

Questionnaires about APAN44 - Dental session 1

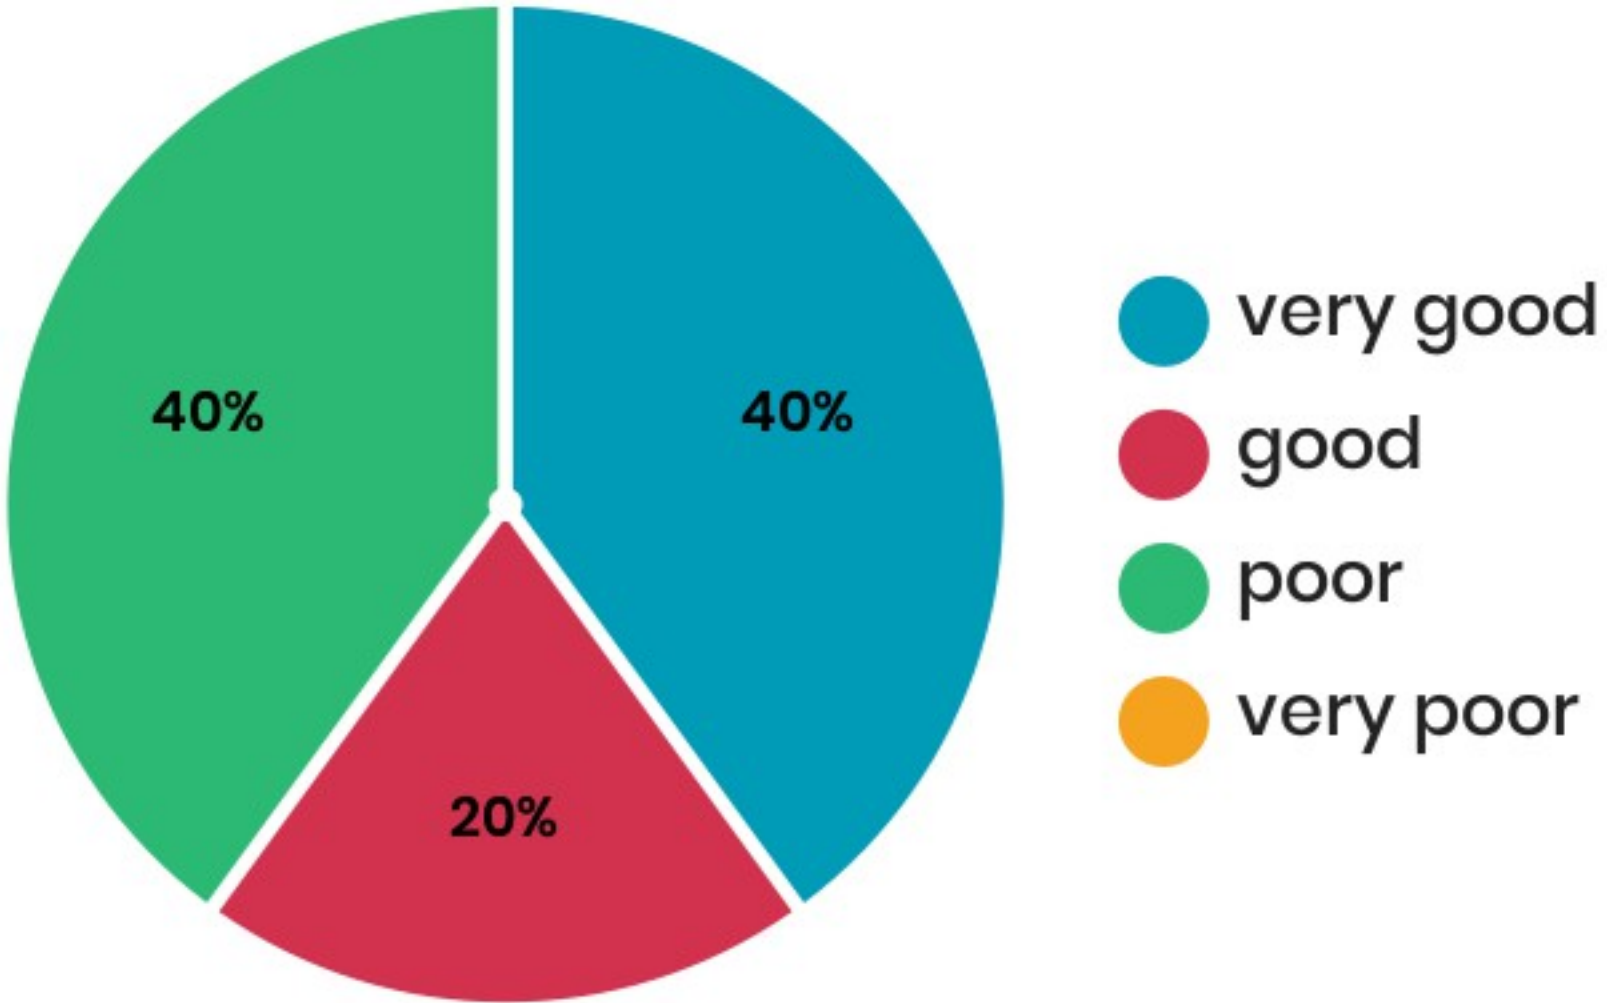

How was the image sharpness?

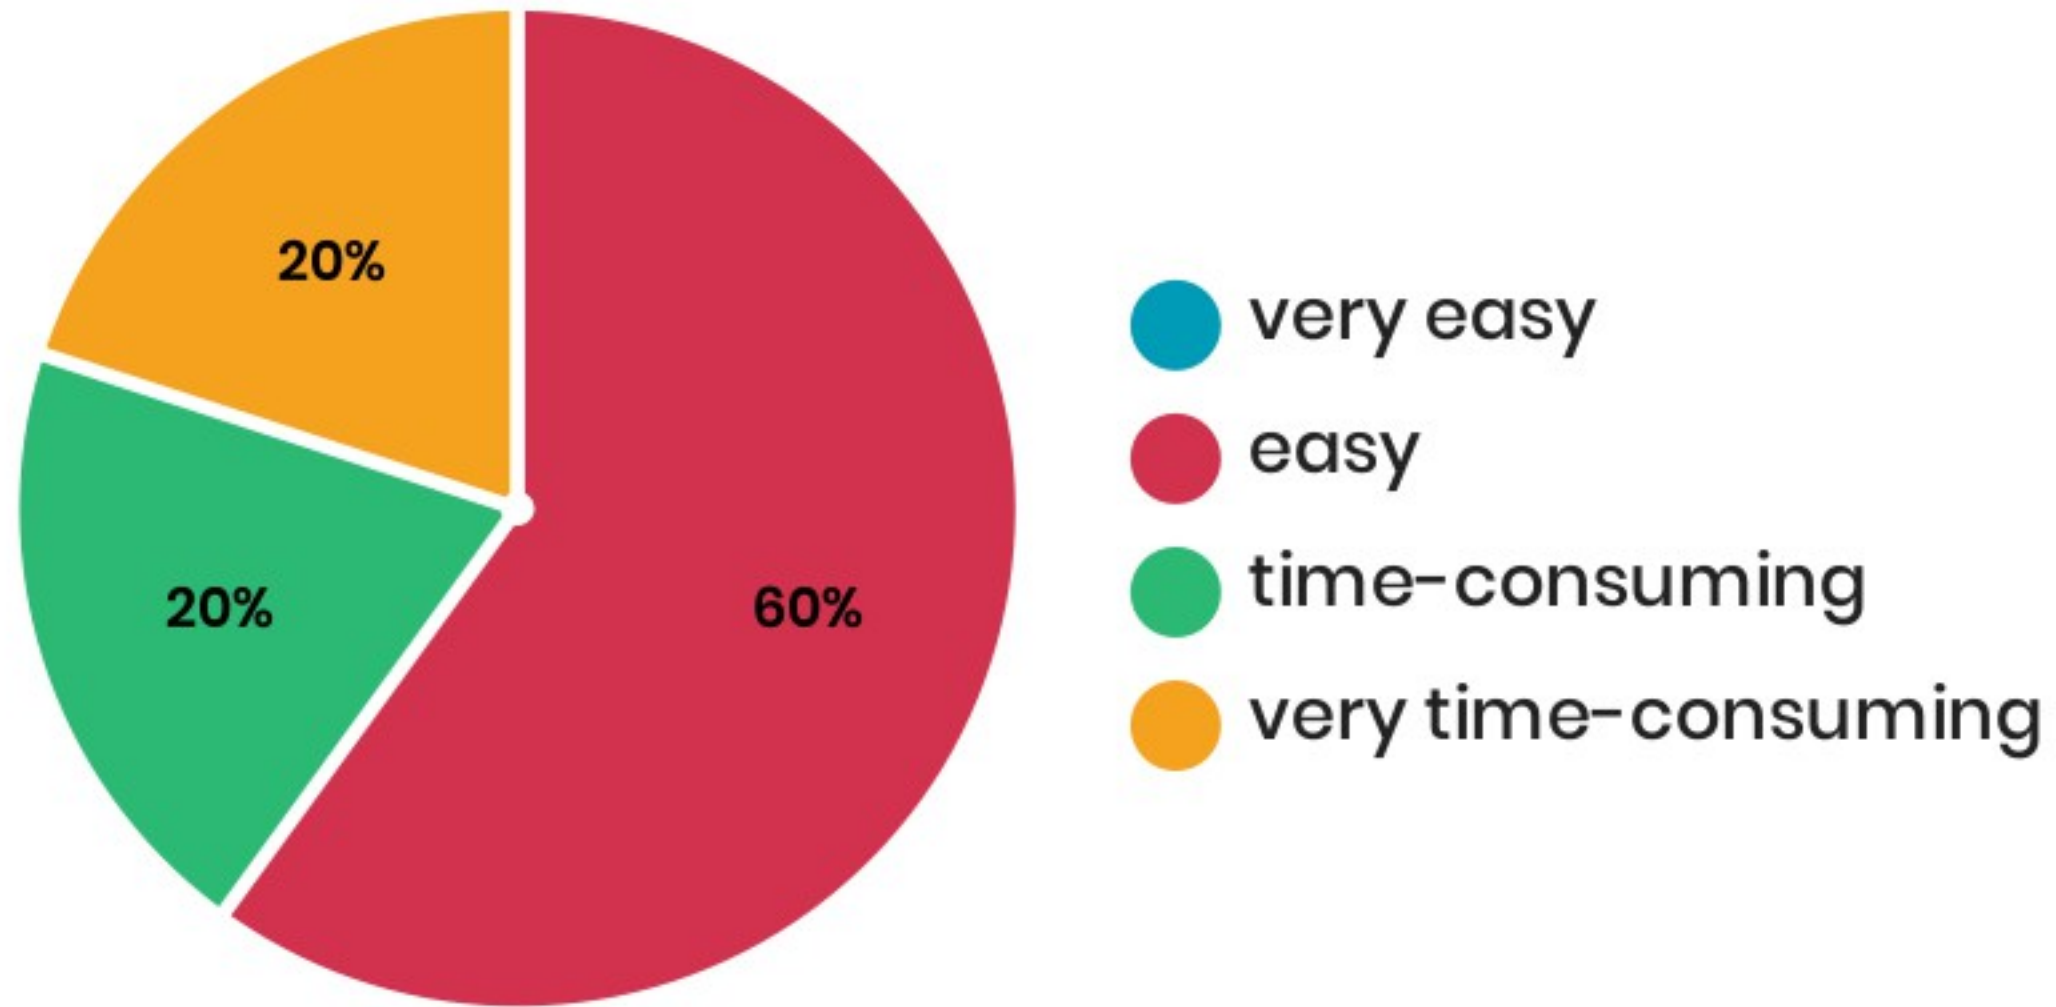

How was the image movement?

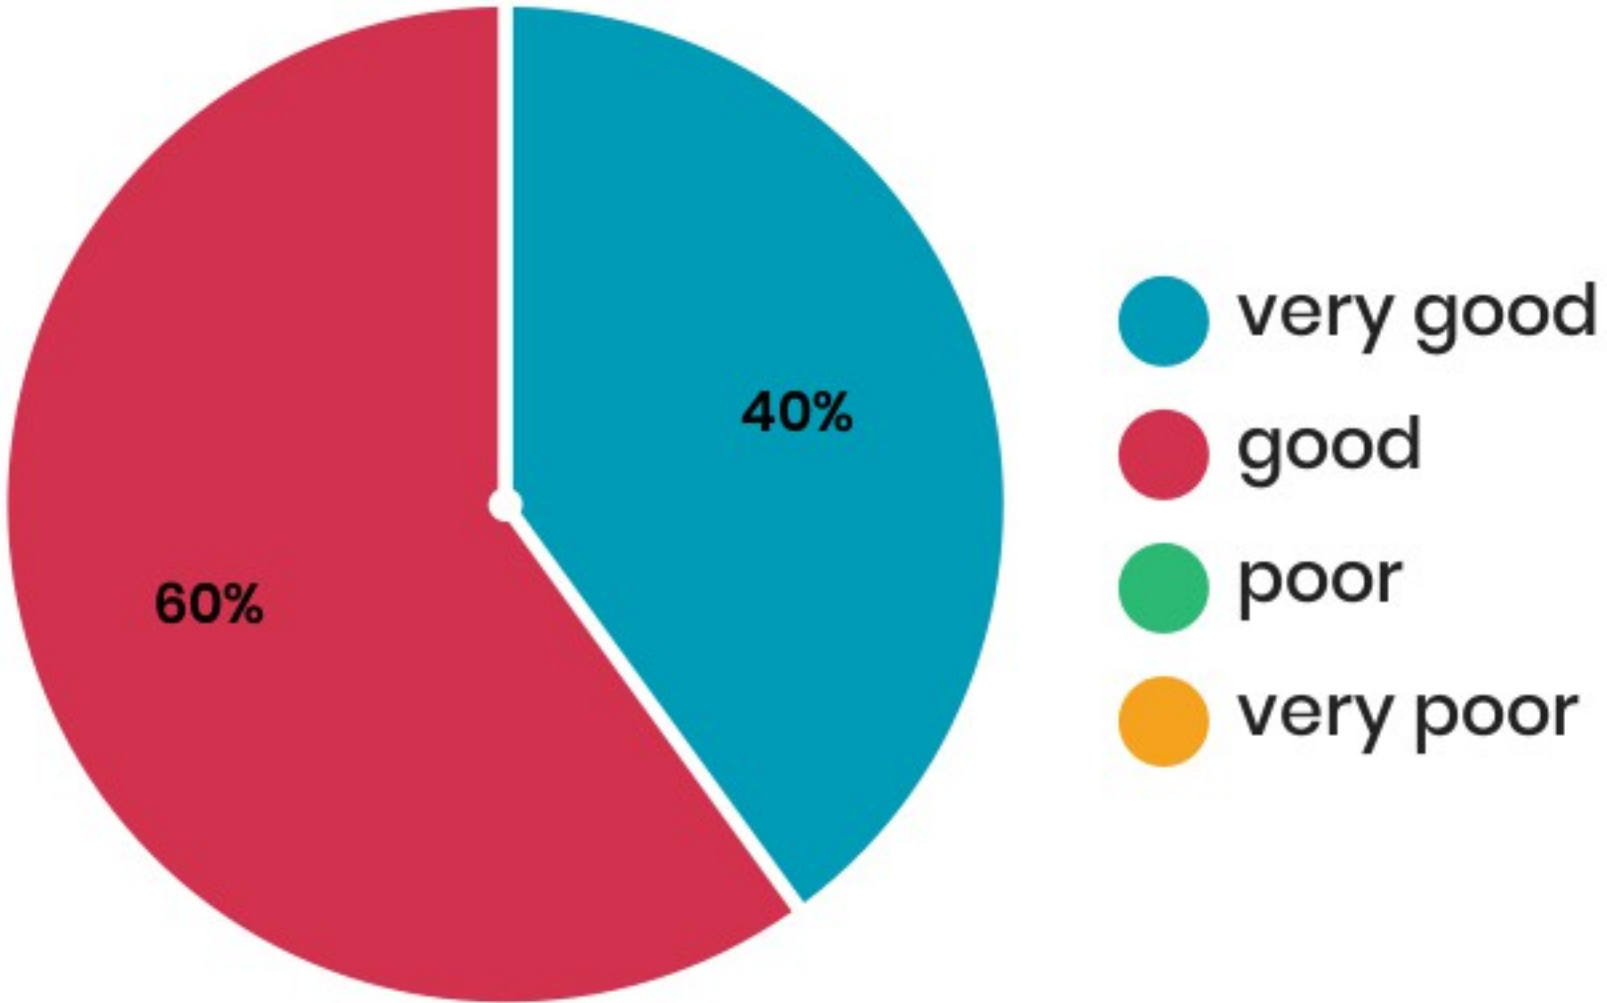

How was the quality of sound?

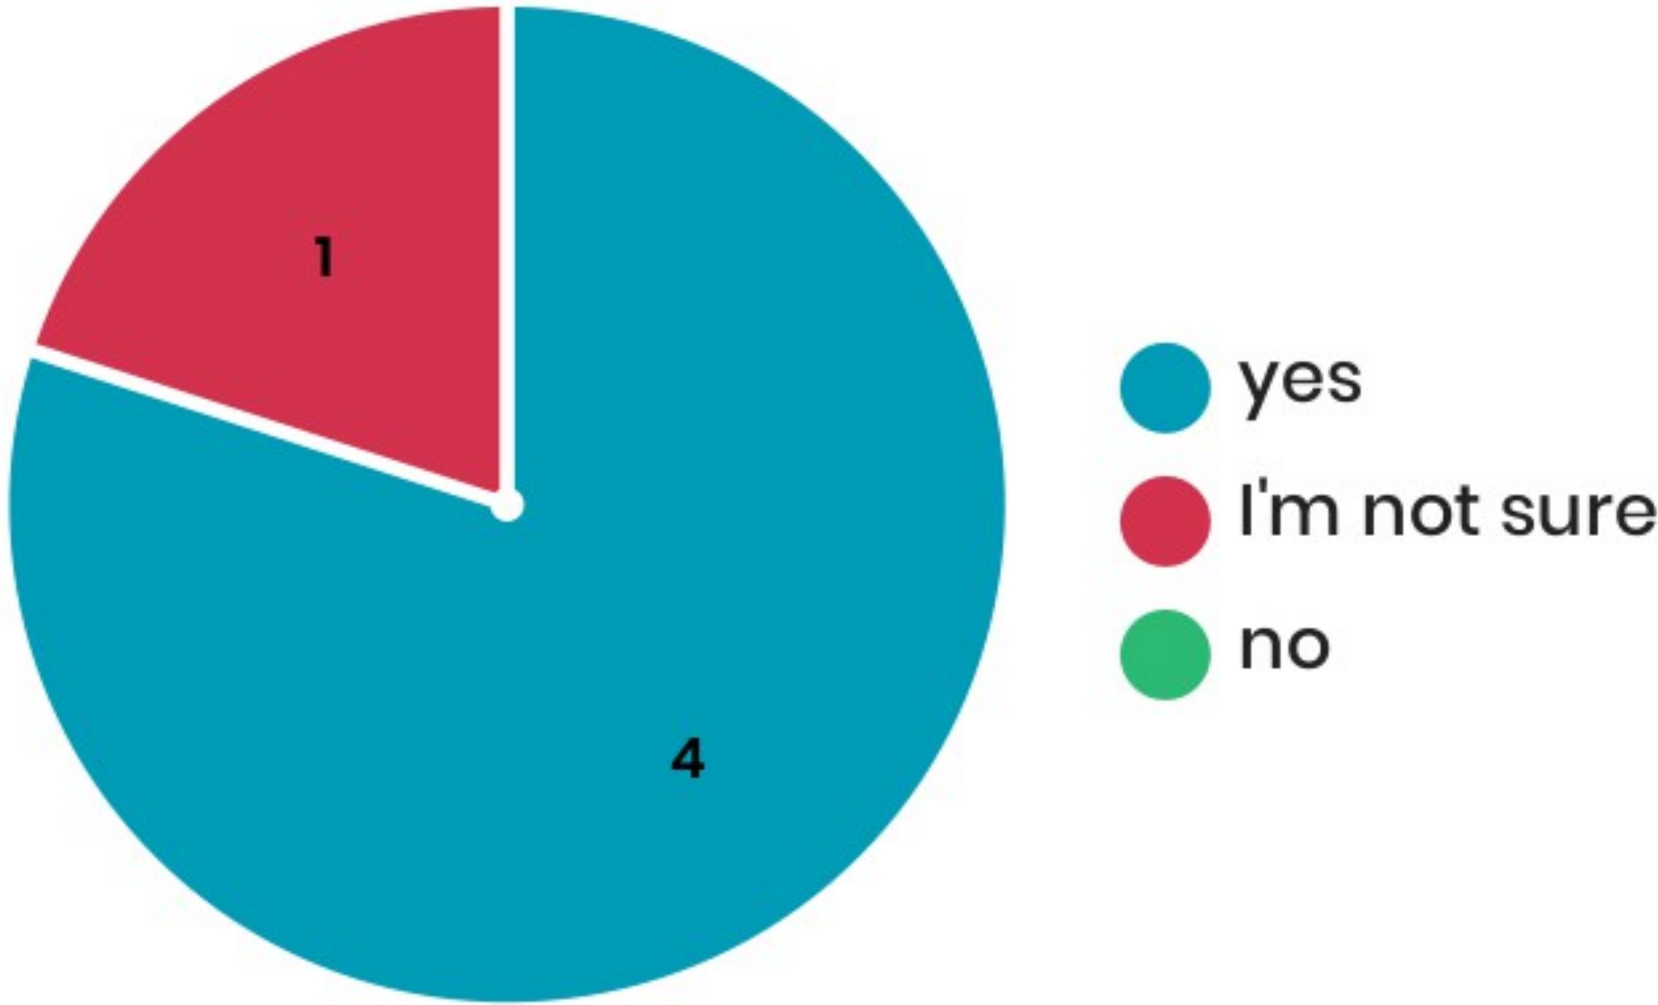

How was the preparations?

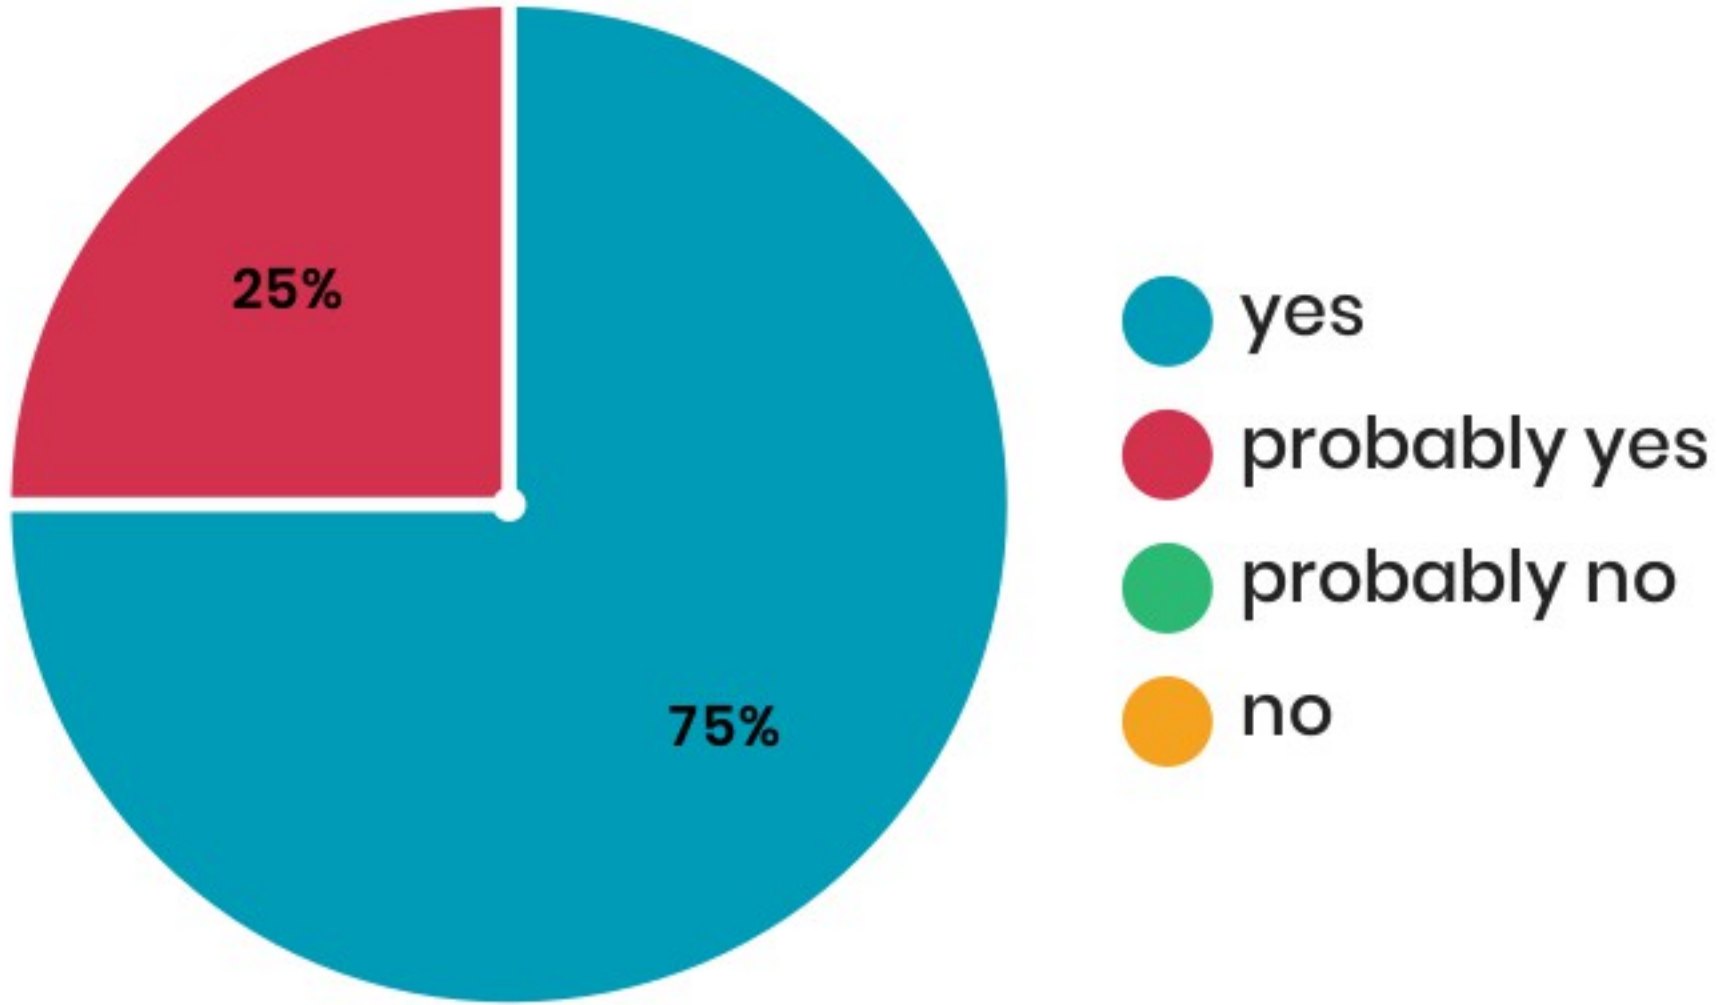

How was the program?

Do you think that this program could enhance innovation value in your institution?

Will you attend another dental teleconference session next time?

If you found any problems in teleconference, please write any comments you may have.

Sharing huge size of data from presenters is very time-consuming to confirm its content. Earlier communication is better as possible.

Few doctors, where engineer support is not there, could not share the PPT, properly

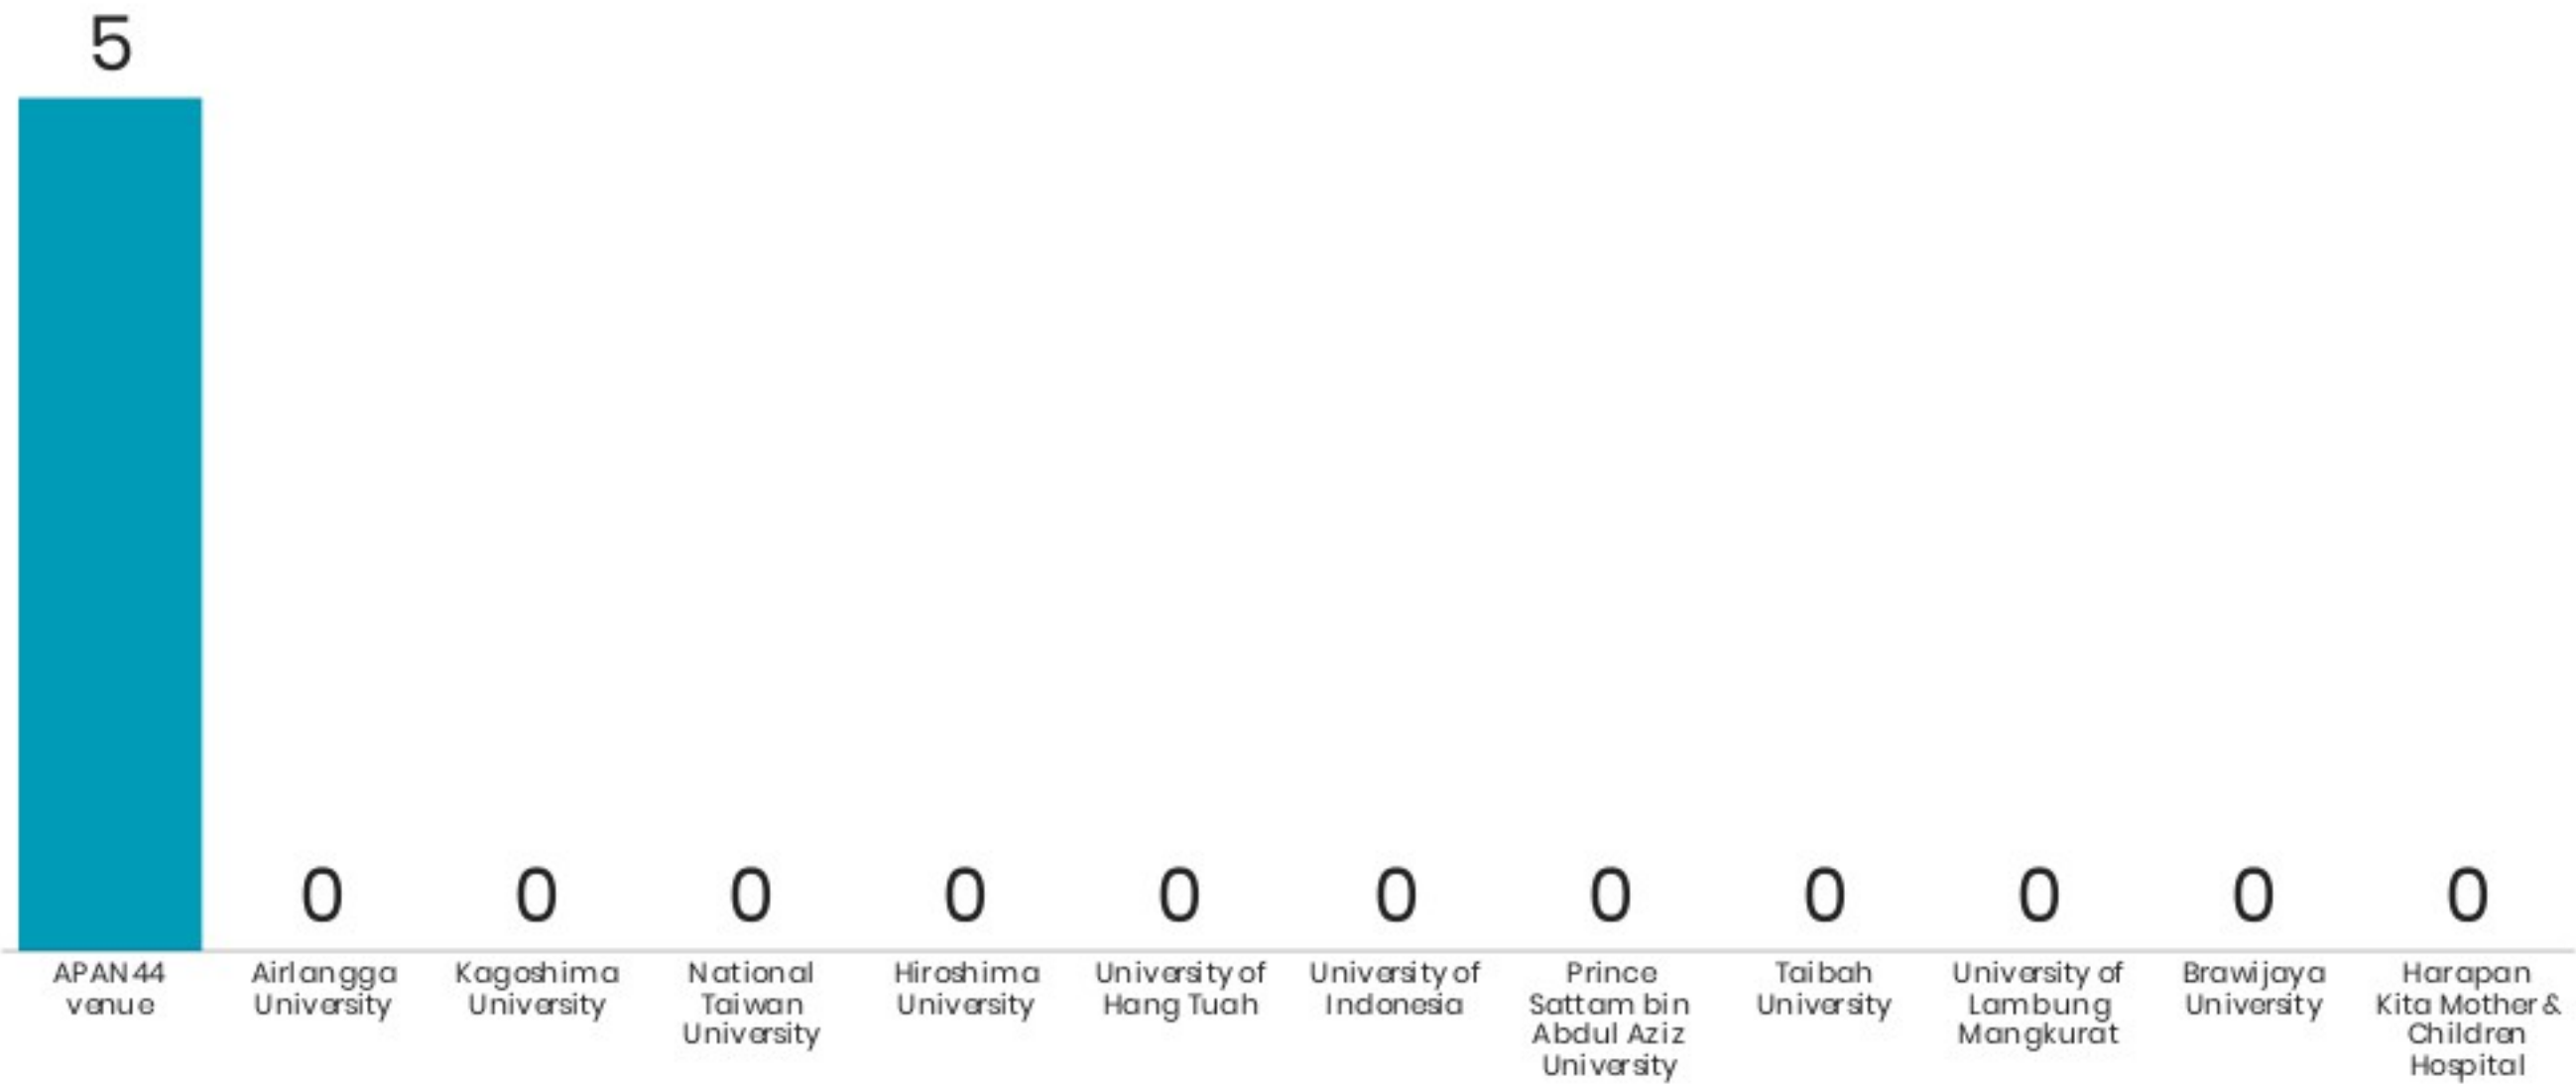

If you suggest any particular topic for the next dental teleconference session, please let me know
