

APAN46 - Ophthalmology 2 session

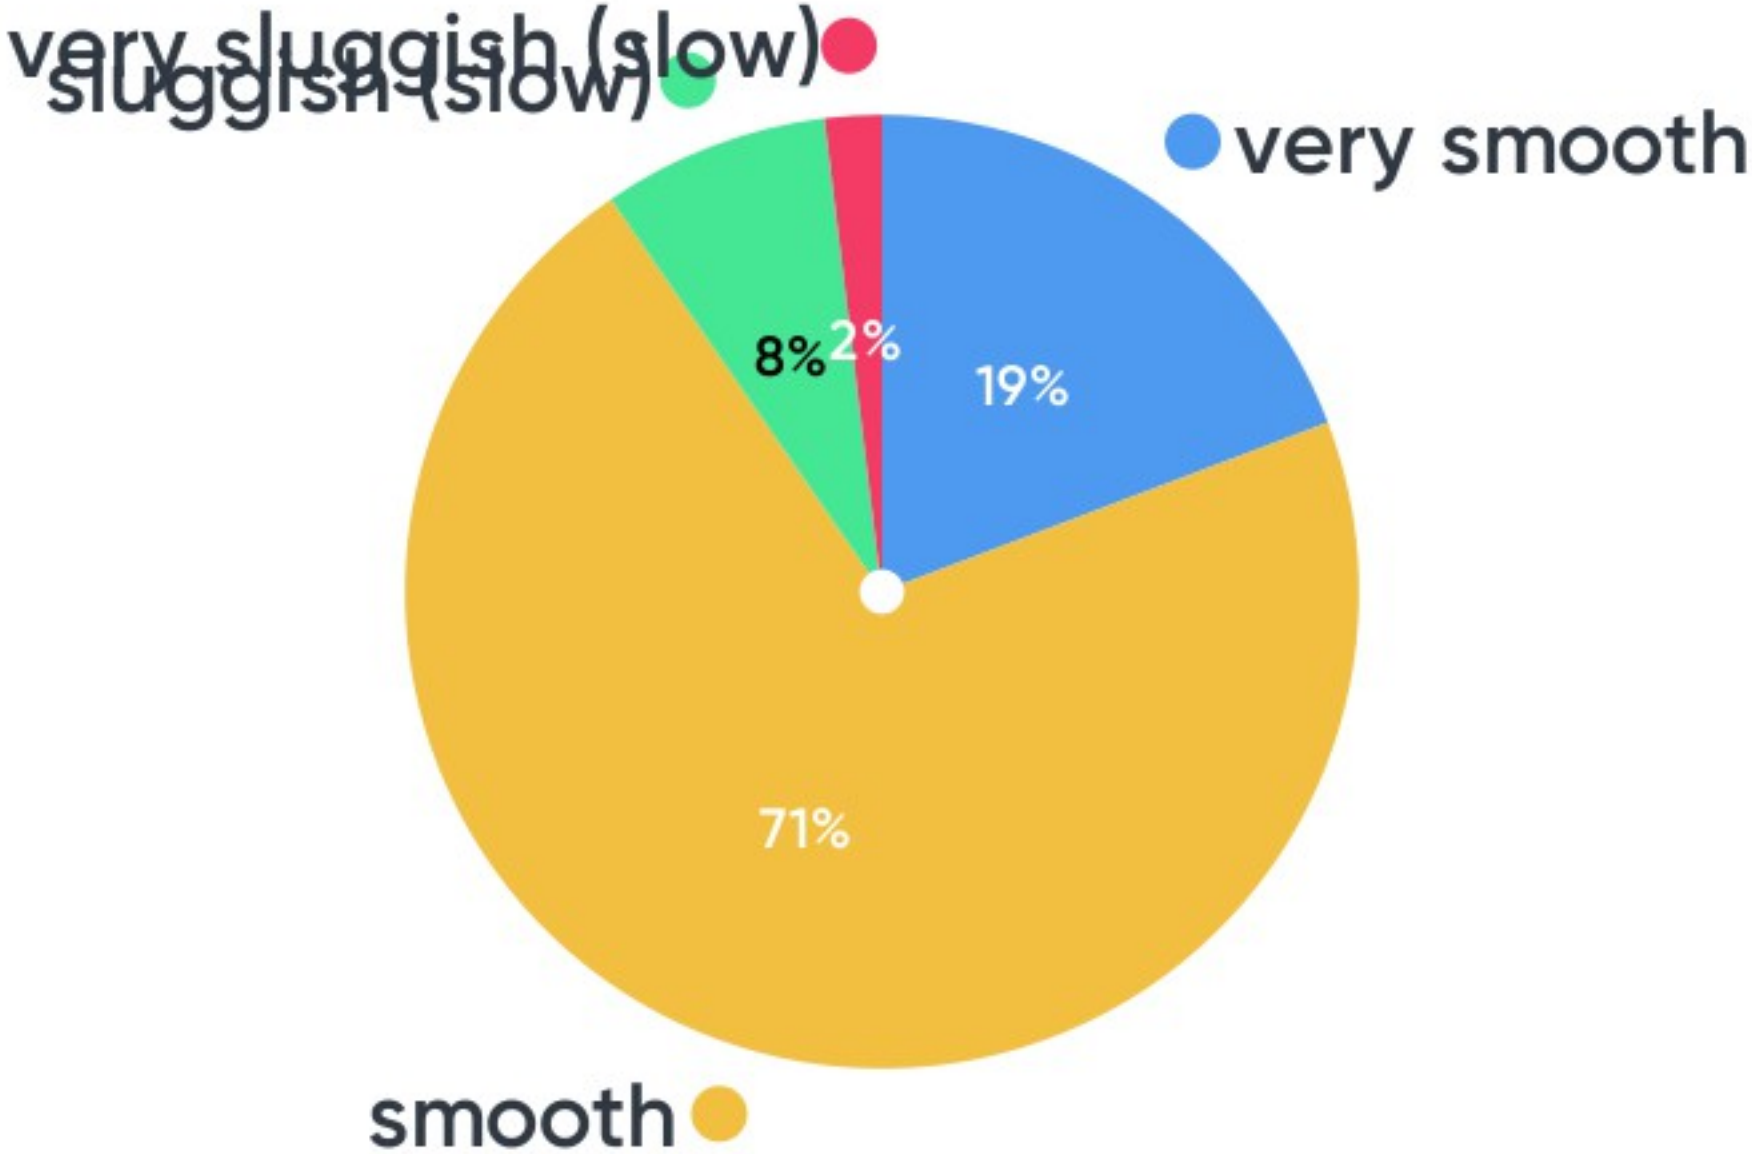

August 7, 2018

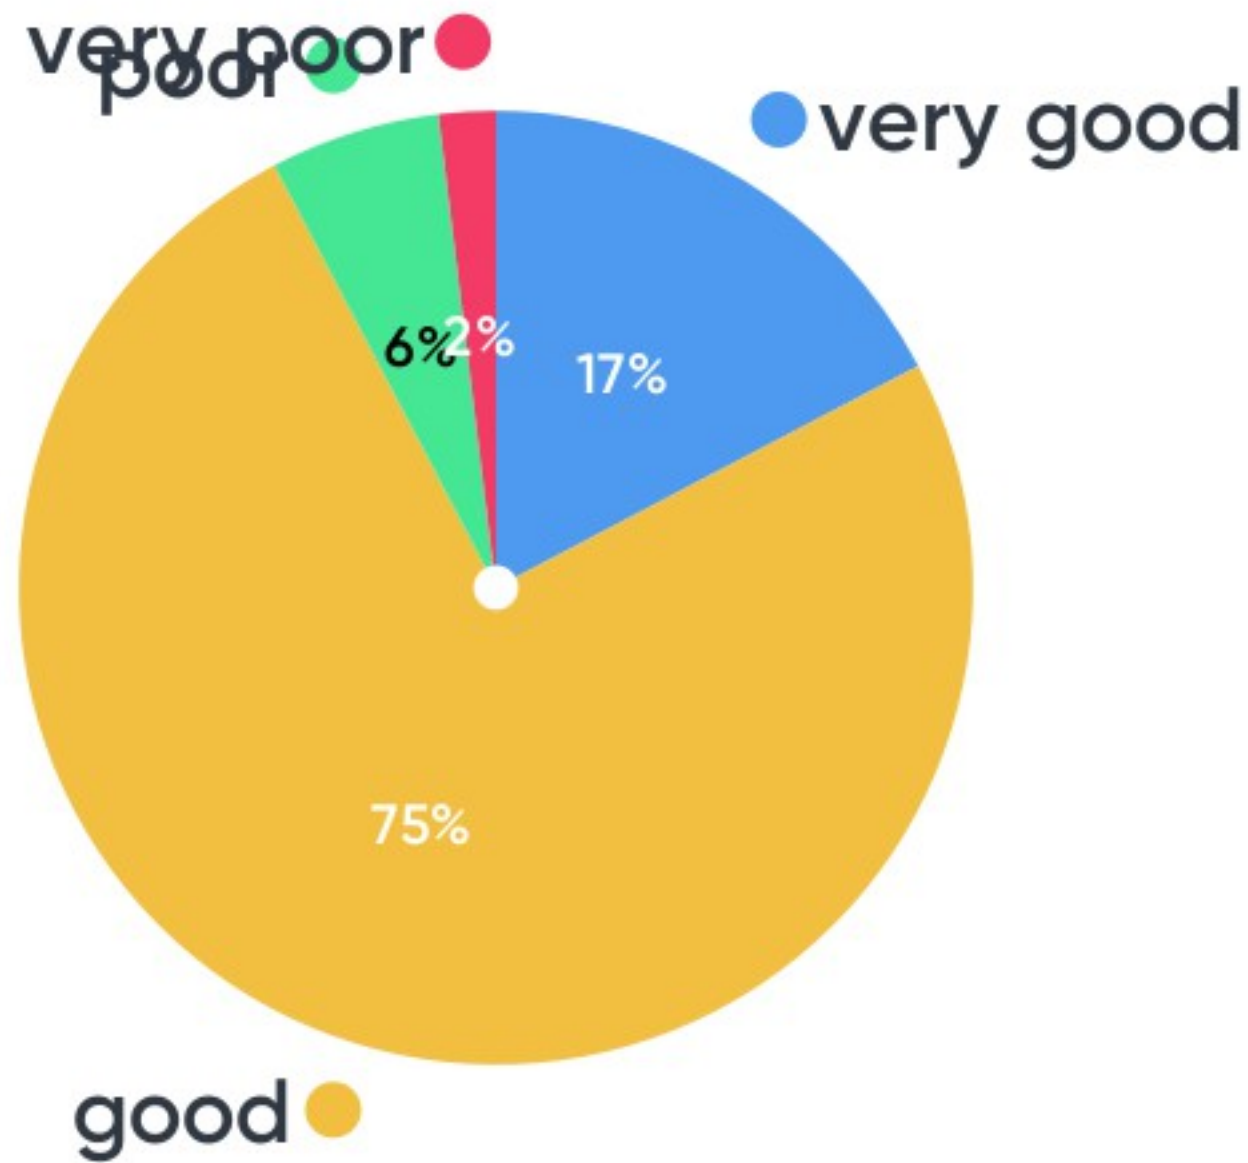

1. How was the image sharpness?

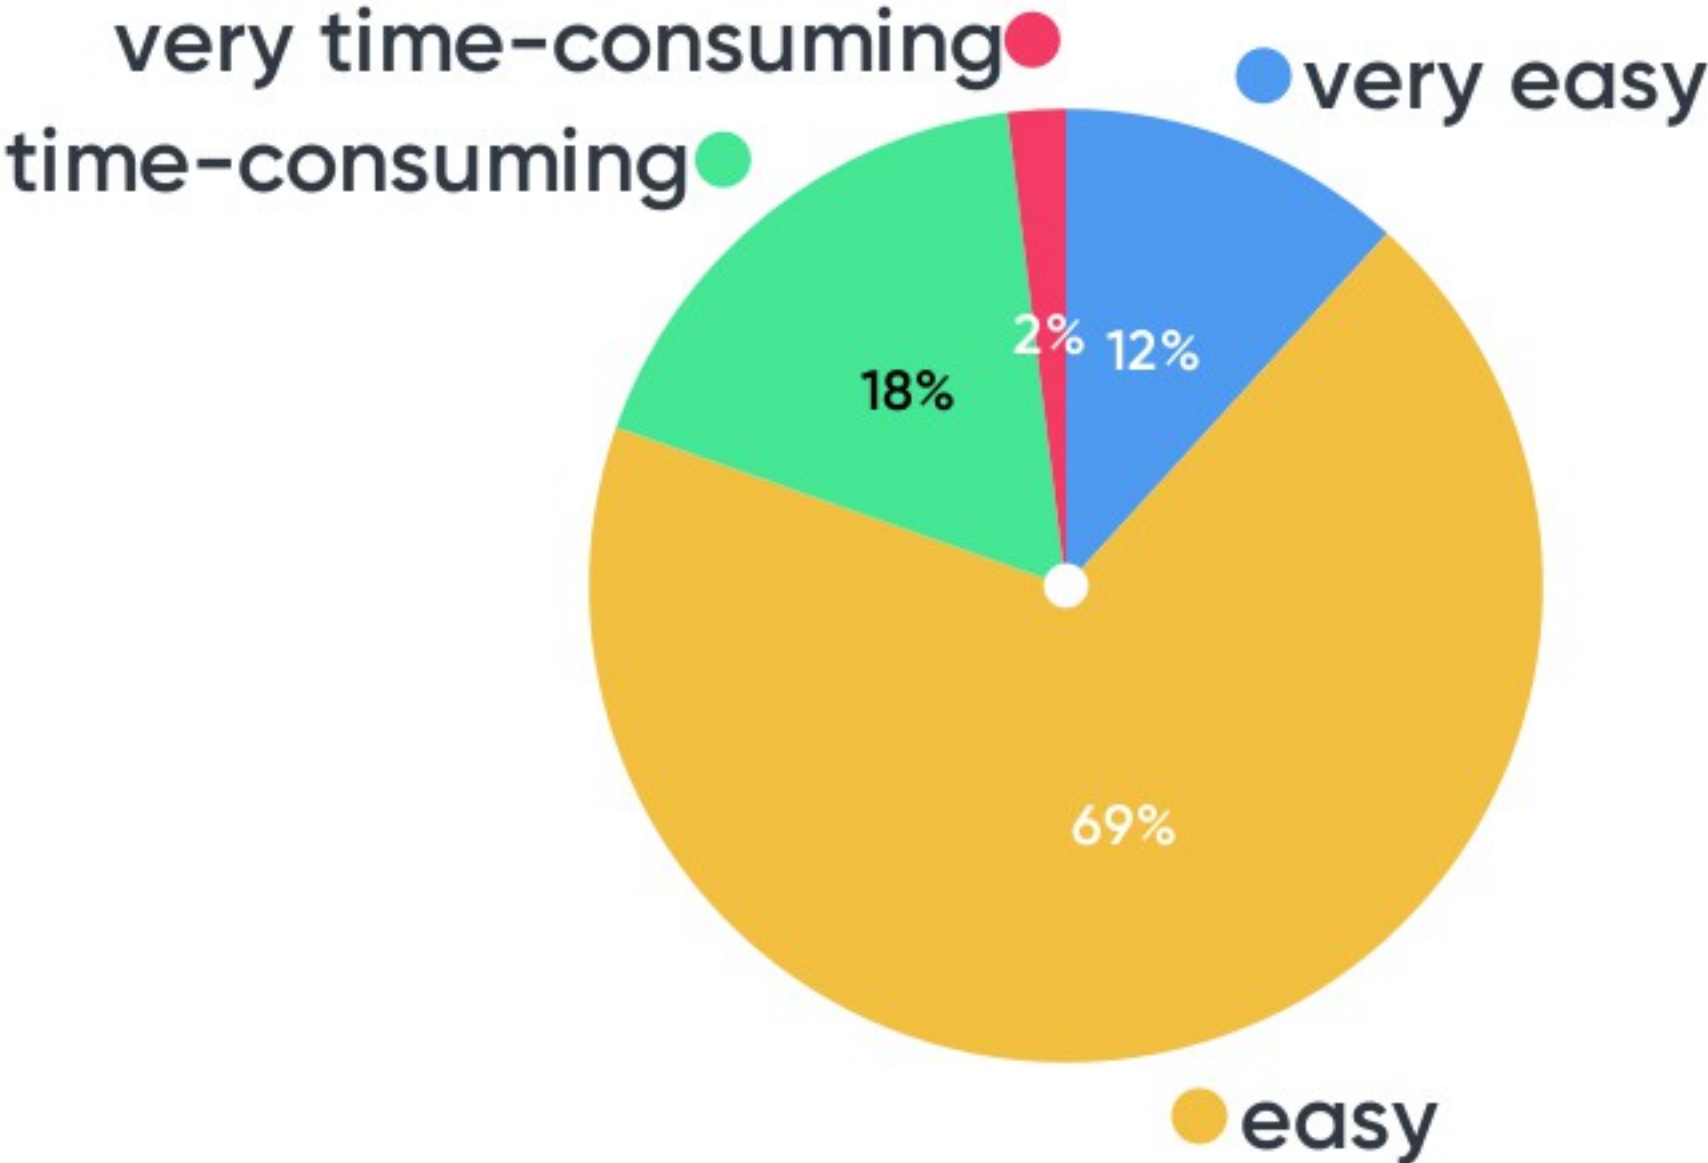

2. How was the image movement?

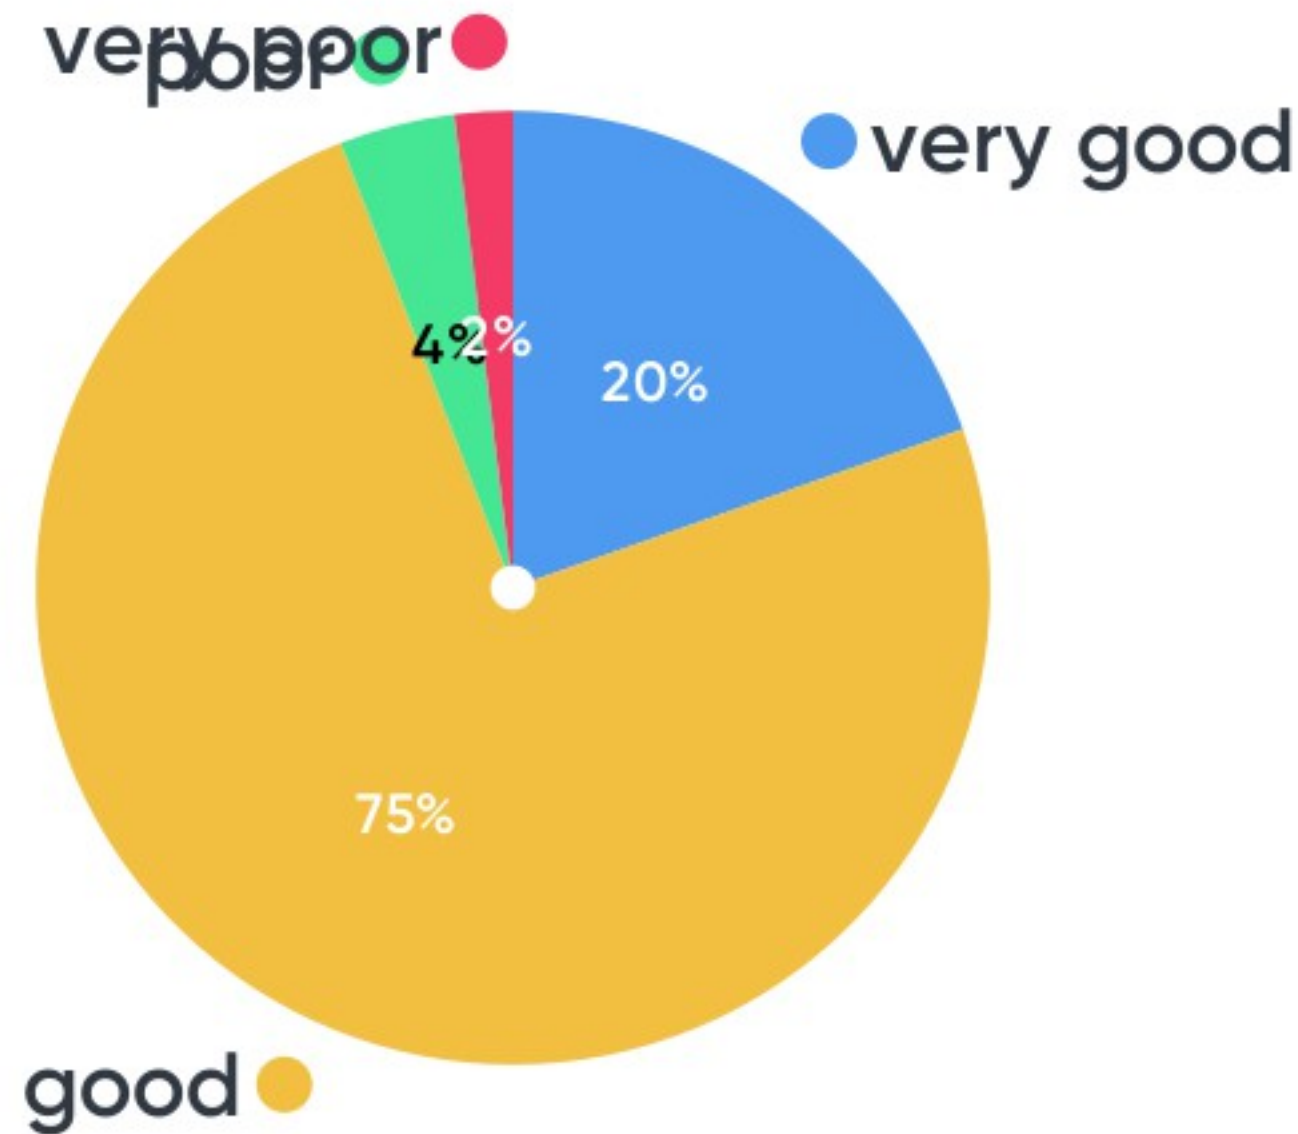

3. How was the quality of sound?

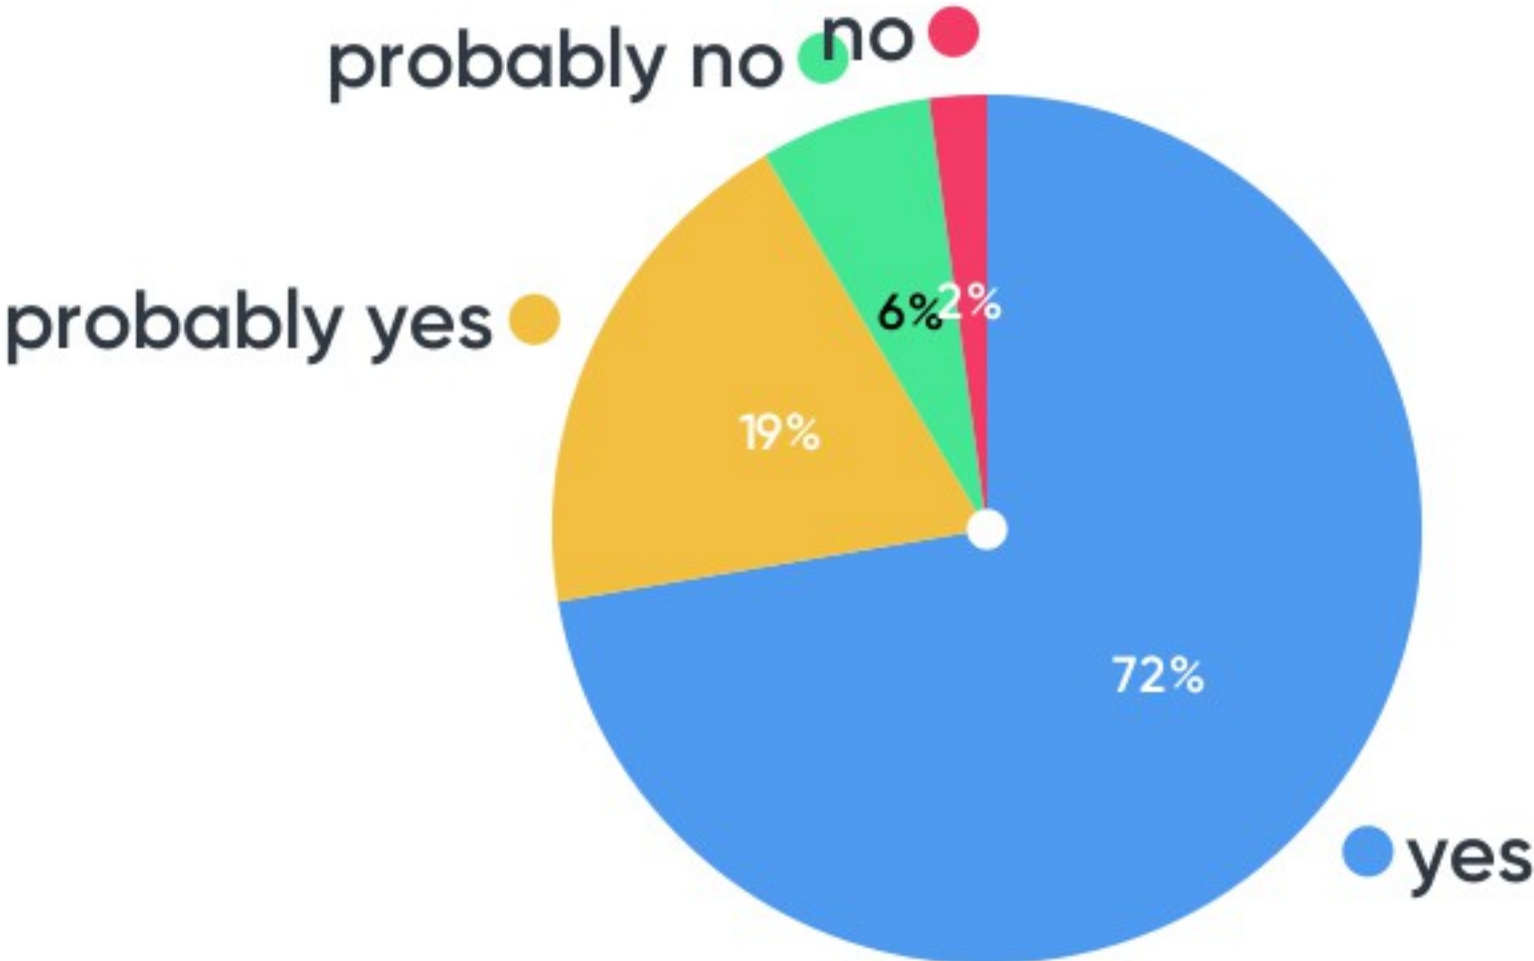

4. How was the preparations?

5. How was the program?

6. Will you attend another teleconference session next time?

7. If you found any problems in teleconference, please write any comments you may have.

Some audio issue as some centres not keeping their mic on mute when not in use

No.

Some speaker talk so fast and it's difficult to follow

i did not found any problems

Nil

good session

Audio from some remote sites was not setup properly.

It was indeed a great experience! With the use of State of the art technology !

no

7. If you found any problems in teleconference, please write any comments you may have.

No problems

Sessions were good

Not yet

-

Maybe we should get a better internet connection

No problems

The preparation is quiet time-consuming but over all (sound and image) is good enough.

Quite good

excellent program

7. If you found any problems in teleconference, please write any comments you may have.

sup

8. Which is your station?
