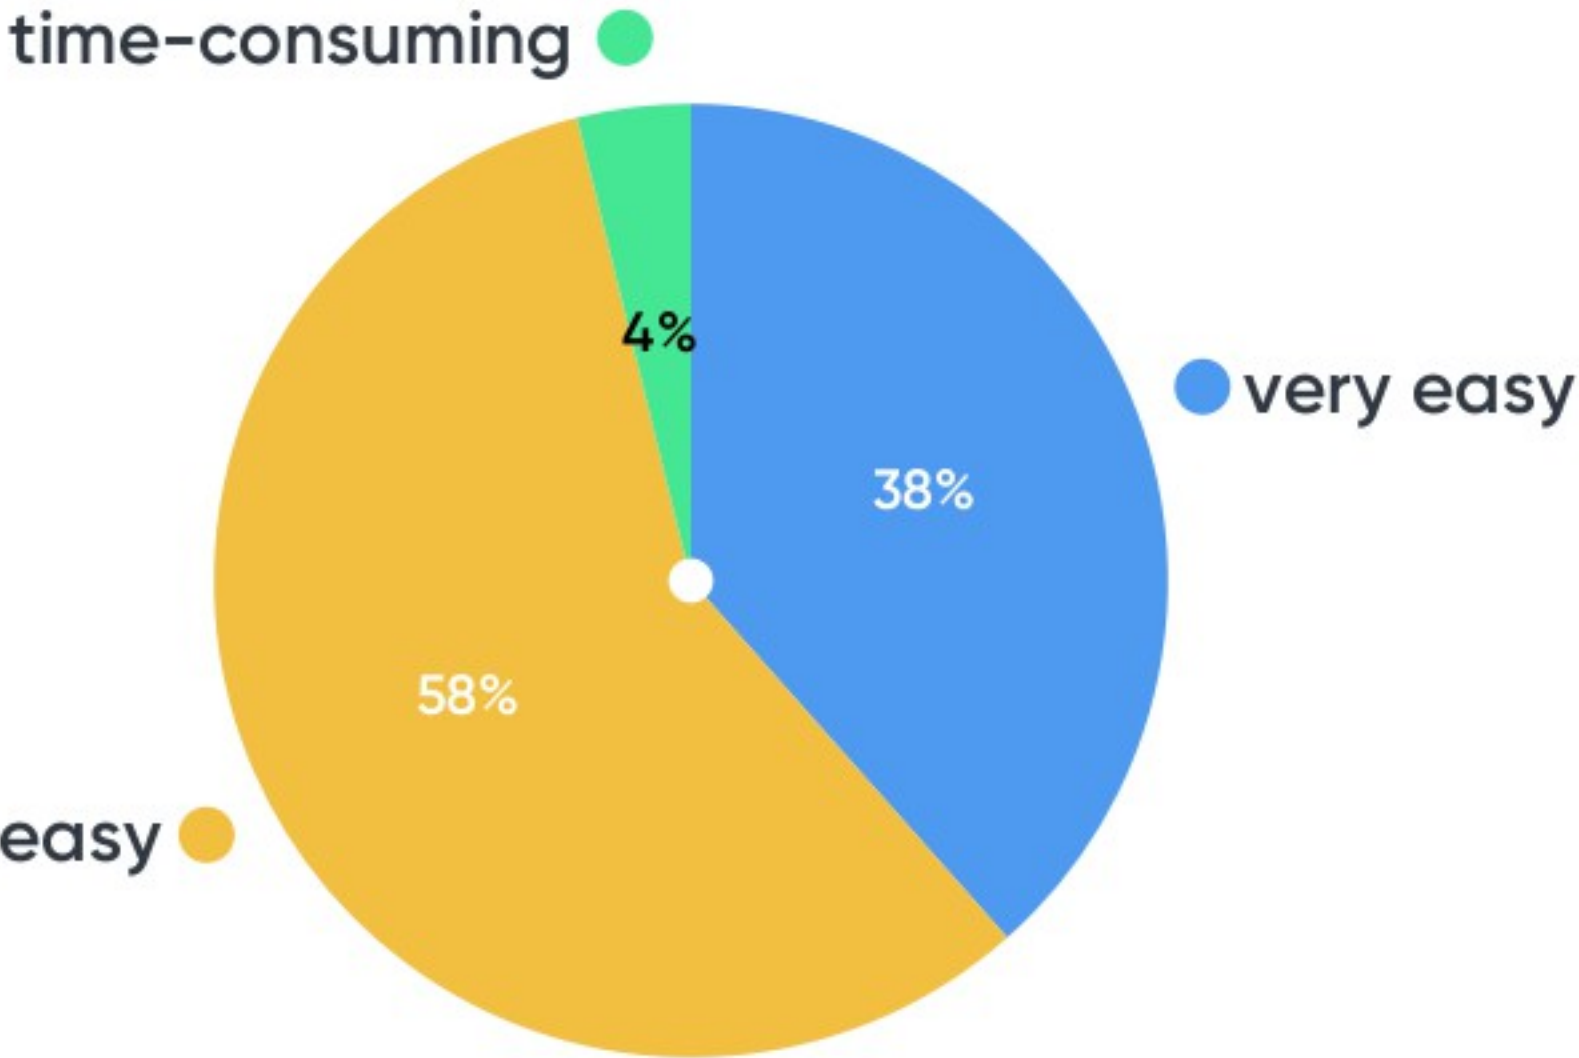

# 2. How was the image movement?

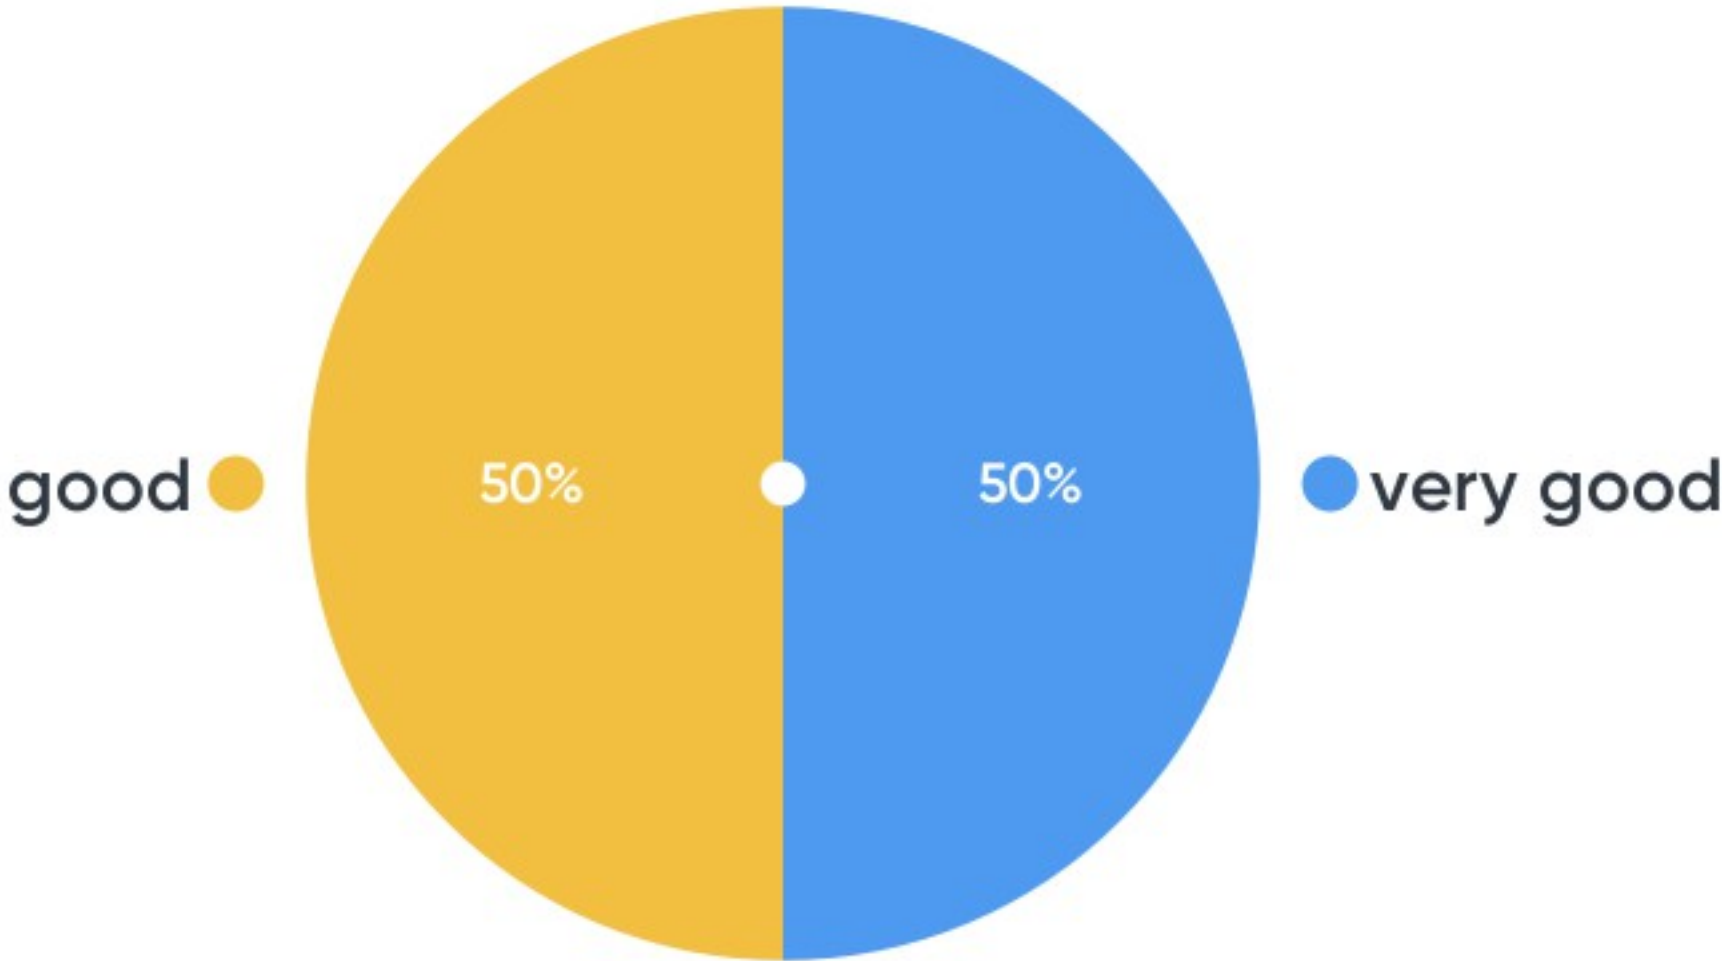

# 3. How was the quality of sound?

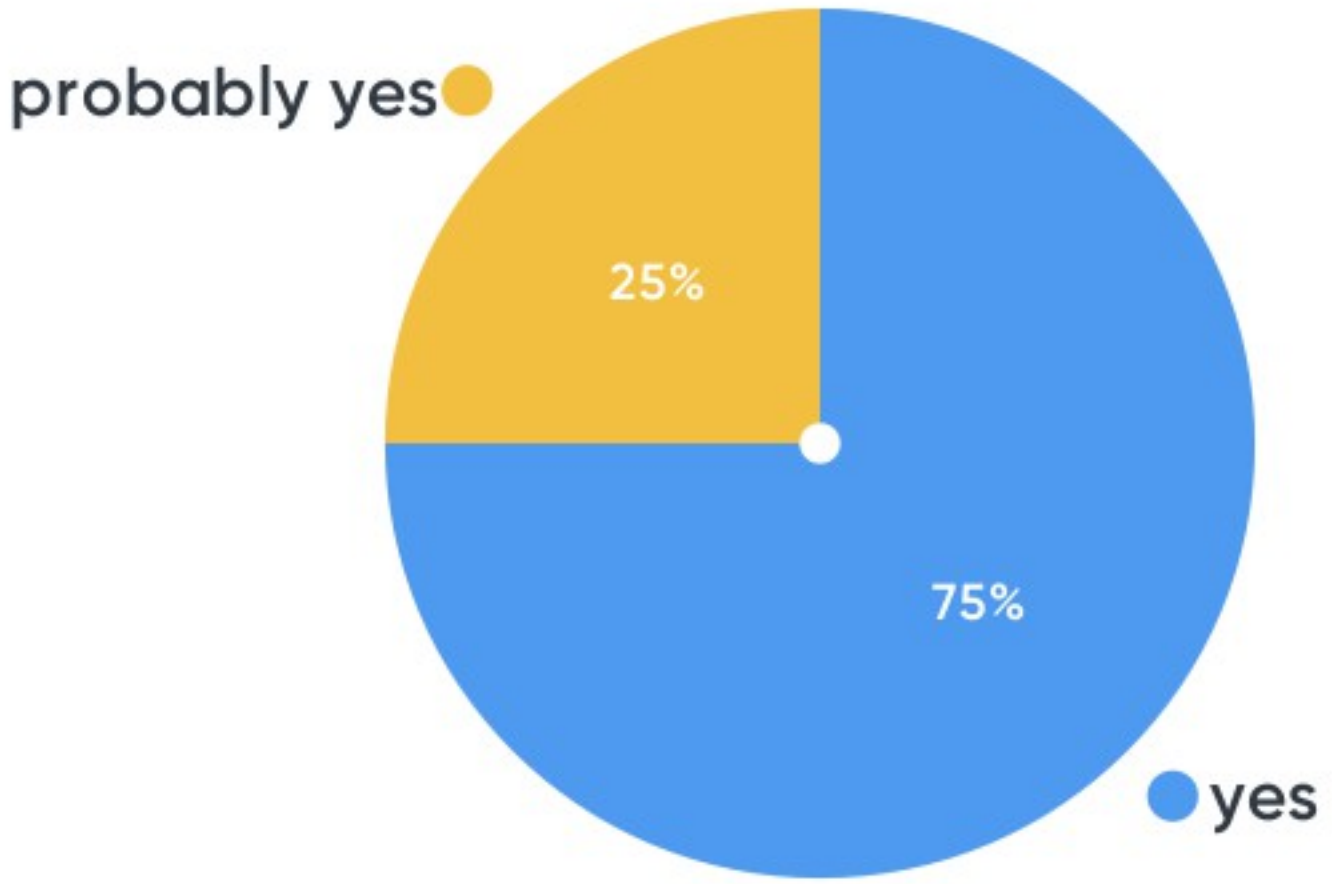

# 4. How was the preparations?

# 5. How was the program?

# 6. Will you attend another teleconference session next time?

# 7. If you found any problems in teleconference, please write any comments you may have.

Not at all

Not yet

Nothing specific

Fine in this session

The sound from UM was quite low. We controlled the sound level locally at the venue.

Time management was a problem. Each presenter needed to be prepared to finish presenting on time.

i didn't found any problems

Good introduction from all members

This workshop helps to find out the positive and negative aspect of the training sessions which helps to extract the solution from depth of our knowledge.

# 7. If you found any problems in teleconference, please write any comments you may have.

Overall the sessions were good

I need more practice on telemedicine from basic to professional

no problem

# 8. Which is your station?
