

Questionnaires about APAN44 - Dental session 2

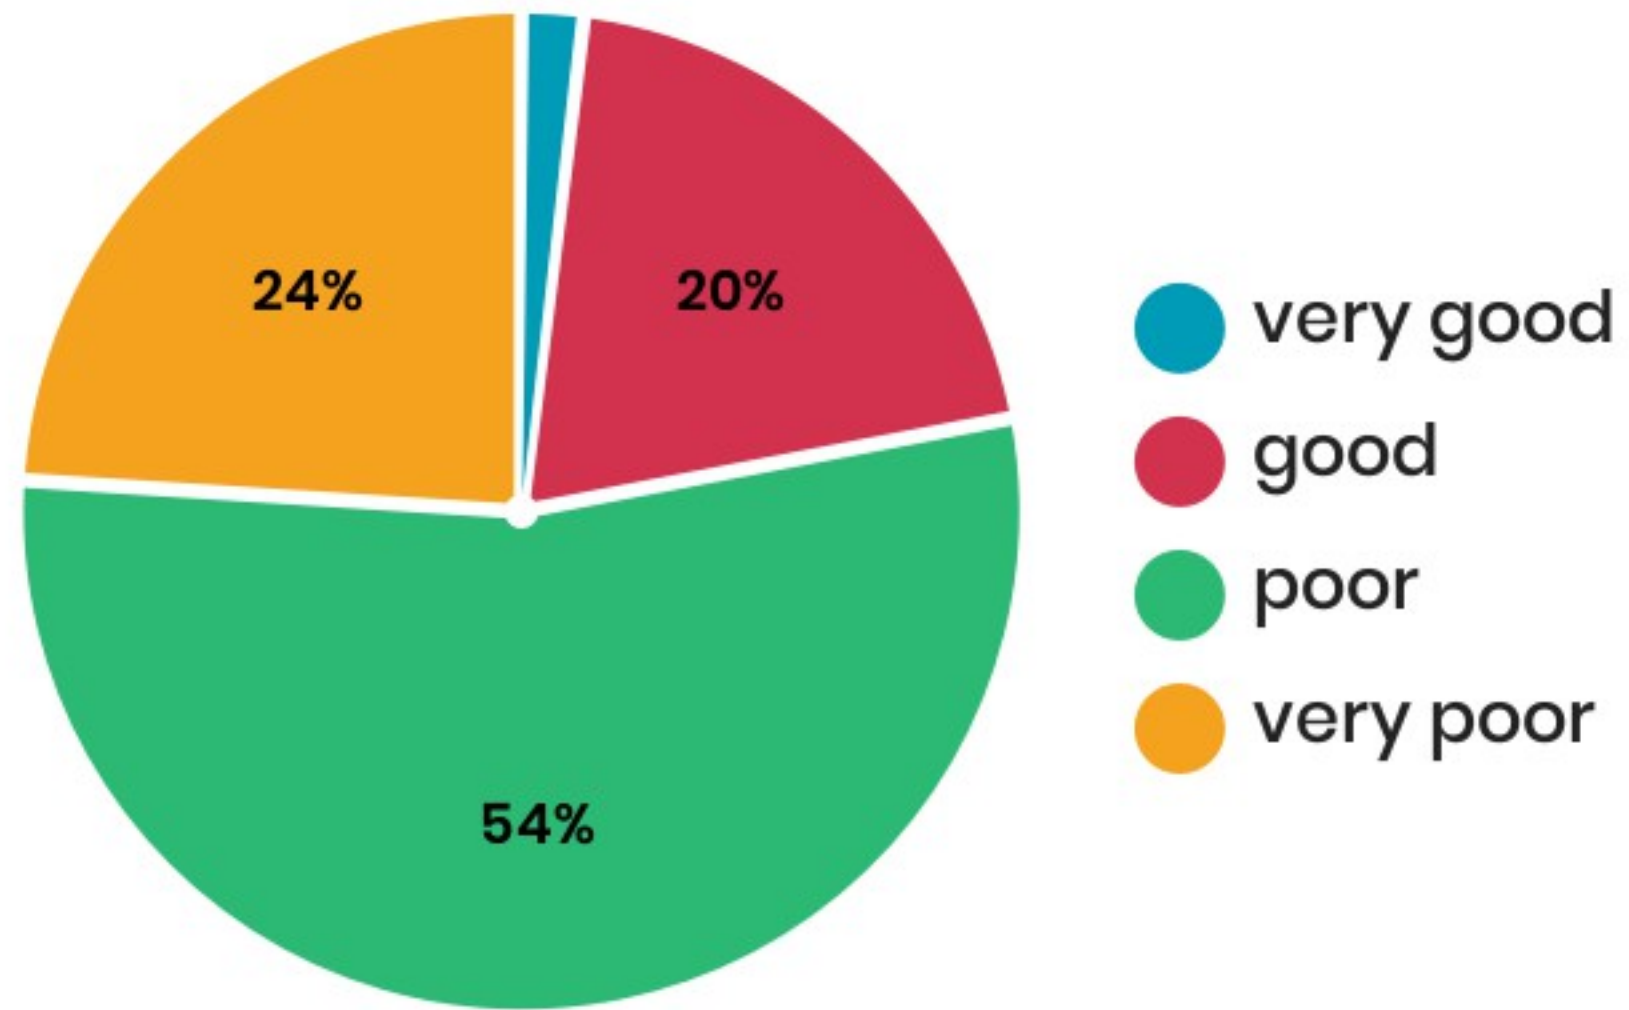

How was the image sharpness?

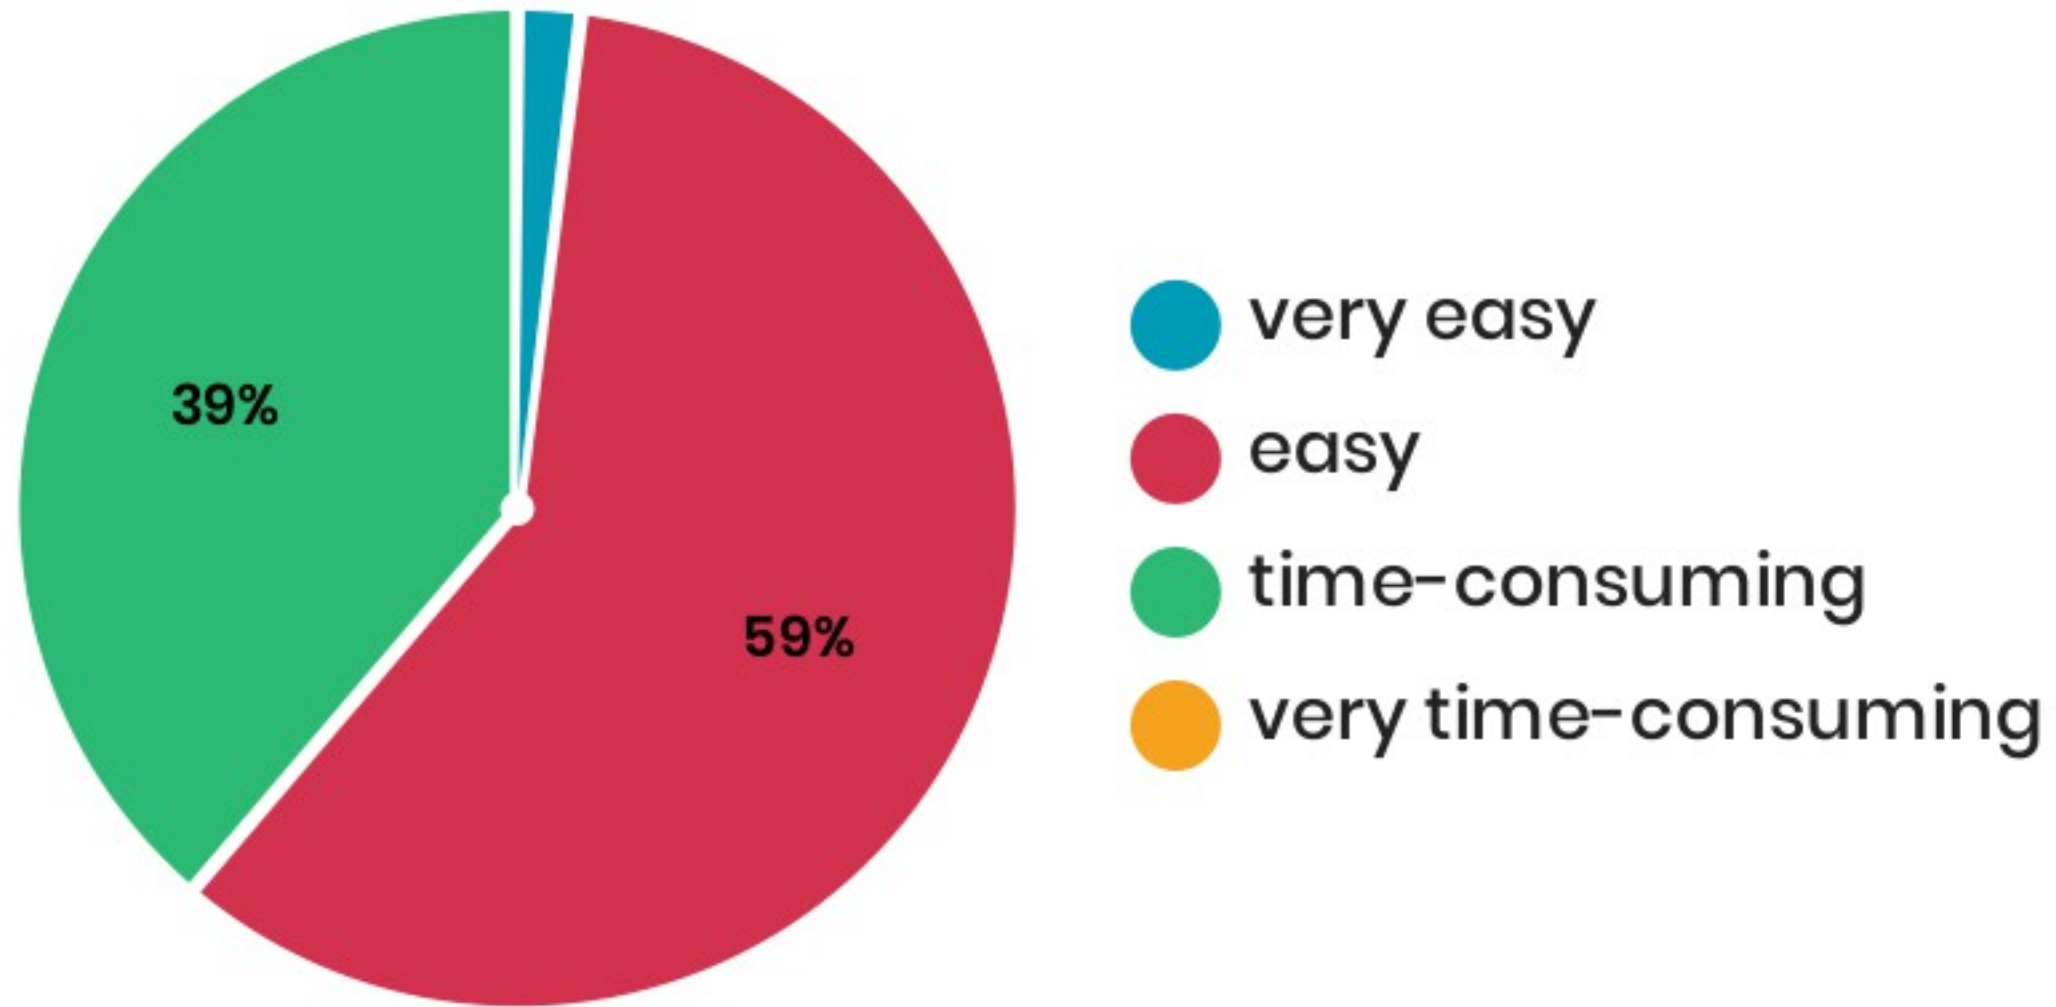

How was the image movement?

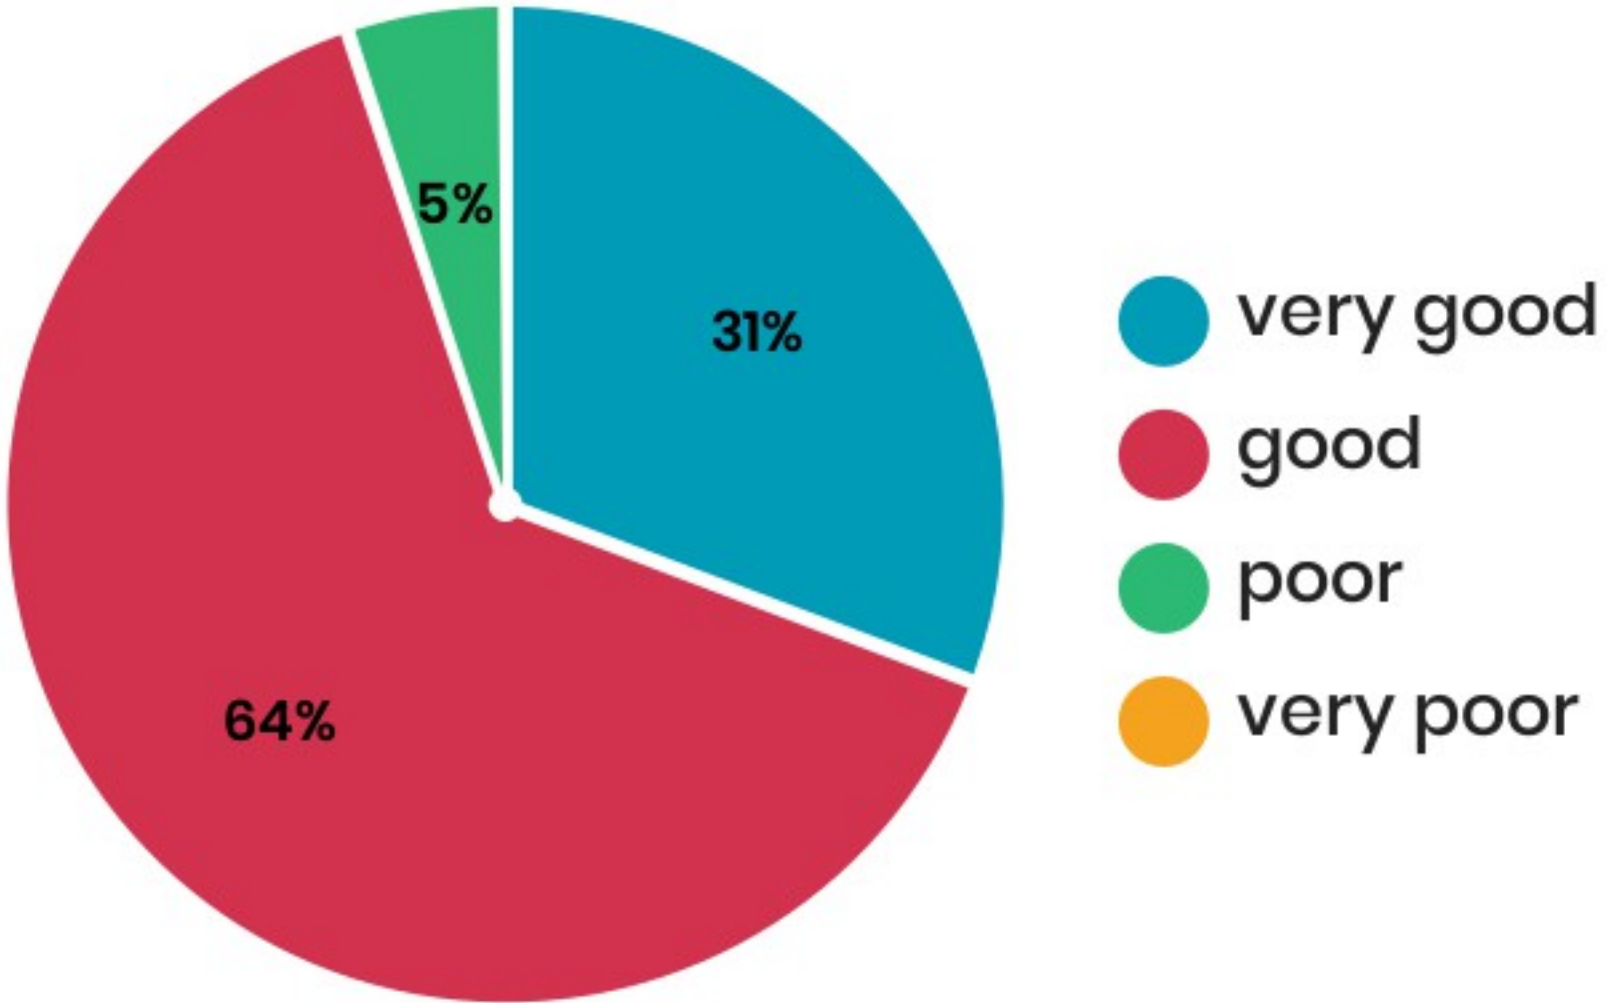

How was the quality of sound?

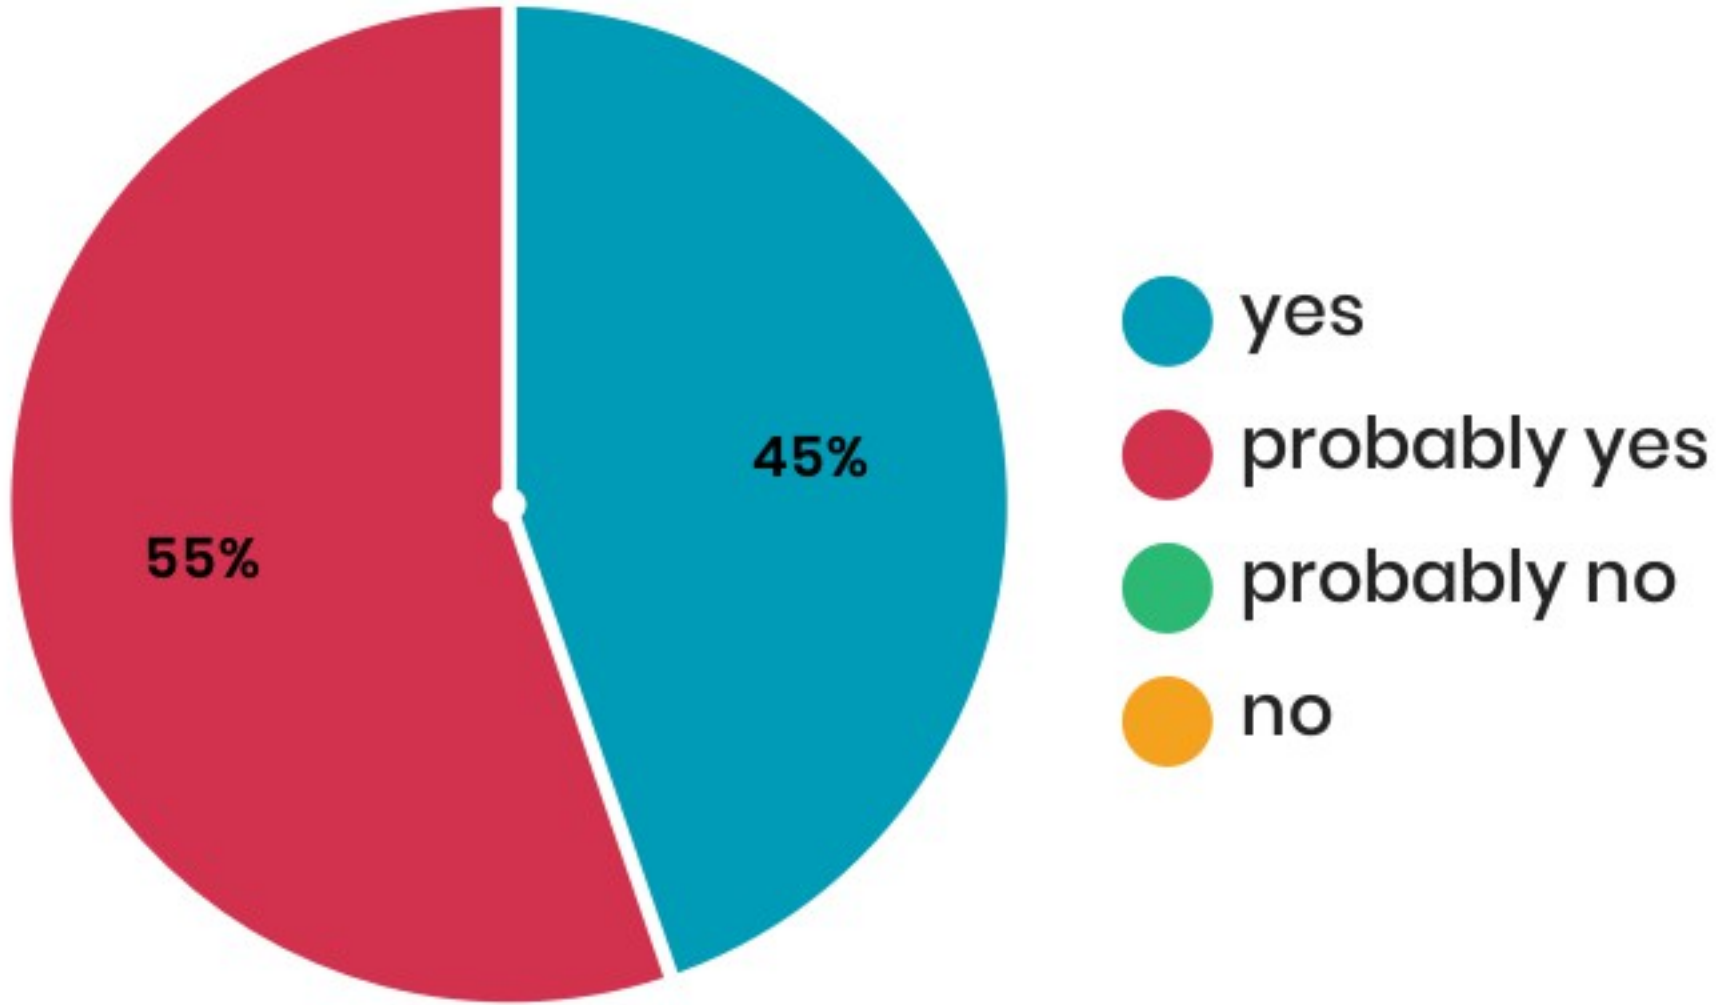

How was the preparations?

How was the program?

Will you attend another teleconference session next time?

If you found any problems in teleconference, please write any comments you may have.

I think we should prepare the IT intalation for facilitating the programe

saya perlu Diberi informasi bagaimana standart seting yg baik agar hasil suara dan gambar terlihat dan terdengar baik.

The signal is so poor That causing the sound and the movement poir either

Nothing

Thank you

The presentation was good hoewevee the sound and the image was so poor of quality

The sound is not clearly

Mostly good

May for the next teleconference will be better

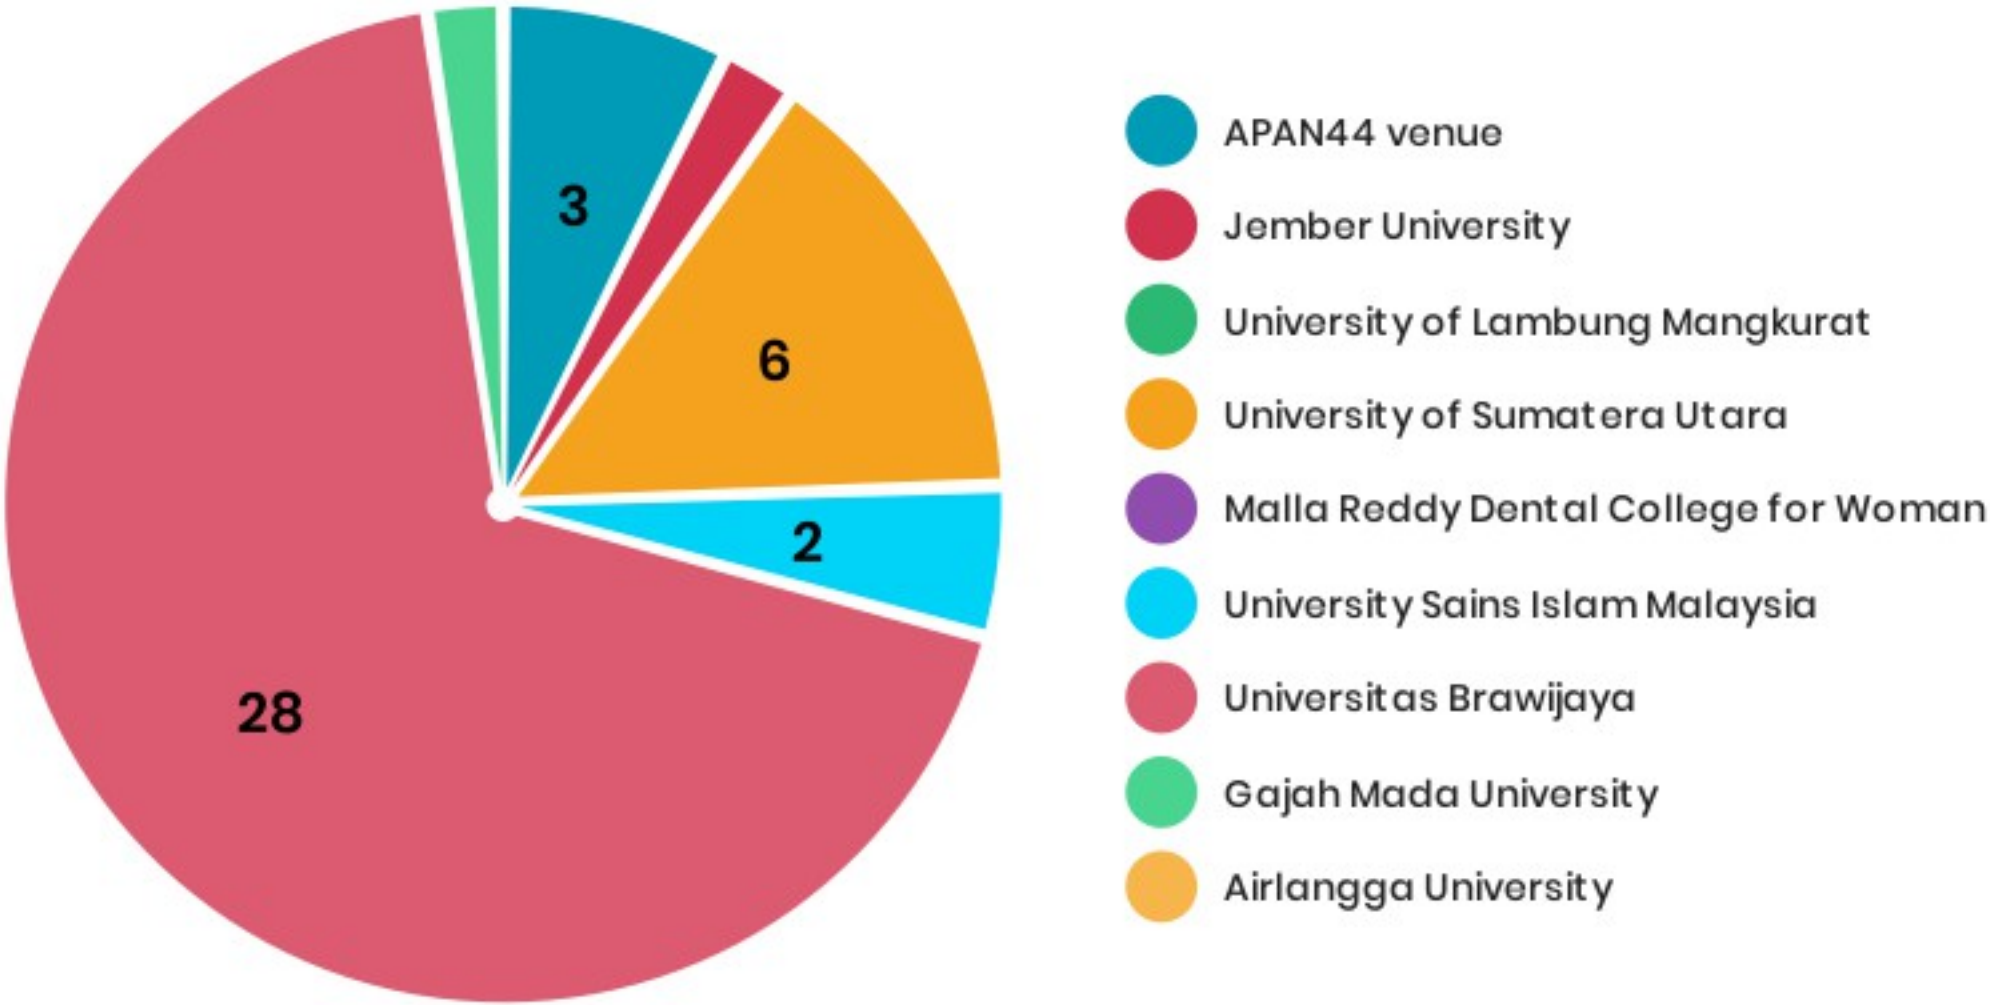

the quality of sound is poor. i cant heard it clearly

Sounds

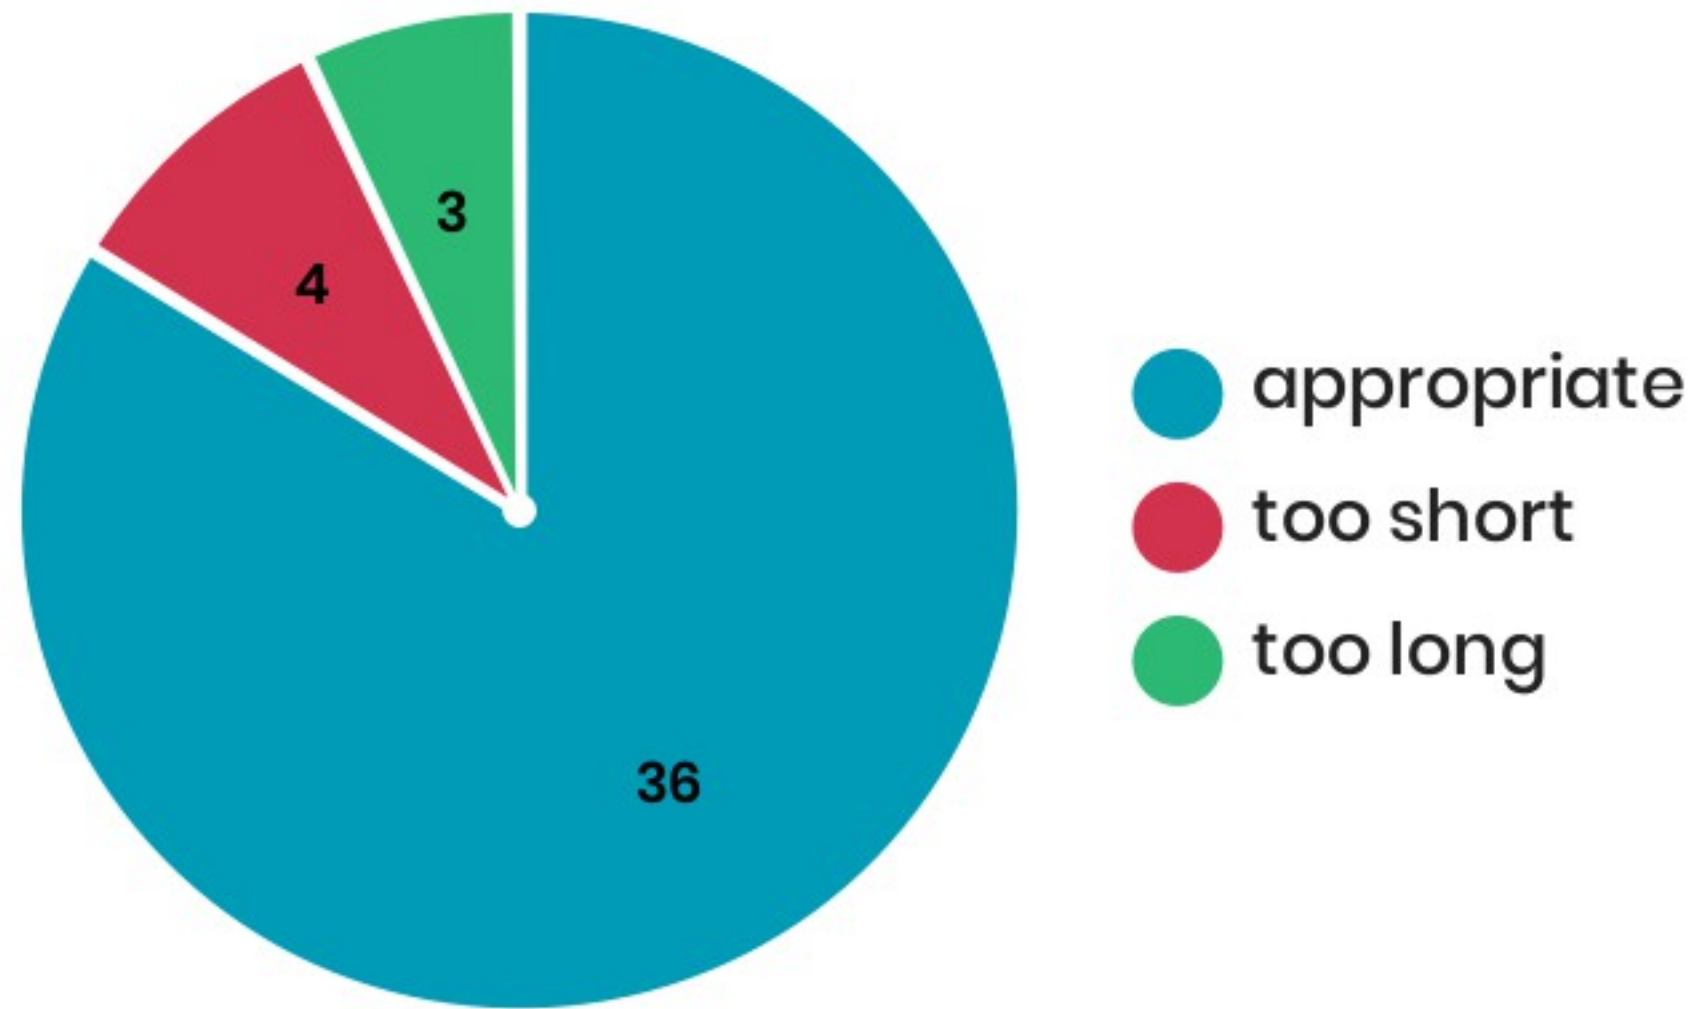

The quality of the presentation is not clear

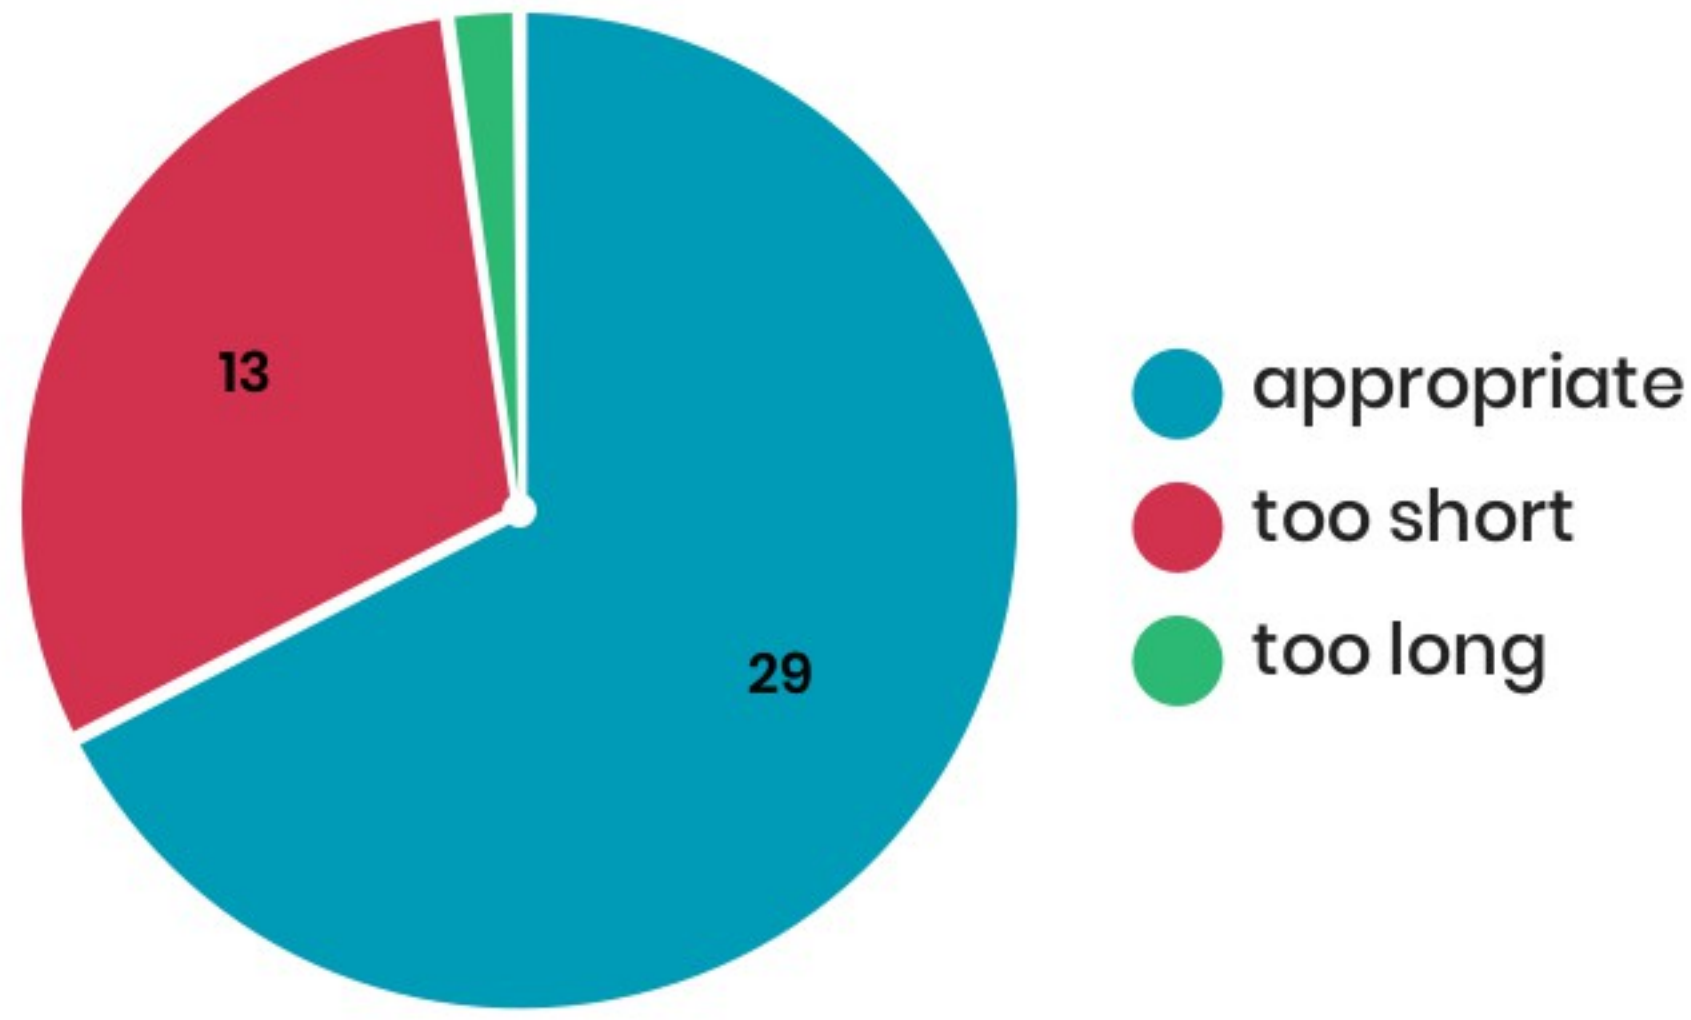

Which is your station?

How was the time for presentation?

How was the time for discussion?

What were the most useful aspects of the topics

Mungkin dokter yg bisa menjawabnya

Aloe vera

Herbal medicine

Still many troubles in sound. May be better for the next

To discover something brand new

Presentation

-

Abaout coffe

siwak, coconut oil.

coffe

Herbal topic is very useful to me, because can upgrade my knowledge about how useful herb for dentist

Good
