Charter Bashing

☆ What's shall we do in next 2 years ?

- Is IPv6 connectivity sufficient ?
 - End-to-end IPv6 environment ?
 - General connectivity (not special anymore)
- Any new apps being developed? interested?
 - KR/TW for VoIP6
 - KR/MY for multimedia apps
- High performance apps ?
 - Grid ?
 - IPv6 access to SuperComputers
- Need education for IPv6 programming
- IPv6 Multicasting
- IPv6 mobile support in secure manner
