Will you attend another dental teleconference session next time?

28 responses

If you found any problems in teleconference, please write any comments you may have.

7 responses

Network at UNAIR seemed unstable, sometimes voice was sluggished hand hard to hear

no problem

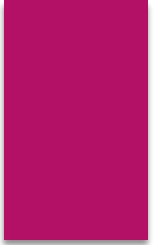

I wanted to know topics before today's teleconference, for active participation.

So Far, don't have any problems

More professional equitment

Poor sound quality due to hardware issues

Everything is fine

If you suggest any particular topic for the next dental teleconference session, please let me know

4 responses

no

Sjogren syndrome

OK, i try speak to doctor

New tecnology of dental

Summary

- ▶ Dental Telemedicine session of APAN 48 ran well as planned and programmed.
- ▶ Universitas Muhammadiyah Yogyakarta did not join for unknown reason.
- ▶ Most stations rate this meeting as a GOOD session
- ▶ Most stations think this program could enhance INNOVATION VALUE in their institution
- ▶ Most stations would recommend Dental Telemedicine to a friend or colleague
- ▶ Most stations would like to join the future sessions
- ▶ There are still sufficient topics to be explored in the next meetings.
