

VALERIE TIEMPO GUINTO, M.D., M.Sc., FPOGS, FPSMFM, FPSUOG

Biography:

Dr. Valerie Guinto is a Clinical Associate Professor of the University of the Philippines-Philippine General Hospital. She is the present Chief of the Section of Maternal and Fetal Medicine in the same hospital, and the past Chief of the Advanced High Risk Pregnancy Care Unit of the St. Luke's Medical Center-Global City. Dr. Guinto is a recipient of numerous local and international awards and is an author of several locally and internationally published scientific studies. She actively participates in writing clinical practice guidelines in the management of high-risk maternal conditions in the Philippines and has acted as a member of the Board of the Philippine Society of Maternal and Fetal Medicine for several years. Dr. Guinto presently serves as an associate editor in the Contemporary Women's Issues of the International Journal of Gynecology and Obstetrics.
