How was the image sharpness?

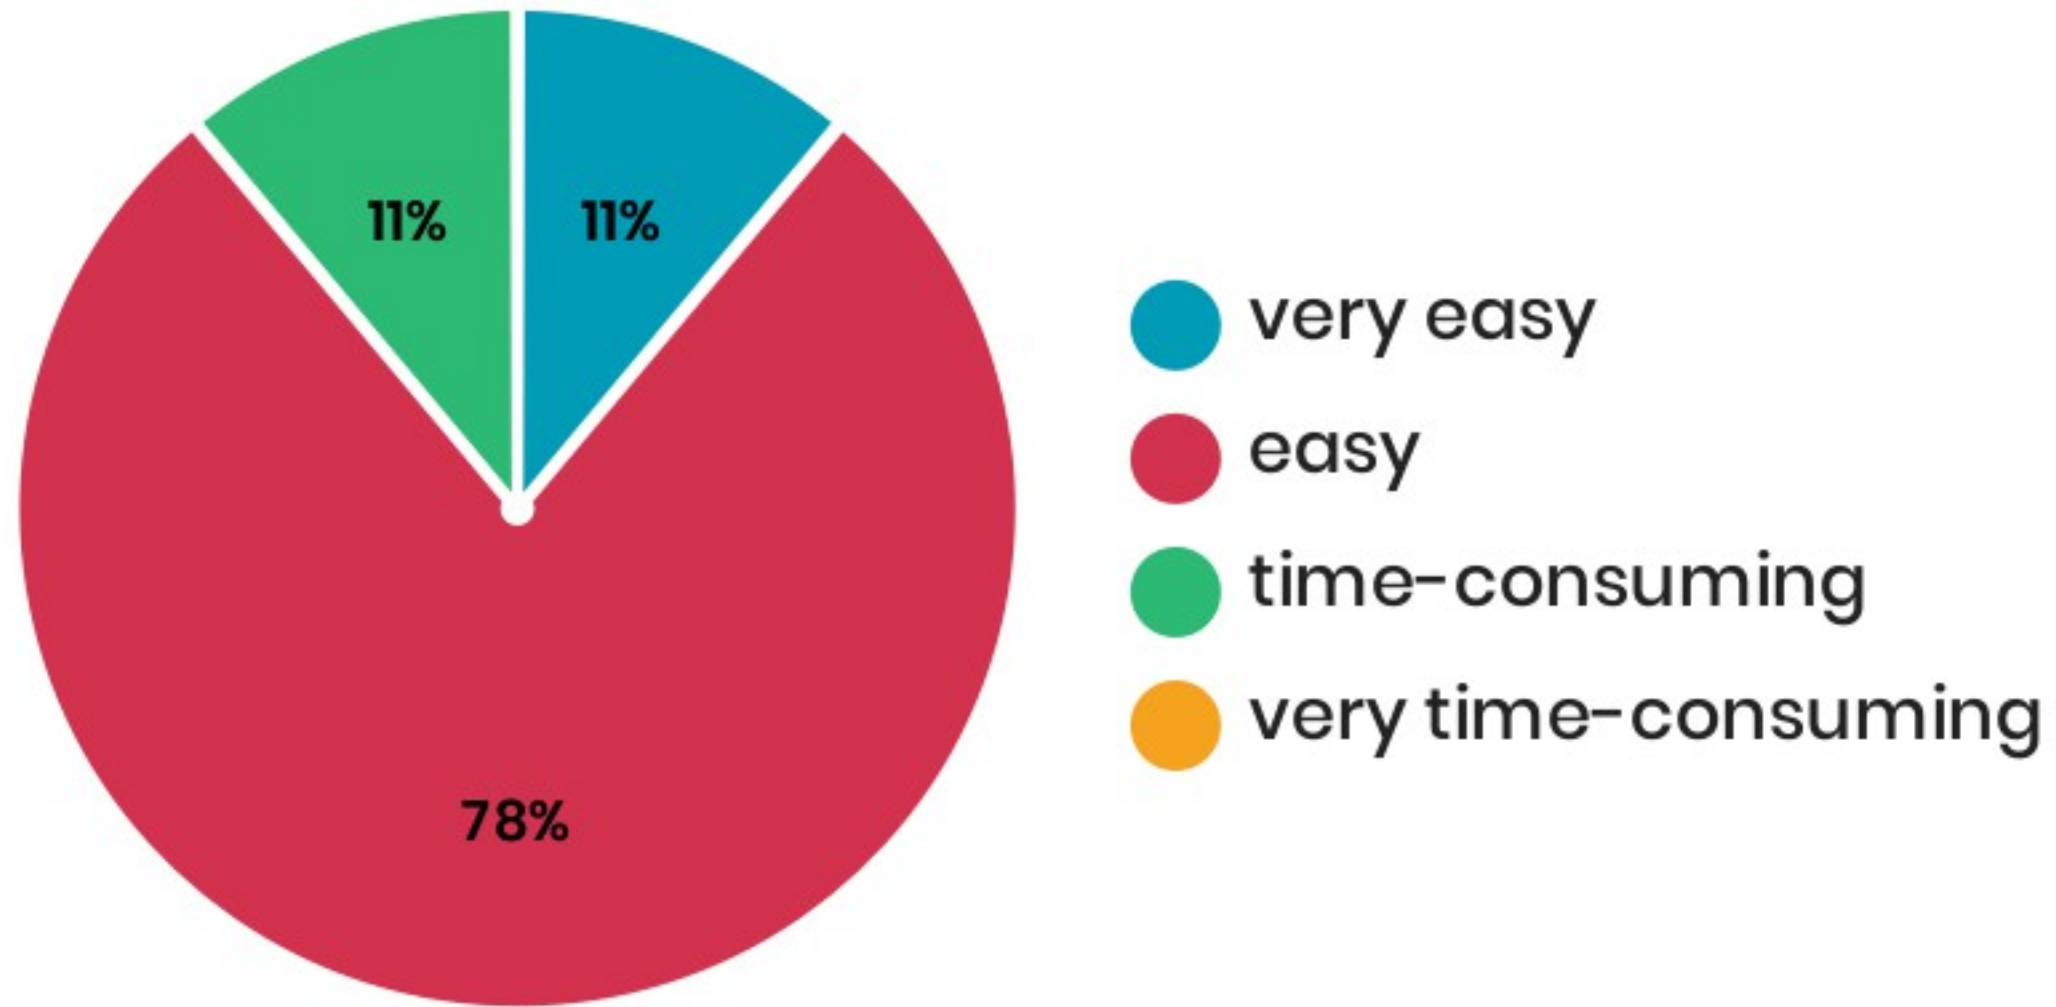

How was the image movement?

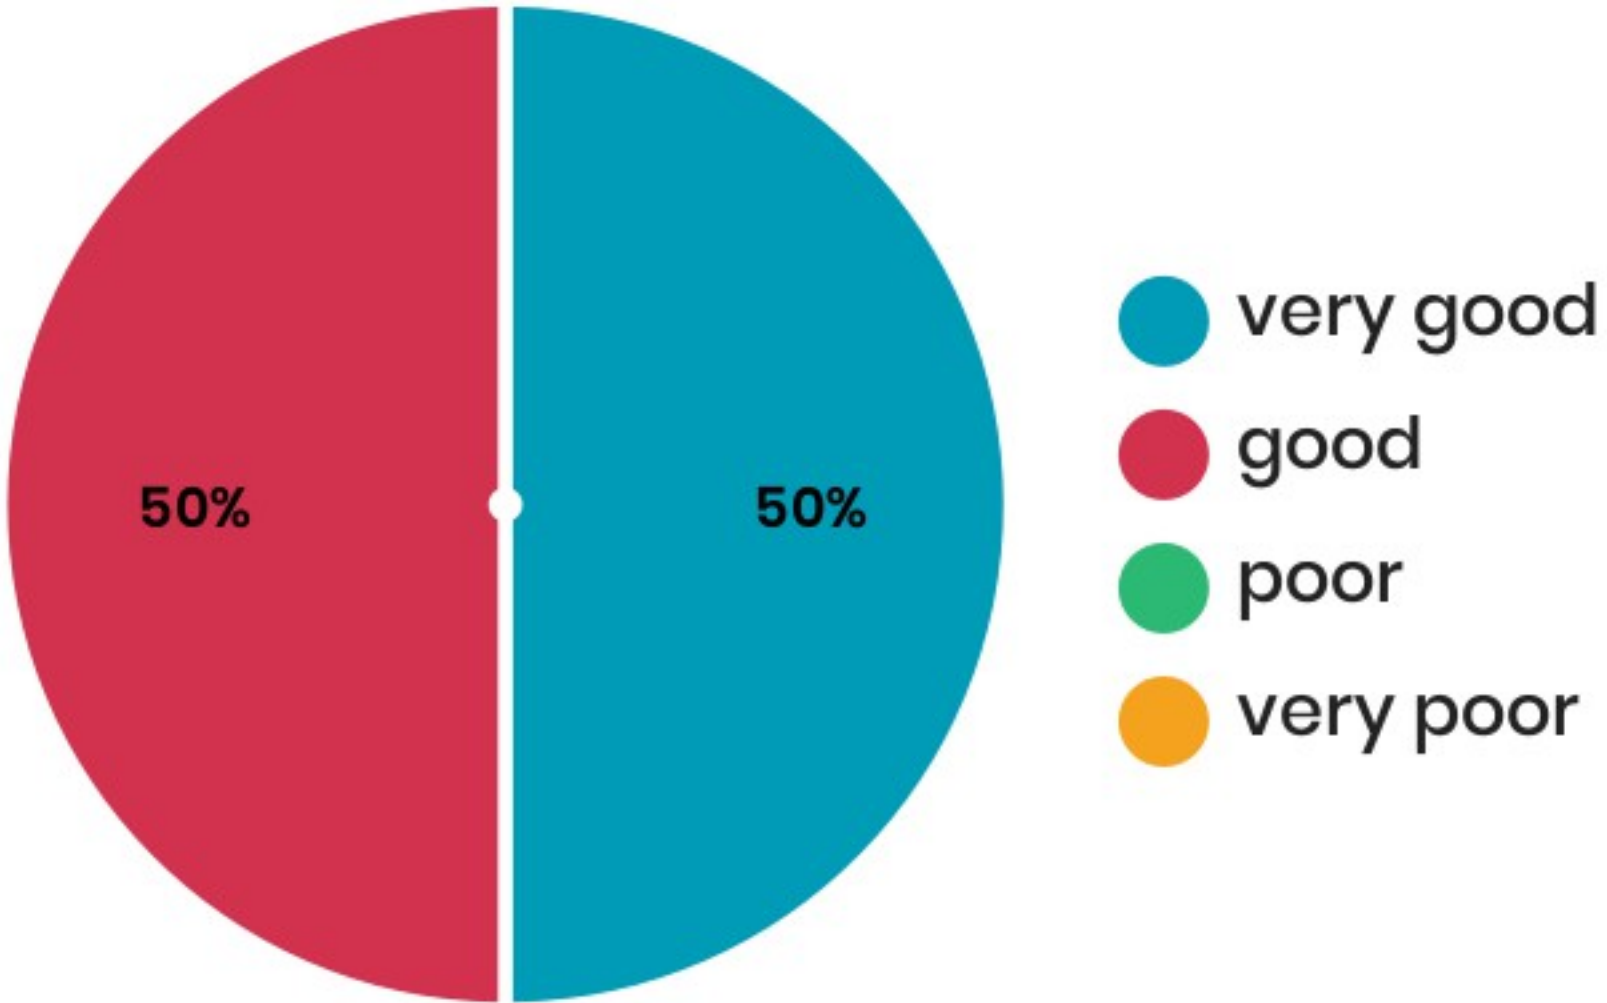

How was the quality of sound?

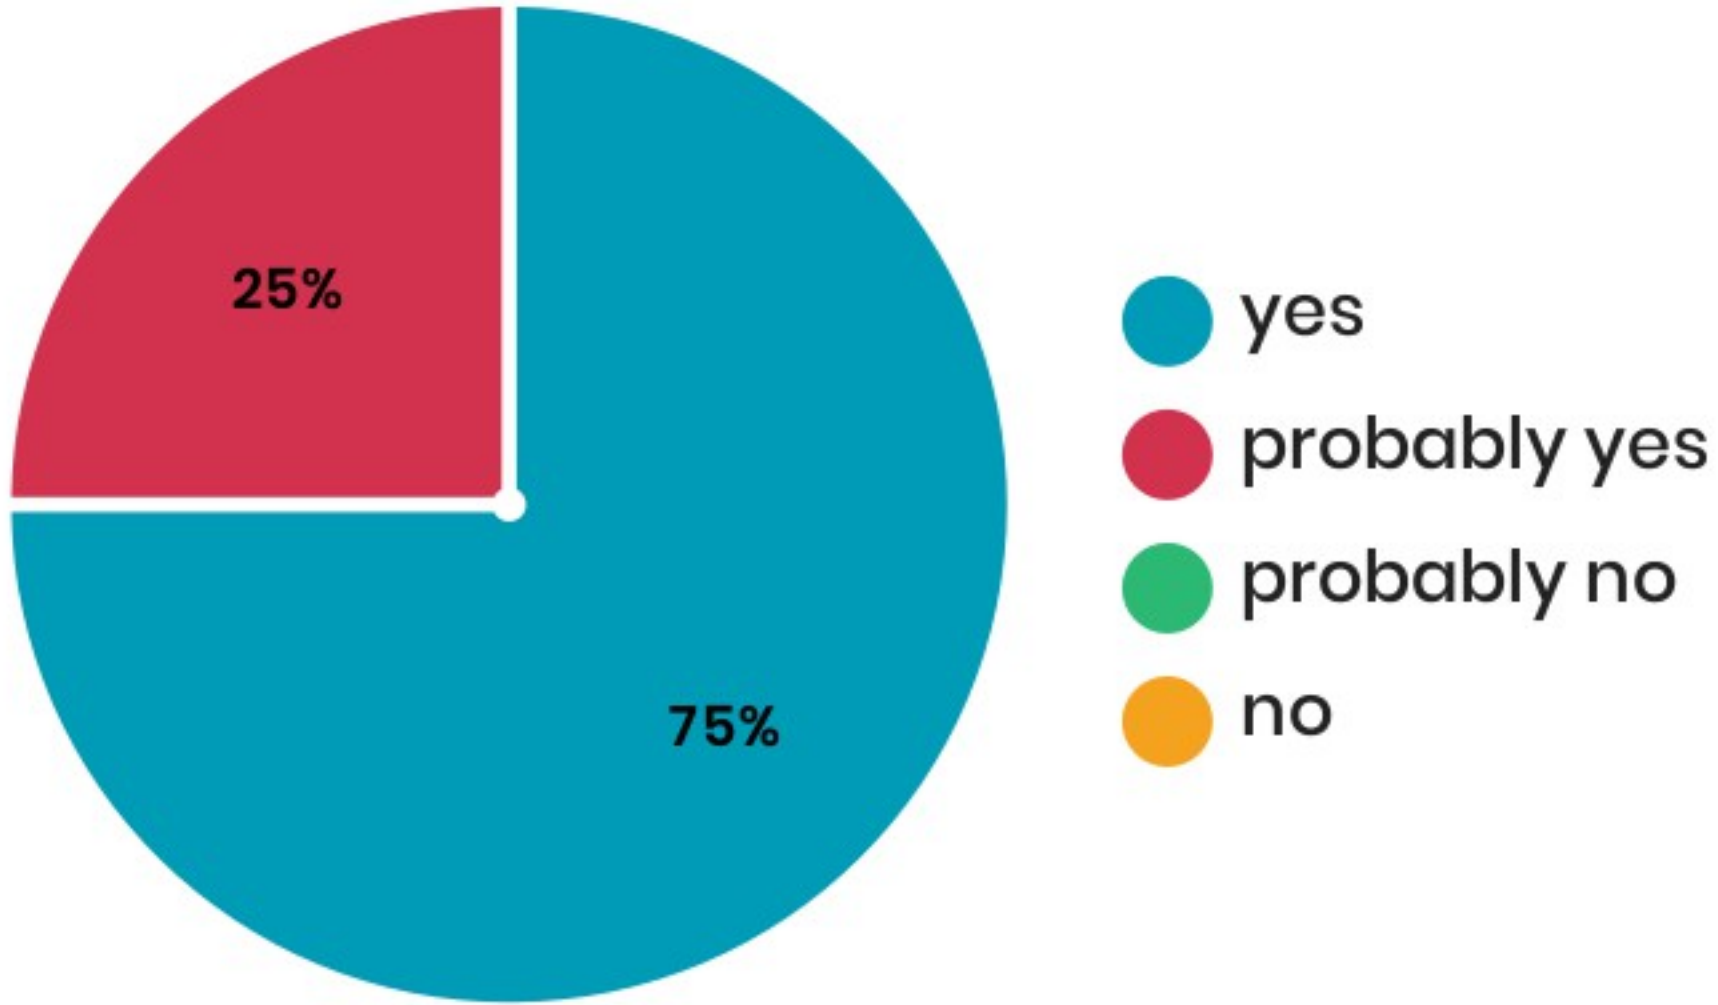

How was the preparations?

How was the program?

Will you attend another teleconference session next time?

If you found any problems in teleconference, please write any comments you may have.

1 station is very sluggish due to low bandwidth. Except it, the quality is OK.

video was a little jerky at times.
overall good.

Which is your station?
